EDITORIAL

Failure is something that bogs us down like any other disaster. Anecdotes of people who have failed and then succeeded attempt to give us solace and encouragement. Walt Disney, we are told was fired by a newspaper editor because he 'lacked imagination and had no good ideas' and Steven Spielberg was twice rejected by the University of California School of Cinema Arts. It is easy to say "do not be scared of failures; they are the stepping stones to success". But it is only after you have achieved success can then you say so. For the person who is down and out and undergoing a real bad time these adages hold no truth. We have faced these situations time and again and have surpassed them in our own way, sometimes with fortitude, sometimes grudgingly irritated with the world that I am not being given a fair deal, sometimes in silence not ready to face the world for I feel cheated and bruised. But what outshine these dark times are the bonds that are created or strengthened in the process of going through the dark night. These bonds are the people that are the rock upon which our dark nights are spent. They may be our friends, parents, spouse, children or colleagues. These are the people that make life look beautiful and goad us to go on inspite of difficulties.

One needs to understand and value these relationships. Our 'real friends' are made known to us in moments of suffering. As C. S. Lewis puts it: 'Friendship is unnecessary, like philosophy, like art . . . It has no survival value; rather it is one of those things that give value to survival.'

One needs to cherish and treasure true friends. In a world where we 'friend' and 'unfriend' people at the click of a button, where we 'add' and 'block' our once upon a time 'friend' on social networking sites, 'friendship' is a loose term. The warmth and depth that the relationship demands is missing. We all want friends that we can depend upon but I forget to ask myself: "Can I be a 'friend' I would want to have?"

We hear complaints such as, "This is a world wherein people who 'friend' me are ready to draw daggers at me, what do I do?" I would say: "You have not chosen wisely." Chanakya in his *Chanakya Neeti* says:

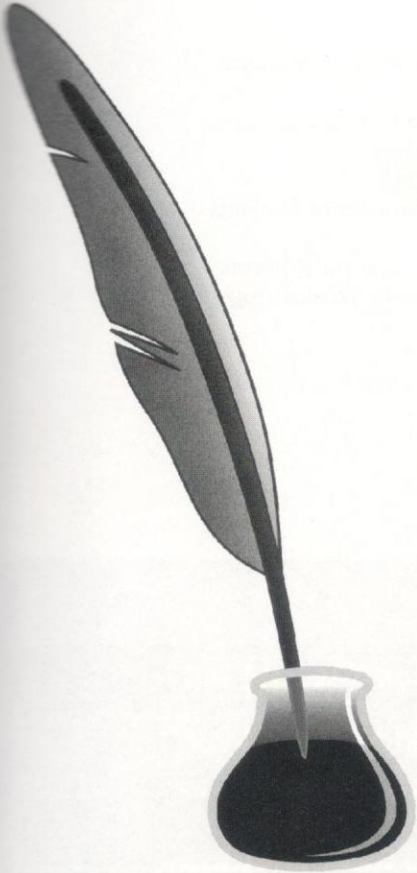

परोक्षे कार्यहंतारं प्रत्यक्षे प्रयिवादिनि ।

वर्जयेत्तादृशं मतिरं वषिकुंभं पयोमुखम् ॥

The quote means: 'A friend whose talk is sweet in person but who spoils the job when out of sight should be abandoned like a pot of poison topped with milk.' It is better to have one good friend who knows you and you trust instead of 360 friends who you have no clue what they are like. Let us remember George Washington's words:

'Be courteous to all, but intimate with few, and let those few be well tried before you give them your confidence.'

Ms. Emelia Noronha
Chief Editor

ABOUT US

'To groom the students as icons of tomorrow, potentially contributing to commerce, trade and industry; progress and development of the society, keeping in mind, at the same time, the values of humanity and social responsibility.'

'Providing quality commerce education, using innovative teaching methods and ensuring holistic development of students who will serve society through value-based business practices.'

- ❖ To impart quality education in the faculty of Commerce to students.
- ❖ To achieve high standards in the quality of education as well as to inculcate social awareness and to serve the society.
- ❖ To inculcate qualities of discipline and build the character of Students.
- ❖ To provide a platform to organize various sports and cultural events, to participate in inter-collegiate events and to achieve excellence in co-curricular activities.

Lion Sharad S. Ruia

CHAIRMAN'S MESSAGE

Student is the pivot round which the entire education system revolves. We have embarked on a journey that aims to empower each and every student who enters our institution. Our quest is towards making every student of ours employable. The synergy of my proactive team of highly skilled, qualified and experienced faculty reinforced by the state-of-the art infrastructure aims to bring companies from diverse sectors to our campus for recruitment.

We are constantly toiling to bring forth programs that would harness the latent creative energies of our students. We have in place programs that would not only develop their personality and confidence but also strengthen them with employability skills as per their potential and desires; in five years from now we aim to ensure that 60% of our students will graduate from our institutions armed with appointment letters from leading companies and in 10 years time, I am sure 100% of our students will walk out of the college with lucrative job offers.

To help our youth embrace success is what we yearn for. Our institution is dedicated towards building every individual into a self confident, creative, disciplined individual with integrity and high moral values. Giving them a stress free and caring environment, we offer ample opportunities for their growth and nurture their dreams.

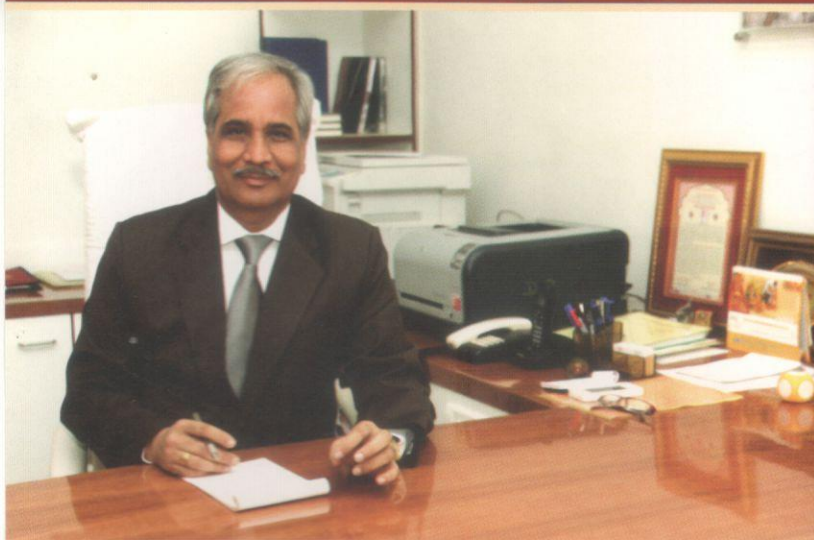

We toil to build icons of tomorrow.

Lion Sharad S. Ruia

Chairman, Governing Council

You, too, can determine what you want. You can decide on your major objectives, targets, aims, and destination.

-W. Clement Stone

FROM THE PRINCIPAL'S DESK

The year gone by has been a tough ordeal for all of us. The management took upon itself the humungous task of renovation and beautification of the college campus so as to provide all its stakeholders a state-of-the-art ambience that will boost the morale of all of us involved in the teaching learning process.

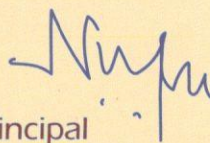

The existing facilities were given finesse par excellence – the open access library facility, now christened – Vedanta – with access to a plethora of e-learning material via internet brought in a sea change in the information dissemination process. The Research Cell invigorated our teaching fraternity to continue with their research all the more with zeal and ease that has seen an upscale rise in the number of publications of our teaching staff. The conference hall with ultra modern convention facilities have now facilitated the hosting of workshops, seminars and conferences.

