## ABOUT US

### Vision

To groom the students as icons of tomorrow, potentially contributing to commerce, trade and industry; progress and development of the society, keeping in mind, at the same time, the ethical values of humanity.

'Providing quality commerce education, using innovative teaching methods and seeking all-round development of students, who will serve society through value based business practices.'

### Mission

## ABOUT THE COLLEGE

The Lions Club of Malad-Borivali, an international social organisation realized the necessity of establishing a Commerce College in the western suburb of Mumbai-Malad in 1972 to cater to the needs of the society. The vision envisaged by the stalwarts of the Club was finally converted into reality and the foundation stone of the college was laid in April, 1972, with a handsome donation from the Dalmia family of Prahladrail Dalmia Charity Trust. Within a record period of 100 days the college building was completed. The college was inaugurated by Mr. T. K. Tope, the then Vice Chancellor of Bombay University.

The Institution that started with 450 students has today become one of the premier institutes in the western suburbs. The College endeavours for academic excellence and promotion of co-curricular and extra-curricular activities that promote resilience, creativity and leadership qualities among the students. The College lays great emphasis on inculcating in its students the importance of ethics, hard work and commitment to excellence.

The College endeavours to groom its students as icons of tomorrow, potentially contributing to Commerce trade, industry and management. The College inculcates character building qualities like discipline and punctuality in the students. It provides a platform for students to organize various sports and cultural events to participate in various intercollegiate events and to achieve excellence in extra-curricular activities.

The College has an exceedingly committed staff. The Principal Dr. N. N. Pandey acts as a source of inspiration for the staff to maintain high morale while performing their duties based on the parameters of excellence.

We are proud to announce that the College is progressing and we have a wide array of courses such as BMS, BBI, BAF, BFM, BMM, BIM, BSc (IT), and M. Com (Accountancy & Management). We intend to start B.Com Transport Management (BTM) from the next A. Y. 2019-20.

## A message from our Chairman

Prahladrai Dalmia Lions College of Commerce & Economics has successfully lived the legacy for one more trailblazing year. As the Chairman of the Governing Council of the College, it gives me great honor and joy to share a piece of my mind while reflecting on the glorious path of over 45 years. Our college was the result of strenuous efforts of visionary leaders such as Lion Shyam sunder Ruia, Lion Ratanlal Saraf, Lion Dhirubhai Khakhar, Lion Sitaram Singhania of Lions Club of Malad-Borivli and the benevolence of Prahladrai Dalmia Charity Trust. Then, a commerce college, that could cater to the aspirations of the young citizens, which stood on high standards and yet approachable for people from the locality, was need of the hour. While laying the foundation stone way back in April 1972, we envisioned that the students of this noble institution would be groomed in this campus, and would be able to develop as icons of future, contributors to the society, torchbearers of progress, and ethics. After these long years of academic and social delivery, I see that we have over achieved our vision, and ambition.

Now with the overall education undergoing a fast paradigm change, the role of a campus has been redefined. The advancement of technology and digital infrastructure has enabled any person around the world to access information at their fingertips, which has in a way offered alternative methods of learning and information gathering. This marks an important shift in the role of academic institutions of not only imparting knowledge and syllabus to the students, but also infusing values, and strengthening their decision making, as well as overall personality development. Our college has been on the pioneering path, the benefits of which are now available for the students.

The aided-degree college division offers courses in the faculty of commerce from University of Mumbai. The contemporary professional programs like management, IT, mass media, banking-insurance, accounting-finance, financial markets, investment management, Masters Degrees in Commerce are supervised under the Self-Financed Courses division.

This year too we have had a list of high energy activities, which in effect gave wings to the students beyond curricular pursuit. The popular inter-collegiate cultural festival – Dalmia Lion's Utsav (fondly called as DLU and has been rated among the top 3 college level programs in Mumbai Suburbs) and Dalmia Lions Khel Mahotsav – a mega sports arena for college level competitions stands out from regular events, and marks the management and event stewardship of our college. Dozens of other programs aimed at social service, entrepreneurial development, debates, seminars, workshops, quizzes etc. complete the co-curricular panorama of the college.

The institution boasts of a diverse, dedicated and highly competent contingent of faculties facilitating the growth and development of our dear students of Prahladrai Dalmia Lions College of Commerce & Economics. The current academic team headed by Principal, and flanked by Vice Principals and the entire galaxy of educational experts have helped the organization achieve an envious position in Mumbai. Academic brilliance was illustrated many times including when our students topped various subjects in the university. I whole heartedly congratulate all the Dalmities.

Ultimately, everything boils down to a few important aspects, of delivering high quality education, bettering infrastructure, encouraging talents and facilitating overall development of students who enter the campus with an ambition of re-building the future of our society. We are ever ready to meet the new generation with innovative and engaging models of curricular and co-curricular development.