The stupendous computer laboratory that can now house 90 students at once is an experience in itself. The chic and colorful canteen now called Munching Point enlivens the campus with its youthful spirit. A sound mind resides in a sound body and thus our state-of-the art gymnasium harnesses the fitness of our youth. With an enhanced infrastructure, re-energized teaching and student fraternity, a supportive staff and an ever encouraging management we are set to scale new heights. This year our college went for the accreditation process by the National Assessment and Accreditation Council; though the grade 'B' accorded to us does not define us and our spirit.

Our student is our focal point and we would endeavour our best to give our student the best of all opportunities. For we believe, as Brad Gerrard puts it:

"Believe in yourself, be strong, never give up no matter what the circumstances are. You are a champion and will overcome the dreaded obstacles. Champions take failure as a learning opportunity, so take in all you can, and run with it. Be your best and don't ever ever give up."

PRINCIPAL'S ANNUAL REPORT

2013-2014

It is my proud privilege to put before you the achievements and happenings of this academic year. Our students have been scaling new heights in every field. The academic performance of our students is excellent.

Our BCom Degree passing percentage is 96.28 the University results being 81.13 %. Of the 672 students who appeared for the examinations 647 were declared successful, with 204 obtaining Distinction, 384 students passing with First class and 59 students obtaining Second class. Mehta Jaikumar R. topped the class.

The BMS Degree passing percentage is 100. Of the 119 students who appeared for the examinations 95 students were placed in First class. Shirish Girish S. topped the class. The MCom-II (Accountancy) passing percentage is 76 and Shah Kunjal M. topped the class. The MCom (Management) passing percentage is 87.50 and Chauhan Rupali B. topped the class.

The HSC college result this year is 97.77% which is higher than that of last year - 97.36%. 744 students cleared the examinations out of the 762 students who appeared. Agarwal Bhavesh A. stood first this year and got 88.33% and secured 98 marks in Accountancy.

Our students not only excel in academics but also in the cultural field and sports. We promote all round development of students by encouraging them to take part in curricular and extra-curricular activities. Our students participated and bagged several prizes at the various intercollegiate competitions conducted by the University and city colleges.

The college has organised intra and intercollegiate festivals this year - 'Aazadi' on 15th August and the Dalmia Lions Utsav on 17th January 2014. We provide the youth a platform to showcase their talent and creativity.

I am extremely proud to say that Mr. Rajesh Maurya and his entire team are doing a commendable job in the field of sports. Our Cricket team won the Inter-Collegiate Tennis Cricket tournament organized by K.E.S. College. The Junior College boys U/19 reached the 2nd Round in the Badminton Tournament organized by the DSO. Similarly our Boys U/19 Table Tennis Team reached the Semi Finals. Our U/19 Chess, Foot ball and Badminton Team have done very well in competitions organized by the DSO.

Vikas A. Gupta of SYBMS won the Gold Medal in Javelin throw at the Inter-Collegiate Athletic meet, organised by the University of Mumbai. He also bagged the Fourth Place in Javelin throw at 'Ashwamedh' and 'Maharashtra State Inter University Sports Festival Krida Mahotsav 2013'.

Kishan Purohit, Akshay Phaphale and Girish Parmar represented the University of Mumbai and won the Gold Medal in Volleyball at 'Ashwamedh'.

Namita Satam of FYBCom won the Gold Medal in Welter weight category at the Inter-Collegiate Boxing Championship, organised by the University of Mumbai.

Devendra Oswal of TYBCom won the Bronze Medal in Light Welter weight category at the Inter-Collegiate Boxing Championship, organised by the University of Mumbai.

Our students Viraj Hadkar and Vivek Oza are selected in the University of Mumbai Cricket team for All India University tournament.

Our NSS team is doing a commendable job and benefitting the society around us. This year our NSS

Dr. N. N. Pandey
Principal

volunteers went for a residential camp to Vikramgad and engaged in a variety of social service activities at an Ashramshalla, and their work was very much appreciated. Ms. Heena Khatri, our NSS volunteer attended the State level Pre SRD Selection camp at Aurangabad.

The college invited people like Dr. R. J. Gujrathi, an eminent academician; Dr. Cecelia Carvalho, a renowned writer and other eminent people at our college. The Department of Commerce and Economics jointly organised a UGC Sponsored National Level Seminar on 'Environmental Sustainability – Social and Economic Dimensions' which was inaugurated by Dr. Naresh Chandra, the Pro-Vice Chancellor of the University of Mumbai. Around 40 delegates participated in the seminar.

This year the college went through the Re-accreditation cycle and had the NAAC team visit in the month of December.

The Career Guidance and Placement Cell organized a Graduate Employability test conducted by NIIT (Malad), for our students. The Cell organizes Campus recruitment drives for our students. Tata Consultancy Services selected 04 students and J.P. Morgan is coming to the campus on 30th January.

We won several prizes in the Inter-collegiate competitions organized by various colleges of Mumbai:

Our college won the Over All Best College Award at 'Indradhanush' organised by ML Dhanukar College.

Trophy for Best College at 'Manthan' organized by KES College, Kandivali (W.)

Overall Trophy at the Inter-Collegiate festival 'I Blithe' organized by J. M. Patel College.

'Best College Award' at 'Mauj', organized by Saraf College.

Our student, Sayyed Nazar Fatma of TYBCom, won the Certificate of Merit for the role of 'Nandini' in the play- Halaa Bol at the Drama competition organized by the Indian People's Theatre Association (IPTA).

Our students are doing us proud by winning laurels in all activities.

I am indeed proud to state that our teachers are in the fore front in the field of research. They have presented and published research papers this year both at national and international seminars and conferences.

Our teachers are invited as resource persons for seminars at various colleges in and out of Mumbai. We have teachers who have authored books on academic topics. This year, five of our teachers will be working on Minor Research Proposals that were approved by the University of Mumbai.

I take this opportunity to thank our management for their constant encouragement and support. With their active support and co-operation I am sure our college will scale new heights of success and glory.

I am thankful to the teaching and administrative staff that constantly helps me in the administration of the college.

Thank you.

Dr. N. N. Pandey
Principal

FACULTY'S ACADEMIC PURSUITS

Dr. N. N. Pandey, Principal

- ❖ Appointed as the Convenor of the Committee to visit and inspect Shahu Shikshan Sanstha Matoshri Velba Devji Haria College of Arts Science & Commerce, Shahad, in connection with their proposal for extension of affiliation for course / subject / additional division by the University of Mumbai on 10th March.

REPORT SECTION

2013-14

REPORT SECTION

Junior College Activities

"Innovative learning climate for students is composite of many things. It is an environment where children can experiment and try out ideas without fear or failure. It is an atmosphere that builds self-confidence so they take risks. It is an environment that fosters a love of learning."

— Carol B. Hillman

At Parivedrai Dalmia Lions College of Commerce and Economics we believe in offering a vibrant, innovative and rigorous education which develops a love of learning and ensures that they have the knowledge, skills and values to cope with a rapidly changing and sometimes turbulent world.

"Success occurs when opportunity and preparation meet." In the year 2013-2014 as a result of immense opportunities provided by the college and preparation and hard work of the students, the college once again excelled not only in academics but also in co-curricular and extra-curricular activities.

Fine Arts Association:

Just as a bird whose wings have emerged new, tries out & with practice gains confidence & then takes higher flights in the sky... the students were given a chance to experiment with their artistic talents through various activities organized by the association. The members of the Association - Ms. Rashmi Punmia, Ms. Deepali Karia, Ms. Shivani Narchal and Ms. Poonam Upadhyay inspired and developed the creative and hidden talents of the students and gave them an opportunity to showcase their creativity by organizing multiple activities throughout the year.

Cultural Association:

Cultural Association provides an array of opportunities to our students in developing and enhancing their skills. The association believes that talent is hidden in each and every person. The Association brings out and reveals that talent to the world. Participation in such activities prepares one for the practical world by developing key skills such as team work and leadership skills.

The Association under the able guidance of Mr. A. D. Patel, Ms. Rashmi Punmia, Ms. Poonam Biyani, Ms. Deepali Karia, Ms. Rita Guha, Mr. Shivpoojan Pandey, Ms. Kiran Mishra, Ms. Swati Dubey and Mr. A. K. Singh has played a crucial role and has achieved a remarkable feat of proper organization of all such activities during the year 2013-2014.

All Language Literary Association:

The Association aims to build the thought process of the students, to improve communication skills and to remove the stage and participation fear from the mind of the students. The Association gives a platform to our students to acquire and whet these skills that give them a decisive edge over others. Dr. Rashmi Kulkarni, Mr. Shivpoojan Pandey and Ms. Trupti Singh conducted various literary events like elocution, debate, essay writing and self composed poetry. These events encouraged the youngsters to voice their opinions.

Guidance Lectures:

It has been noticed that students have difficulty coping with the pressure of examinations. To cope with problems like this, and to help students to know the do's and don'ts that they should follow at the time of Board exams; guidance lectures were organized by Mr. Bharat Pandya and Mr. Anil Bagade. Renowned and highly experienced teachers from different colleges were invited for delivering the lectures.

The following lecturers were invited-

Mr. Krishna Shrivastava	Organisation of Commerce and Management
Mr. S. S. Shrivastava	Secretarial Practice
Mr. Sharma	Mathematics and Statistics
Ms. Mary Pillai	Economics
Mr. Vijay Satra	Book-Keeping & Accountancy
Ms. Trupti Singh	Marathi
Ms. Swati Pandya	Gujarati
Mr. Manoj Singh	Hindi
Mr. Ketan Soni	Information Technology
Mr. Narendra Pamnani	French

Following committees were formed for the smooth functioning of the Junior College:

Committee	Teacher in charge
1. Time -Table Committee	Mr. Bharat Pandya Ms. Kiran Mishra Mr. Anand Singh
2. Examination Committee	Ms. Rajkumar Vyas Ms. Rupalee Wani
3. Result Committee	Mr. Bharat Pandya Ms. Jayashree Aiyer Ms. Kiran Mishra
4. Prize Distribution Committee	Ms. Poonam Biyani Ms. Mini Abraham

5. Attendance Committee

Ms. Trupti Shah
Ms. Jayashree Aiyer (SYJC)
Mr. Anil Bagade (FYJC)

We believe that the achievements of any organization are the results of the combined efforts of each individual. We have achieved success through the dedicated efforts of our teaching and non-teaching staff of our college. Any kind of appreciation would not be able to express our thanks to the team members.

All this would not have been possible without the outstanding support of our honourable Principal Dr. N.N. Pandey. We express our heartfelt gratitude to him for his sustained guidance and support.

Many milestones have been achieved; many still have to be reached. We still continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education.

At the same time we wish to correct the shortcomings of the past and try to fare better in future. We look forward with a sense of hope towards greater growth and progress.

We conclude with the words of Robert Frost:

*'The woods are lovely dark and deep
But I have miles to go before I sleep.'*

Mr. Bharat Pandya
Vice Principal, Junior College

Chess: The Junior College Chess team (Boys and Girl) participated in the U/19 Chess Tournament organised by D.S.O. (Suburb) of Mumbai at MLDC Vile Parle (E) on 21 August.

Carrom: The Junior College Carrom team (Boy) participated in the U/19 Carrom Tournament organized by D.S.O. (Suburb) of Mumbai, at Mulund College, Mulund (W) held on 31st December.

Kabaddi: The Junior College Kabaddi team (Boy) participated in U/19 Kabaddi Tournament organized by S. O. (Suburb), of Mumbai and the college reached the 2nd round at the tournament held at Dahisar (East) on 1 October.

Boxing: The Junior College Boxing team (Boy) participated in U/19 Boxing Tournament organized by D.S.O. (Suburb), of Mumbai at the Sports Authority of India Akurli Road Kandivali (E) on 6th October.

We are proud of our Boxers that won laurels for the college at various levels: Shaikh Shahnawaaz of SYJC won the Gold Medal in Boxing at the J.C.S.A. level and the Bronze at the District (DSO) level. Pravin Mishra of SYJC won for the college two Silver Medals in Boxing, one at the District (DSO) level and the other at the J.C.S.A. level. He also won the Silver Medal for Wushu at the District (DSO) level. Kish Singh of SYJC bagged the Bronze Medal at the State level in Boxing. Ganesh Chaurasiya of FYJC bagged two Silver Medals – one at the District (DSO) and the other at the J.C.S.A. level in Boxing. Memon Rehan of FYJC won the Silver Medal in Boxing at the District (DSO) level.

Yadav JayPrakash and Nag Adarsh of SYJC participated in Handball tournaments at the National level.

Senior College

Football: The football team participated at the Intercollegiate football tournament organized by the University of Mumbai. The College reached the 5th round at the tournament held on MSSA Ground, Marine Lines from 27th August to 5th September.

Volleyball: The college volleyball team (Boys) secured the runner up position at the inter-collegiate volleyball tournament organized by Bombay Y.M.C.A. at the Jhosla Madan, Madanpura, on 28th January. The team also participated in the Intercollegiate Volleyball Tournament organised by the University of Mumbai and reached the Quarter Finals at the tournament held at Sathaye College, Parel (E) on 12th November. The team reached the Quarter Finals at the intercollegiate volleyball tournament organized by K.E.S. College Kandivali (W) held on 6th December.

Chess: The Chess team (Boys) participated in the intercollegiate Chess Tournament organised by the University of Mumbai at Patuck Gala College Santacruz (E), Mumbai on 5th August.

Handball: The Handball team (Boys) participated in the intercollegiate tournament organized by the University of Mumbai at Anna Bhai Sathey Ground Bhagat Singh Nagar, Sion (W) on 16th November.

Athletics: The Athletics team (Boys) participated in the intercollegiate tournament organized by the University of Mumbai at the Somaiya Vidya Vihar Sports Center on 16th November.

Boxing: The Boxing team (Boys and Women) participated in the intercollegiate tournament organized by the University of Mumbai at D.T.S.S. College Malad (E) from 24th to 29th November.

Cricket: The Cricket team (Boys) participated in the intercollegiate Cricket Tournament organized by K.E.S. College and secured the Rolling Champion Trophy on 6th December. The team participated in the Intercollegiate Cricket Tournament organized by the University of Mumbai and reached the Semifinals at the tournament held at Azad Maidan Churchgate, from 22nd December to 28th January.

The 'Box Cricket' Team participated in the Intercollegiate Cricket Tournament organized by Reena Mehta Junior College and bagged the First Place at the tournament held at Sion Road, Bhayander (W) on 9th January. The team also secured the First Place at the Intercollegiate Cricket Tournament organized by K.G. Mittal College on 31st January.

Our students have made us proud at various levels: Gupta Anand of SYBMS won the Gold Medal for the college at the University level in Javelin Throw. Namita Satam of

FYBMS bagged the Gold Medal at the University level in Boxing while Aswal Devendra of TYBCom won the Bronze Medal at the University level in Boxing. Chaitanya Mehra, Shiv Shah, Sen Gaurav, Gupta Rajan and Pal Anil Kumar all won Gold Medals in Novice Boxing. Pal Anil Kumar won the Bronze Medal at the U/19 State Championship Boxing competition.

We thank the management, the principal and the administrative staff for the support they provide the sports department throughout the year.

Mr. Rajesh Maurya
Sports Director

Cultural Association

If art is to nourish the roots of our culture, society must set the artist free to follow his vision wherever it takes him.
- John F. Kennedy

The Cultural Association comprises of the Student Leaders, Assistant Leader and Teacher In-charge. Mr. Gautam Rathod was appointed as the Cultural Secretary, Mr. Kamaldeep Saran as the Joint Cultural Secretary, Mr. Uddhav Naik as Assistant Cultural Secretary and 54 Contingent Leaders.