I am sure, for any student entering this college, you would find a mentor, a friend and guide for progress. I welcome all those who aspire to be a part of the great Dalmia legacy.

Let me also thank the editorial team of Spectrum, our college magazine, for consolidating the reports and bringing out a colorful illustration of Dalmia activities. Like I started, all these add to the honor and glory of the Governing Council of which I am a part of. Thanks again. Best Wishes for the following year.

## **Secretary's Message**

As a Hon. Secretary of Governing Council of Prahladrαι Dalmia Lions College of Commerce & Economics, I would like to convey my deep sense of gratitude for the faith reposed and cooperation extended to me by all of you. In all humility, I would like to point that, what we have achieved is only because of dedicated faculty, sincere administrative staff, bright students and supportive parents.

At PDLC, We Nurture, We Transform, We Create Global Business Leaders since last 46 years.

I take this opportunity to congratulate Principal Dr. N. N. Pandey, for getting elected as a Senate Member of the University of Mumbai and being appointed as a member of the Board of Studies in the subject – Statistics.

Kudos to the Principal and entire Prahladrαι Dalmia Lions College Team for getting our esteemed institute ISO 9001:2015 certified.

Also proud to announce that our college got permission to establish Research Centre, Department of Commerce in the subject Accountancy of the University of Mumbai.

Under able leadership of Principal Dr. N. N. Pandey, Vice Principal (Degree College) Ms. Madhavi Nighoskar, Vice Principal (SFC) Ms. Subhashini Naikar and Vice Principal (Junior College) Dr. Bharat Pandya, college is relentlessly striving to maintain excellence in the field of Academics, Sports and Extra Curricular Activities.

Finally do remember – “It's your Attitude and not your Aptitude that determines your Altitude.”

Seize every opportunity to learn. Today's learners are tomorrow's leaders.

Thank You, With Regards,

**Lion Kanahaiyalal G. Saraf**

Hon. Secretary, Governing Council  
Prahladrαι Dalmia Lions College of Commerce & Economics

## **From The Principal's Desk**

"The whole purpose of education is to turn mirrors into windows" says Sydney J. Harris. We at Prahladrai Dalmia Lions College of Commerce & Economics aim to nurture the curiosity of our youth and lead them on to a life of 'light', a light which will teach them to discern the right from the wrong; to choose the 'true' from the 'fake' and to understand the worth of 'kindness' and 'humanity' as they move ahead in their path of success.

Our institution since 1972 has endeavored to give our students the best in all fields – be it curricular or extra-curricular. Building a wholesome personality of our youth into 'icons of tomorrow' is what we have always yearned for. "Nine tenths of education is encouragement" says Anatole France. Our teachers are constantly driven to mentoring students and passionately empowering them to become better in their chosen fields. Today our students make us proud by bringing in laurels for their alma mater in diverse arenas – be it academic, sports or the cultural.

We provide our youth wider vistas of learning – the Dalmia Lions Utsav, our intercollegiate festival provides all youngsters of Mumbai a platform to the budding artists and talented youth, to fire their imagination and showcase their prolific virtuosity in dance, music and art. The Dalmia Lions Khel Mahotsav is a mega sports event that encourages teams of Mumbai Colleges to clash with the best in the field – football, volleyball, cricket and carrom – all offer moments 'where sheer human will and desire overcomes the odds'.

"The only person who is educated is the one who has learned how to learn ...and change" says Carl Rogers. Our teaching staff is ever engaged in research activities which lead us to organize conferences and seminars for the teaching fraternity every year. This year we had Dr. Jagannath Patil, Adviser, National Assessment and Accreditation Council, Bangalore, as the Key Note Speaker and Chief Guest at the National Seminar on 'Revised Accreditation Framework by NAAC'. Encouraging the changes in the sector of education and understanding the methodology of the quality enhancement process was the objective of this seminar.

Not only teachers but also our students are encouraged to create new perspectives of knowledge and understanding through research. The student research conferences: this year on "Youth and Wellness: Body, Mind and Spirit" and 'Gender Sensitization', encouraged the spirit of inquiry and research in our students.

We at Prahladrai Dalmia Lions College of Commerce & Economics try to understand the yearnings of our youth, try to tap their potential and help in realization of this potential by careful nurturing and encouragement. With an encouraging Management that helps to facilitate a powerful learning environment this is made possible.

My teaching and administrative staff together put in their best to imbue the teaching-learning process with ease and comfort. The nerve centre of all our endeavors is our student and to nurture and nourish this sapling into a youthful spirited 'icon of tomorrow' is what we all aspire to.

I assure all parents that your child is our responsibility and you can repose all your faith in us; for we are here to help your child navigate the world – academically with skills that will help in opening new doors of employability and with life skills that will turn him/her into a youth that loves and enjoys the beauty of life. I extend a warm welcome to you all!