This year our college participated in 23 Intercollegiate and National Competition and I am proud to present the following statistics regarding the prizes we won:

Particulars	Prizes
Individual - 1st prizes	53
Individual - 2nd prizes	31
Individual - 3rd prizes	26
Group - 1st prizes	17
Group - 2nd prizes	10
Group - 3rd prizes	7
KES College (Chakrawayuha)	Overall trophy
KES College (Sapphire)	Overall trophy
Ghanshyamdas Saraf College (Mauji)	Overall trophy
J. M. Patel College (i-blithe)	Overall trophy
P. D. Lions College (Dalmia Lions Utsav)	Overall trophy

At the intercollegiate drama Competition organised by Indian People Theatre Association - IPTA, our college students performed a One act play - *Halla Bol*. Our student actor - Nazar Fatma Sayyad won the Certificate of Merit at this prestigious competition.

Miss Aishwarya Nayak bagged the second runner up prize at the *Maharashtra Utsav* - a state level cultural competition.

With the efforts of the college, Management, Principal and talented students the Cultural Association was able to achieve greater heights.

Dalmia Lions Utsav 2013-14

The Dalmia Lions Utsav 2013-14 an Intercollegiate Cultural Festival was organized by our college in the college campus on 17th January. The Utsav was inaugurated by Ms. Sagrika Chettri, V.J. M.T.V. and a very famous model, and Mr. Murli Sharma a well known Bollywood Actor. Mr. Sameer Desai, Ex. Corporator, BMC, was the Guest of Honour. The Inauguration Ceremony was graced by Trustee Lion Kamal Ruia, Lion Sharad Ruia, Chairman of Governing Council, Lion Kanahaiyalal G. Saraf, Hon. Secretary of Governing Council and Lion Vikas Saraf, Jt. Secretary of Governing Council. There were 27 Events covering Literary Arts, Fine Arts, Performing Arts and Special Events. 1247 students from 47 colleges from Mumbai participated in this festival. Every year the number of colleges and students participating from different colleges throughout Mumbai is increasing considerably, it speaks about the sincerity and dedication with which the whole festival is organised.

This year the prestigious Dalmia Lions Utsav Trophy 2013-14, was won by Prahladrai Dalmia Lions College of Commerce & Economics. The Runner Up college was Durgadevi Saraf College. As per the tradition of our institution, being the host college, the winners handed the Dalmia Lions Utsav Rotating Trophy to the 1st Runner Up namely Durgadevi Saraf College.

I thank our Management members, our Principal Dr. N. N. Pandey, President of Dalmia Lions Utsav, for their support and guidance. I would also like to thank Jt. Co-ordinators Prof. Subhashini Naikar, Dr. Sunita Tidke, Prof. Rita Guha and Prof. Deepali Karia for their valuable contribution. I also thank our administrative staff for their timely support. Last but not the least I thank our students, advisors, General Secretary of Student Council, Chairperson and Joint Chairpersons of Utsav committee and volunteers for working tirelessly to make this festival a grand success.

Mr. Rajesh Ruke
Co-ordinator

Department of Life Long Learning and Extension (DLLE)

The Department of Life Long Learning & Extension (DLLE) formerly known as the Department of Adult & Continuing Education & Extension (DACEE) has been recognized as a Statutory Department of the University of Mumbai since 1994. It aims to promote a sustained rapport between the University and the community. The Extension dimension of the Department facilitates the sensitization of the students to the socio-cultural realities. The department offers extension work projects encompassing social issues to the students.

The Department of Life Long Learning & Extension (DLLE) of our college started the enrollment of students from the month of June and it enrolled a total of 328 students for the academic year 2013-14.

The Department is spearheaded by Ms. Shami Nimgulkar-Kamble (Economics Department) and three most enthusiastic teachers: Mr. Mahendra Pachadkar (Commerce Department), Mr. Nishit Dave (Accountancy Department) and Mr. Sandeep Gupta (Mathematics and Statistics Department). To ensure efficiency in the execution of the extension work and to assist the teachers in the work involved, the extension activity of the Student Managers was felt pivotal. The pillars of the department (Student Managers) were: Ms. Devika Bhandari, Mr. Suresh Kannojiya, Mr. Devang Kothari, Mr. Vishal Chouhan, Mr. Mohit Chauhan, Mr. Praful Jain, Mr. Navratna Lohia, Mr. Nitin Goyal Ms. Renu Gupta and Ms. Diana H. The Department was inaugurated at the hands of Dr. Sujata Dhopte, Assistant Professor, M.K.Sanghvi College and our field co-ordinator and Principal Dr. N.N. Pandey.

The Department this year enrolled students under two different extension work projects:

Survey of Women's Status (SWS): The purpose of this project is to sensitise the students about the problems faced by women and to generate a sense of realization among students to be a contributory factor towards their empowerment. Our students conducted a survey of women in the age group of 15-35 years. They interviewed 25 to 50 women each in the areas chosen under the project.

National Institute of Open Schooling (NIOS): The purpose of the project is to create awareness about the concept of Open Schooling among the public at large. We conducted college level activity in the month of October for an entire week. Students from TYBCom, TYBMS and MCom Part I prepared power point presentations and

posters on various aspects of NIOS such as Need for NIOS, NIOS models in India, eligibility criteria for NIOS, admission procedure under NIOS, study material for NIOS, regional centres for NIOS and so on. There were 24 groups of 10 students each who presented these topics through power point presentations. 27 posters were made by these group members on NIOS. The Department always recognizes the hard work that students put in. It is because of their consistent support and perseverance, that our unit has gained glory at the University level. The Department felicitated students by announcing 3 categories of prizes – Best PPTS, Best Posters and Best Speakers.

As far as Community level activities are concerned, we took our extension students to Malad Municipal School, New Era, Malad (W). Our extension students delivered lectures on various aspects of NIOS for 30 minutes to school children from Std V to Std X. Some of our students also conducted as survey of slums / chawls and identified the school dropouts. They created awareness about NIOS among them.

These projects thus provide a forum for exchange of ideas, innovations, amassing knowledge and provides a chance to increase the representative voice of those traditionally under-served and ignored in society.

The Extension work teachers attended the First Term Training Programme at Thakur College on 4th September 2013 and the Second Term Training Programme at Vidyarthi Vidyapeeth Bhavan, Churchgate on 5th December 2013.

Our Field Coordinator Dr. Sujata Dhopte addressed and guided our extension students in both the terms. Her valuable guidance helped the students in completing their project work. As a part of the project work, students have also written essays of about 1500 words each on an array of social issues.

We are proud to state that our college won the First prize at inter-collegiate skit competition-UDAAN – 'A Flight to Extension' organized by the Department of Lifelong Learning & Extension (DLLE), University of Mumbai on 21st January 2014 at Ghanshyamdas Saraf College, Malad. Our skit titled: *Stree Purush Samanta*, performed at the UDAAN festival conveyed a strong social message of gender sensitization. Our Drama Director- Mr. Rahul Balakundri was the driving force in polishing the acting skills of our budding extension actors. Our extension work actors – Mr. Suresh Kannojiya, Ms. Renu Gupta, Ms. Diana H. Mr. Rajeev Maroo, Mr. Suryabhushan Mishra, Mr. Harikalsingh Chopra, Mr. Navratna Lohia, Mr. Vishal

Chouhan, Ms. Devika Bhandari, Ms. Isheetz Joshi, Ms. Ashita Koradiya, Ms. Yamini Maheshwari, Ms. Amruta Mulye, Ms. Ekta Prajapati, Ms. Nikita Joshi received words of appreciation from both the audience as well as the judges. The college felicitated their efforts and dedicated perseverance by awarding them a cash prize on the occasion of Annual Prize Distribution Ceremony which was conducted on 15th February.

A camp on 'Monitoring and Evaluation' of Extension work projects was organized by the Department of Life Long Learning & Extension, University of Mumbai at Vidya Vikas College, Malad (W), Mumbai on 7th March.

The Department is grateful for all the help and support provided by the Management, Principal Dr. N. N. Pandey, teaching and the non-teaching staff.

Ms. Shami Nimgulkar-Kamble
Chairperson

Fine Arts Association

Amongst the multifarious activities that happen at Prahladrai Dalmia Lions College of Commerce and Economics, the Fine Arts Association has its own distinction. This year amongst the many activities that showcased the artistic flair of our students, the *Puja Thali Decoration* and *Toran Making Competition* stood out from the rest.

On 7th August *Pot decoration, Puja Thali Decoration, Jewellery making* and *Toran making competition* was organized on the Themes: Love Live & Live Life, Go Green and Incredible India. Around 30 students participated.

On 8th August *Poster making, Banner making, Logo making* and *Glass Painting competition* was organized. Around 30 students participated.

On 15th August *Glass Bowl decoration* and *Flower Arrangement competition* was organized. Around 25 students participated.

On 4th January and 11th January *Cooking, Face painting* and *Tattoo making competition* was organized. Around 20 students participated.

Internal Quality Assurance Cell

Internal Quality Assurance Cell of our college organised a talk by our alumnus Mr. Jayesh Boradia on 'Data Recovery' on Tuesday, 21st January at 2 pm in FT2. A 'Data Specialist' is one who recovers data from pen drive, Hard Disk, NAS BOX, Memory Card, Mobile phone. Data investigation, data recovery, data insurance, password recovery and data forensic are also his areas of expertise.

He spoke on issues such as how to prevent data loss, in what circumstances the data will not be recoverable, mobile security, managing large volume of data and backup. He also elaborated on data backup and life of data on the mediums used.

The talk was interactive and members expected his consultation even beyond the talk. He visited the library and computer lab and suggested safeguarding servers and computers.

On 16th April Dr. Debjit Sarkar, Principal of J. M. Patel College was invited to give an interactive session on C.A.S. for our teaching staff of senior college.

Ms. Swati Mandavawalla
IQAC Coordinator

The Marathi Vangmay Mandal

The *Marathi Vangmay Mandal* is a literary organisation of our college. It aims to develop the literary skills among students by motivating them to participate in various competitions.

This year the *Marathi Vangmay Mandal* was inaugurated on 30th August by Principal, Dr. Cecelia Carvalho, a renowned writer of short stories and screen plays in Marathi. She has been honoured with numerous prestigious awards.

The *Marathi Vangmay Mandal* celebrated 'Marathi Food Festival' on 5th September wherein 36 members of the *Vangmay Mandal* visited the library in the campus of Keshav Shrushti at Bhayander. In this library, books of prominent personalities ranging from an eclectic mix of politicians, educationists, researchers, social workers, film artists, journalists, writers, authors and foreigners are available. It was a refreshing experience to the students that visited the campus.

This year the *Mandal* celebrated *Marathi Bhasha Divas* on 26th February. The *Vangmay Mandal* conducted competitions in storytelling, story writing and Book review,

wherein the students participated with a lot of enthusiasm. The final function was held on 28th February and prizes to the prize winners were given at the hands of Lion Kanahaiyalal G. Saraf, Hon. Secretary of Governing Council.

I sincerely thank our Principal Dr. N. N. Pandey for his constant guidance and support. I thank all the student coordinators and participants of the *Marathi Vangmay Mandal* for their active participation.

Dr. Sunita Tidke
Chairperson

Vedanta - The College Library

The year 2013-14 proved to be a milestone in the history of the college Library. The Library was completely renovated.

The main attraction of new Library: Vedanta, is the Open Access System. In this new system students and staff can directly go through the shelves and select books. New furniture is added to the library. Seven computers are added in the library. Students can avail Internet facility free of cost. Research Cell/Teacher Room is also constructed in the library.

The Library collection was expanded with the addition of 3220 books bringing the total library collection to 38,000. The library subscribes to 16 Newspapers and 44 periodicals. The library also subscribes to the National Library and Information Services Infrastructure for Scholarly Content (N-LIST) funded by the Ministry of Human Resource Developments. Through this scheme our college can access more than 3000 electronic Journals and 90,000 electronic books. The students and teaching faculty also have remote login facility to access and download articles.

The college Library also provides Book Bank facility for the economically weak students. This year 87 students benefitted from the Book-Bank scheme.

A Book Exhibition was organized by the Library on 4th and 5th February. Five publishers / booksellers participated in the book exhibition. The book exhibition was inaugurated by Lion Sharad Ruia, Chairman of Governing Council. All students and staff got an opportunity to browse and select books.

In order to promote reading habits amongst students an award is given to the Best User of the Library annually. This year the 1st prize was won by Kashwaha Veerbhadur of FYBCom; the 2nd prize was won by Yadav Deepak of FYBCom and the 3rd prize was given to Mishra Shubham of FYBCom.

Workshop on Disaster Preparedness

On 3rd and 4th September a district level two day workshop on 'Disaster Preparedness' was organised jointly by the NSS unit of our college and the Disaster Management Unit of the Municipal Corporation of Greater Mumbai (MCGM). Lion Kanahaiyalal G. Saraf, Hon. Secretary of the Governing Council was the Chief Guest. The resource persons for the workshop were Mr. Rajendra Lokhande, Shift In-Charge, Disaster Management Unit, MCGM; Dr. Deepak Dalvi, practicing doctor and team member of the Disaster Management Unit and Mr. Wadekar from Brihanmumbai Electric Supply and Transport (BEST).

Mr. Rajendra Lokhande explained the concept of 'disaster', its and don'ts of natural and manmade disasters, plan for Mumbai by the Disaster Management unit through power point presentation. His session was an interactive one.

Dr. Deepak Dalvi, practicing doctor and team member of the Disaster Management unit explained the principles of First Aid, its contents, type of injuries, signs, symptoms, and treatment. He gave a demonstration of Cardiopulmonary Resuscitation (CPR).

Mr. Lokhande conducted a Quiz and created interest in students. He explained the concept of Fire Fighting – the principles of combustion, methods of extinguishers and explained the use of fire extinguishers by a demonstration.

Mr. Wadekar from BEST, elaborated on the stages of search and rescue, stretcher drill, stretcher improvisation, emergency methods, methods of lifting and carrying the injured, bandages and improvisation of bandages. Almost all the participants took active part in this session.

Mr. Lokhande conducted another session on different types of Knots of Rope and its use at various stages. He provided the students with practical knowledge wherein he made each participant tie the knots that he had taught. In all, topics such as basics of disaster, natural and

manmade disasters, plan for Mumbai by the Disaster Management unit, First Aid-type of injuries, signs, symptoms, and treatment, a demonstration on Cardiopulmonary Resuscitation (CPR), Fire Fighting – principles of combustion, methods of extinguishers and using them was dealt with at the two day workshop.

The workshop was attended by 50 NSS volunteers and 7 staff members including teaching as well as non teaching staff. 21 volunteers were from 8 colleges located between Goregaon and Dahisar also attended the workshop. The two day workshop ended with a Valedictory Session. Certificates of participation were distributed at the hands of Prin. Dr. N. N. Pandey, Vice Principal Prof. S.V. Chandratre and resource person Mr. Lokhande.