### EXTRA CURRICULAR ACTIVITIES

- It gives the students a platform to express themselves in a healthy manner since they are in adolescence stage. These activities help them to channelise their energies in the right direction like developing organizing skills, event management, exposure to different cultures, and application of knowledge. It also helps them to socialize and network at a young age. They learn to accept failures and embrace their achievements with the right team spirit.
- In today's competitive environment it is very important for a student to excel in studies as well as in co-curricular activities. The traditional method of learning doesn't meet the required expectation of the corporate world. Learning methods in modern era accepts the pattern of theoretical as well as practical knowledge.

The only really decent thing to do behind a person's back is pat it.

## ELIGIBILITY OF REGULAR CANDIDATES FOR ALLOWING TO APPEAR FOR H.S.C. EXAMINATION

A candidate attending the second year of junior college class shall be eligible to appear for the Higher Secondary Certificate examination to be held at the end of the second year of junior college on full filling the following conditions.

1. (a) In the case of the March or April examination he should have attended Second Year Junior College for not less than 75% of working days, during the period from the opening day of the academic year to the 15<sup>th</sup> of February of following year and for the October Year Junior College Class(Std. XII) in one or more junior college for not less than 75% of the working days during the period from the first day of October of the proceeding year to the 15<sup>th</sup> September of following year.

Provided that :-

- (i) The said 75 per cent attendance is kept by candidate separately during the academic year, both before and after his form of application for admission to the examination is forwarded by the head of the junior college concerned.
- (ii) A candidate who has kept the required minimum attendance of 75% of the total working days during the period of the academic year preceding the date of forwarding the application for admission to the examination but who did not submit his application for admission to the examination or whose application was withdrawn under Regulation 93(8) for the examination to be held at the end of the academic year shall complete, the minimum attendance prescribed under this clause either :-

A-during the remaining part of the same academic year or,

B-during the first term of the next academic year if he intends to appear at the examination in the following October or November, or

C-during the second terms of the next academic year if he intends to appear at the examination in the following March or April.

- (b) The Divisional Chairman, may for special medical reasons or circumstances beyond the control of the candidate as certified by the head of the institution, condone a deficiency in the percentage of attendance prescribed under clause (a) above upto 15 per cent.
  - (c) The head of the junior college concerned shall under Regulation 93(8) on or before the prescribed therein, forms of applications forwarded to the Divisional Board's Office in respect of those candidates who do not fulfil the conditions laid down under clause (I) and (ii) of the provision to clause (A) above, unless the deficiency in attendance is condoned by the Divisional Chairman in cases referred to him by the head of the junior college on or before 20<sup>th</sup> February or 20<sup>th</sup> September as the case may be, with a statement of each such candidate in the form prescribed by the Divisional Board.
2. The Head of the junior college has certified that :
    - (a) The student had kept the prescribed attendance as laid down clause (1) (a) above.
    - (b) To the best of his knowledge, the candidate is a fit person as regards character for admission to the examination, where in the opinion of the junior college, the character of any candidate is not good, he shall nevertheless forward the application of the candidate to the divisional

board after endorsing thereon the reason for forming such opinion, with the instance (if any) in support thereof. All such applications shall be considered by the Standing Committee, which shall, on merits or each case, decide whether the candidate be permitted to appear at the examination or not, and the decision of the Standing Committee shall be final.

3. Every candidate attending second year of Junior College Class makes a proper application to the Divisional Board for appearing at the examination if he/she satisfies the conditions laid down in this Regulation regarding attendance and completing practical work (if any) and if the head of Junior College certified that he/she is a fit person as regard character for admission to the examination or where such certificate is not given the Standing Committee decides that the candidate be permitted to appear at the examination, then such candidate shall have a right to be admitted to and appear at the examination.
4. Where a proper application is made by the candidate to the Divisional Board for appearing at the examination, and the conditions regarding attendance and completing practical work (if any) are satisfied, the application shall not be withheld by the head of the Junior College on any other ground.
5. Every candidate (whether Private or Regular) shall abide by the instruction which the Divisional Board may, from time to time issue through the heads of Junior College regarding submission of application forms, admission to the examination hall and discipline during the course of the examination, any breach of such instructions will render a candidate liable for action under Regulation 91.

### APPLICATIONS FOR THE EXAMINATION :

6. All applications for permission to withdraw forms of applications for admission to the examination forwarded under Clauses (1) and (2) above shall be submitted by the head of the Junior College concerned so as to reach the Divisional Board's office on or before the 25<sup>th</sup> February in the case of the March or April examination and or before 25<sup>th</sup> September in the case of October or November examination.

Provided that, it shall be competent for the Divisional Chairman to allow withdrawals of applications ever after the last dates mentioned under Clause (8) above, in special cases on the merits of each case, but no refund examination fees already paid by the candidates in such cases shall be held admissible if a Seat No. has already been assigned to the candidate concerned by the Divisional Board's Office.