Dr. Swati Desai
NSS, Programme Officer

National Service Scheme (NSS)

The activities for the year began from 14th March, 2013. Our NSS volunteer, Gautam Rathod, was selected and participated in the Youth Exchange and Home Stay Program at Madurai, Chennai. This was followed by the selection of another NSS volunteer - Shubham Marda - for the Avhan State Level Camp to be held at Nanded in June. He participated in Avhan State Level Camp from 4th to 14th June at Nanded.

On 5th June 2013, Prof. Rajesh Bombe with 5 volunteers participated in the Mega Tree Plantation event at Kalina University.

On 9th July, Dr. Swati Desai gave power point presentation on Diary Filling at the district level mini-orientation program for Program Officers organised by Vidya Vikas College, Malad. Prof. Rajesh Bombe, Dr. Sunita Tidke, Prof. Sachin Bansode attended the program.

On 18th July Dr. Swati Desai, Prof. Rajesh Bombe, Prof. Sachin Bansode and 73 NSS volunteers participated in the celebration of the Foundation Day of Mumbai University. The function was held on the occasion of the opening ceremony of Confucius Institute, University of Mumbai at the Sports Complex, University of Mumbai, Kalina Campus.

On 3rd August an orientation program cum inauguration of the NSS activities was organised in the college campus. Anubhav, an NGO, conducted activities. On 7th August, 15 NSS volunteers participated in 'Group Bonding' activity.

Prahladrai Dalmia Lions College of Commerce & Economics

organised by Anubhav. Volunteers from various colleges celebrated Friendship Day.

On 15th August, the 67th Independence Day was celebrated by all NSS volunteers in the college. After the flag hoisting ceremony, volunteers organised a rally to collect unused and damaged flags from the college campus and the neighbouring area.

On 23rd August 15 NSS volunteers attended a seminar on 'Group Bonding' organised by Anubhav, the NGO from Goregaon.

On 31st August 10 NSS volunteers participated and won the Treasure Hunt Competition organised at Dahanukar College.

On 3rd and 4th September, the college NSS Unit organised a district level two day workshop on 'Disaster Preparedness'. The workshop was organised jointly by the college NSS unit (B 26) and Disaster Management Unit of Mumbai Corporation of Greater Mumbai. Students from 8 different colleges between Goregaon and Dahisar - 21 volunteers, 50 from the host college and 7 staff members including teaching as well as non-teaching staff, participated in the workshop.

From 4th to 8th September, 4 NSS volunteers participated in the Leadership Training Camp organised by Thakur College at Shri Gagangiri Maharaj Ashram, Manori. Dr. Swati Desai and Prof. Rajesh Bombe visited the camp. Dr. Swati Desai guided the campers about filling and maintaining of the NSS diaries.

On 14th September, Ms. Heena Khatri and Ms. Sandhya Mourya participated in the district level selection for the Pre SRD at Thakur College, Kandivli. Ms. Heena Khatri was selected and Ms. Sandhya was on the waiting list.

Finally Miss Heena Khatri was selected for the State Republic Day (SRD) Parade at the State level. She attended the State Level Camp at Kirti College from 18th to 25th January. On 26th January, 2014 on Marine Drive, Miss Heena Khatri was one of the participants at the State Republic Day Parade. Our three NSS volunteers, Ms Tejal Mohite, Ms. Rashmi Poojary, Ms. Apurva Shitkar were selected to perform in the Cultural floats at the SRD Parade. The College and NSS Unit are proud of these volunteers. These volunteers were awarded the Principal's Special Prizes at the college prize distribution function.

On 21st and 22nd September, 25 volunteers attended the Paper Bag Making Project organised by DTSS College. The activity was a district level activity. On the first day training was given and on the next day 570 paper bags were made.

On 26th and 27th September, 5 NSS Volunteers attended the RRC Training Program at Patkar College. Accordingly, on 30th September, the RRC registration campaign was organised in the college campus and 28 volunteers participated in the event, registered members were given a red ribbon as symbol.

On 2nd October Dr. Swati Desai, Prof. Rajesh Bombe and 25 volunteers participated in *Bhajan Sandhya* organised by the University of Mumbai at the Gateway of India.

On 6th October a camp that provided a free eye check-up and detection of cataract was organised. On the same occasion an *Anajdan* camp was also held at the college campus between 8.30 am and 1.00 pm. The project was organised by the Lions Club of Malad / Borivli. NSS volunteers, Program officers - Dr. Swati Desai, Dr. Rajesh Bombe, Dr. Sunita Tidke and non-teaching staff assisted them in conducting the camp smoothly. Necessary food items along with oil packets approximately weighing 12-13 kg were distributed. The beneficiaries of the camp were 350. 250 persons registered at the eye check-up camp and 10 patients were detected with cataract. These patients were issued letters which would enable them to get the cataract operation performed free of cost. Spectacles were distributed to the 220 beneficiaries.

On 17th October a project of Distribution of Notebooks, clothes, sweets to Adivasis was held. The project was at our adopted village-Tandulwadi. Volunteers also conducted a survey in the area to spread awareness about HIV/AIDS, Malaria, Dengue, Cleanliness, Financial Inclusion etc.

On 19th October, Volunteers attended *Mission Mrutunjay* Mission Program organised by Malad Police Station.

On 27th October at the *Ashramshala* at Vikramgad, on behalf of NSS unit, notebooks, clothes and sweets were distributed. The beneficiaries at this project were 461 in number. 70 volunteers participated in the project.

On 3rd December 45 volunteers participated in a rally on the occasion of World Disabled Day organised at Goregaon.

On 21st December, the Health Check-up Camp and Free distribution of Vitamin tablets drive was organised at the *Madhyamik Ashramshala*, Vikramgad. The number of beneficiaries were 315 and 24 volunteers along with Prof. Rajesh Bombe participated.

On 28th December an RRC Rally was organised by the NSS unit to spread awareness about HIV/AIDS in the college vicinity wherein 28 volunteers participated.

On 2nd January a Poster making and Essay writing competition was organised for the college students. The topics were related to social issues. 45 students participated and 20 volunteers conducted the activity.

From 6th to 12th January a seven day residential camp was conducted at Vikramgad *Ashramshala*. 68 volunteers with 2 Program Officers – Dr. Swati Desai and Prof. Rajesh Bombe – participated in the camp.

The activities conducted were - Construction of Nullah, Tree Plantation, Health Check-up camp, Cleanliness drive and Awareness of *Andhashraddha Nirmulan*. They also assisted in the 'Distribution of Blankets, Notebooks, Educational kits' program organised by Lions Club of Malad - Borivli to *Ashramshala* pupils. In all, 530 blankets, 2000 notebooks and 500 educational kits were distributed. The number of beneficiaries of Health Check-up Camp was 315. 10 saplings were also planted in the school campus.

On 5th February Demonstration by IVBI was held. It was a part of the Voters Registration Drive. The Voters Registration activity was conducted on a continuous basis from August 2013. A survey was conducted between 19th August to 15th September 2013 in EP-1 to 16 to create an awareness regarding the registration. NSS volunteers assisted Mr. Vagal to complete the registration process. The process was conducted in college campus from 16th September to 27th October. 750 voters registered from the college campus, while approximately 1000 took forms and submitted in the Election office directly. 200 forms are under process.

On 6th February a Blood Donation/Thalessemia Testing/HBS Testing Drive was organised by the college NSS unit jointly with the Lions Club of Malad-Borivli. The Blood Bank belonged to J.J. Hospital Mumbai, SBTC. The Drive was inaugurated by Lion Shri Singhania by lighting the lamp. Lion K. G. Saraf, Hon. Secretary of Governing Council, Lion Vikas K. Saraf, Joint Secretary of Governing

Council, Lion Shri Tibrewal, President of Lions Club of Malad-Borivli, Lion Shri Kamal Ruia, Trustee, Lion Shri Atit Ruia and other Lions Club members, Principal Dr. N. N. Pandey, Vice Principal Prof. S.V. Chandratre, NSS Program Officers Dr. Swati Desai, Prof. Rajesh Bombe, Dr. Sunita Tidke, Prof. Sachin Bansode were present for the inauguration. Lion Shri Vikas Saraf kicked off the Blood Donation Drive by being the 1st donor of the day. Prof. Shami Nimgulkar-Kamble, also participated in Blood Donation. The staff members – Prof. S. A. Mandavawalla, Prof. S. N. Hatekar, Prof. Shami Kambale, Prof. Kiran Mane, Prof. Shiva Padme, Prof. Rajesh Ruke, Prof. Sneha Sahu remained present. This encouraged the blood donors and the NSS volunteers. Ex-NSS volunteers, members of the Dalmia Campus Club and other students made the event successful. The total number of blood units collected were: 150; patients tested for thalassaemia were: 250 and HBS testing were: 286.

On 19th February Prof. Sachin Bansode and 18 NSS volunteers actively participated in the Youth Parliament organised by St. Xaviers College.

On 21st February a Street Play on Cleanliness was performed at Goregaon Street Play competition. On the same day Dr. Swati Desai attended the ceremony of launching a National Youth Policy organised by K. J. Somaiyya College. From 12th February onwards Dr. Swati Desai attended the session of Scrutiny of 10 marks at Thakur College in the capacity of Area Co-ordinator.

Other than the above activities our volunteers took part in projects organised by *Yuvak Biradari*. The number of volunteers registered were 10. On 1st July the Group Leaders Meeting at the Yuvak Biradari's Office took place. A Tree Plantation Abhiyann called –*Ek Sur Ek Taal Abhiyaan* was also held the same day. A session by Mr. Swar Kranti Shah followed by group discussion on pertinent issues were held prior to the tree plantation at the New-Zealand hostel in Aarey colony, Goregaon.

On the occasion of the *August Kranti Din a Prabhat Pheri*, a Peace Rally was organised wherein 15 volunteers participated. Around 20 colleges participated in this rally. The rally started from Mani Bhavan and ended at August Kranti Maidan, Grant Road. At Mani Bhavan volunteers visited an exhibition based on Gandhiji's life and values. Gandhiji's struggle was narrated through tiny models kept on display.

From 20th to 24th August, a *Sadbhavna Abhiyaan* a

Cultural presentation called as an event called '*Ek Sur Ek Taal*'. The 'Share and Care volunteers' from all the colleges of Mumbai were present. Ms. Rekha taught the students action songs based on save environment – *Vasundhara Bachao*.

Mumbai Bhushan – Housing Society Competition: From 1st to 21st our volunteers participated in the *Mumbai Bhushan – Housing Society* Competition wherein the volunteers visited a number of Housing Societies and rated them on a 1 to 10 scale that contained criteria with regards to water management, energy saving etc. Based on these ratings the Yuvak Biradari selected the best society and a certificate of appreciation was thereby given to the concerned society. Our volunteers visited 43 societies as part of this project.

Youth Parliament: From 21st to 24th October selected NSS volunteers participated in a Mock Parliament wherein participants were given a hands-on-experience with the way in which our Parliament functions. Ms. Tejal Mohite (Asst. Leader) participated in this event. All the participants practiced for the event at the *Yuvak Biradari* office (Churchgate).

Udaan Leadership Training Camp: From 21st September to 24th October NSS volunteers attended the Udaan Leadership Training Camp.

Residential camp : From 25th to 27th October 4 volunteers of our College were selected at the 3 day residential camp at Mahavir Nagar, Chincholi (Dist. Thane). The volunteers selected were: Rashmi Poojary, Tejal Mohite, Apurva Shitkar, and Omkar Tari.

The following sessions on various themes by well known personalities were held:

- i. Creativity and leadership by Ms. Swar Kranti.
- ii. Theatre sessions by Mr. Sunil Walavalkar. He taught about the acting skills about the Nav Rasas and conducted fun games based on acting.
- iii. Mr. Kranti Shah discussed upon voluntary movement and Management of *Jal, Urja, Vayu, Bachao, Sankalp Gaan/Bharat Nirman, Swatchchata Abhiyaan*.
- iv. Mr. Padmakar Nandekar had taken a sessions on Nuclear energy and Disaster Management.
- v. *Ek Sur Ek Taal* by Balbir Singhji.
- vi. Demonstration on Youth Parliament

Mr. Anis Choudhery and Prof. Shirke were the special invitees.

On 2nd October discussions with the *Insaani Biradari* Team was held wherein the Guest was Mr. Mohan Mhatre, Editor of *Prahar*.

Dance Workshop: A Training Program from 9th to 17th November was conducted by the *Yuvak Biradari* for the NSS volunteers. The *Yuvak Biradari* has their own professional dance group who perform ballet dance form, and the dance titled *Sadi Ki Pukaar*. (*Jal, Urja, Vayu, Kanya Bachao*). The Share and Care volunteers were given an opportunity to perform with the professionals of this dance group. At the audition they selected 2 girls. Ms. Rashmi Poojary was selected to perform with these professionals. For the upcoming cultural presentation Rashmi, Tejal, and Apurva were also selected.

At P. L. Deshpandey Auditorium, *Sadi Ki Pukaar* (ballet). Youth Parliament were performed. Dr. Swati Desai attended the event on 19th November.

Books and Stationary Donation Drive: Volunteers collected many books - comics books, Novels, General Knowledge books etc. - from the students on 3rd, 4th and 5th December and submitted it to the *Yuvak Biradari's* coordinator who in turn donated those to a Foundation. A total of 43 books were collected.

In the *Sneha Milan* on 14th January a Udaan workshop was conducted that included the performance of *Sadi Ki Pukaar* in which the selected volunteers performed with the professional group of *Yuvak Biradari*, from our college. Rashmi, Tejal and Apurva performed a ballet on social issues and the participants of the Youth Parliament presented their act. Dr. Swati Desai attended the event.

All colleges enrolled in Share and Care -2013-2014 took part in a street play competition based on *Vasundhara Bachao* and *Kanya Bachao* in which around 10 to 12 college participated on 30th January. In all the NSS volunteer worked for 65 hours through *Yuvak Biradari* projects.

Apart from all above the NSS volunteers participated in the welcome event of NAAC Peer Team members during NAAC Visit on 12th, 13th and 14th December. They also helped in maintaining discipline during Dalmia Utsav and Annual Day.

Our Achievements:

- ❖ Heena Khatri was selected for the State Republic Day (SRD) parade at Marine drive.
- ❖ Rashmi Poojary, Tejal Mohite and, Apurva Shitkar were selected to perform at the Marine Drive on 26th January SRD Parade. They presented a float of the Minority Department and performed a Qawali on social issues.
- ❖ Gautam Rathod, Ex-NSS volunteer participated in exchange and Home Stay camp at Madurai/Chennai.

Azaadi

Commemorating the Independence Day the college celebrated - Azaadi on 15th August. The national flag was hoisted by Lion Anil Tibrewal, President of Lions Club of Malad- Borivli. This honour was also shared by Ms. Reshma Patil, an outstanding student of the year 2012-2013.

Our students presented skits on the theme of Patriotism which were scripted and directed by them. In his quest to encourage people to grow more trees the President of Lions Club of Malad- Borivli, Lion Anil Tibrewal planted a tree in the college campus. An exhibition showcasing the talents of our students was inaugurated by the President and prizes were given to students for the best creations.

The NSS Volunteers took part in the Independence Day Celebration and organized a Rally that engaged in collection of torn flags from the neighbourhood areas, from Sundernagar to Saraf College and Chincholi road to Prahladrai Dalmia Lions College of Commerce & Economics. The Fine Arts Association (Degree College) organized Bowl Decoration and Flower Arrangement competitions.

Ms. Madhavi Nighoskar
Chairperson

Department of Accountancy

The Department of Accountancy organized Guidance Lectures for students of TYCom Semester VI in the subject of Accounts I, II, III and Tax by Prof. Hitesh Sutar from Ismail Yusuf College, Mumbai on 17th February. On 18th February Prof. D. M. Kadhi conducted a special guidance lecture for the students of TYBCom in the subject of Indirect Tax, MVAT and Service Tax. On 20th February Prof. B. K. Patel conducted a special guidance lecture for the TYBCom students in the subject of Accounts I.

CA. Deepak Kadhi
Head of Department

Professional Courses – BMS, BAF, BBI, BFM, BMM, BSc(IT) & MCom

We are indeed very glad to assert that this year the college started one more professional course – Bachelor of Science (Information Technology) B.Sc.(I.T.). This Course, Bachelor of Science in Information Technology, is designed and introduced by the University of Mumbai. The Course involves a lot of practical knowledge and an aptitude for technology. The Course takes the students beyond computer skills to e-commerce and internet security. The Course produces employable graduates in Information Technology which gives strategic advantage to the future Indian Manager.

We take pride in reporting that our students performed consistently well in the University Examinations. In addition to this, students participated in various intercollegiate Cultural events & sports and won several prizes for our college.

Industrial Visit

Industrial Visits provide an insight on how companies work and also useful information related to the practical aspects of the course which cannot be visualized in lectures. The primary goal of these visits is to help students gain practical knowledge over and above the theoretical concepts.

The first industrial visit was organized from 26th to 30th September to Goa. A total of 229 students from all the professional courses of first and second Year went for this Industrial visit. The Companies they visited were – Power Engineering (India) Pvt. Ltd. and Coca Cola.

The second industrial visit was organized from 28th February to 5th March to Goa. A total of 80 students from TYBMS went for this study tour. The company they visited was – NEBULA. Exposure was given to students on aspects related to manufacturing, packaging and logistics.

Workshops, Seminar & Guest Lectures

Experts from the industry are called and workshops, seminars and guest lectures are organized for the benefit of our students. On 22nd July a seminar was conducted by the Institute of Management Entrance (IME) on Management competitive entrance exams- CMAT/CAT. A total of 135 students from second and third Year from all professional courses attended the seminar.

A Guest Lecture by Mr. Harshal Shroff was conducted for FYBMM students on 3rd March on the topic: Nine Secrets of Photography.

On 25th and 26th January students from TYBMS, FYBMM, SYBMM attended a workshop on 'India Non Fiction Festival' held at the Nehru Planetarium. The workshop covered a range of topics such as Management, Leadership, Politics, Economics, Sociology, Health, Fitness, Media, Cinema, Food, Welfare, Personal Development, Motivational and Inspirational Genres. This workshop opened the doors to a plethora of issues and aspects and ushered our students into uncharted realms. It is through such seminars and workshops that we open new vistas of knowledge to our students.

On 10th August students from across all professional courses attended the seminar on 'Kiran - Life changing ideas' conducted by Nagindas Khandwala College. On 14th August our students from SYBBI attended the seminar on 'Money Laundering' conducted by Nagindas Khandwala College.

Events - COOK IT UP!!!

This event was organized on 26th July by the First Year students (FYBMS, FYBBI, FYBFM, FYBMM & FYBAF), which encouraged team building activities. The event also strengthened their accounting and marketing skills.

Movie Making

This event was conducted for both first year and second year BMM students wherein they had to make short movies on various social and political issues that are crippling the growth of India. Students came up with heart touching movies on Child labour, Anti ragging, Power cutting, etc.

Newspaper Making

This event was conducted for first year BMM students in which they were asked to prepare dummy newspapers by collecting and compiling news articles from different newspapers.

Book Reviews

It was a group event in which each group was required to read, prepare and present a review of a non-fiction book.

Power Point Presentation

This event was conducted for first year BMS students in which they had to make presentations on 'Principles of Management'.

Additional Events

Photography Event was conducted for all BMM students on the topic "Emotions Captured".

Innovations In Banking – Students from BBI were asked to prepare a report on the CRM techniques used in the private sector and nationalized banks.

Cricket Tournament (intra-collegiate)

An intra-collegiate Professional Courses Cricket tournament was organized on 26th March. A total of 12 teams from all professional courses participated. The venue was – VIBGYOR Ground, Goregaon (West). The following were the prize winners:

Winners:	Captain-Memon Huzaifa Sajid	SYBMS
1st Runner Up:	Captain – Jigar Desai	TYBMS
2nd Runner Up:	Captain - Sandesh Polekar	SYBAF
Man of the Series:	Memon Huzaifa Sajid	SYBMS
Best Batsman:	Vinay Bajaj	SYBAF
Best Bowler:	Mateen Khan	TYBMS

Placement & Recruitment: 24 Students were shortlisted for summer internship by Bajaj Finance LTD as relationship officers. Their job responsibility was educating the customers about the various products and schemes of the company.

Our dedicated Team: We have a dedicated team of committed faculty that is invited to several city colleges as external examiners for MCom I & II. Mr. Sachin R Vedpathak was invited at D.T.S.S. College of Commerce, Vivek College of Commerce and Ghanshyamdas Saraf College as external examiner in the subject of Advance Cost Accounting and Advance Financial Management and Strategic Management. Ms. Shakuntala Yadav was invited as external examiner at D.T.S.S. College of Commerce and Ghanshyamdas Saraf College in the subject of Entrepreneurship. Ms. Amita Singh was invited as external examiner for MCom Part II at D.T.S.S. College of Commerce. Our teachers participate in workshops and seminars and engage in research work. Ms. Amita Singh and Ms. Anjali Mishra jointly presented a paper on the topic 'Professors As Communication Experts' at the National Conference on 'Higher Education and the Challenges of Communication' held on 24th and 25th Feb at our college. The research paper was also published in the proceedings with an ISBN No: 978-81-926019-3-9.

Our students have made us proud by participating enthusiastically in intra-collegiate and intercollegiate activities bringing laurels to our college.

Sachin Vedpathak
Chief Coordinator

Students' Council

The Students' Council was formed according to the Maharashtra State Act, 1994. Ms. Reshma Chandrakant Patil of MCom-II was elected as the General Secretary of our Students' Council. She was also elected the President of the Students' Council of University of Mumbai.

The Council began its activities with celebrating Friendship Day on 8th August. On 15th August, the Independence Day was celebrated, Ms. Reshma Patil was given the honour of hoisting the Tricolour along with the Chief Guest. On 6th January the Council celebrated 'Saree and Tie Day' wherein the 'Best Saree' prize went to Ms. Disha Mithal and 'Best Tie' prize went to Mr. Lalit Bhanushali.

The Traditional Day was celebrated on 8th February where in the 'Best Couple' prize went to Aditya and Ms. Nivedita Patil. Mr. Chirag Bansali and Ms. Mukti Shahh were honoured with the title – Mr. and Ms. Traditional respectively.

Valentine Day was celebrated on 14th February along with 'Rose and Chocolate Day' on 14th February. Prom Night was also celebrated on 1st March at Privilege Inn.

Following students were elected this year and formed the Students' Council:

General Secretary	Reshma Patil
Cultural Secretary	Gautam Rathod
NSS Secretary	Nilesh Chaturvedi
Sports Secretary	JayPrakash Yadav
1st Lady Representative	Bhavna Jain
2nd Lady Representative	Rajlaxmi Parab

Class Representative:

The Annual Day of Degree and Junior College was celebrated on 18th January. On behalf of Students' Council we conducted various competitions throughout the year. Mr. Pramit Barot of TYBMS was adjudged the 'Best Boy' while Ms. Nazar Fatma of TYBCom was chosen as the 'Best Girl' of this academic year. The activities of the Students' Council ended with a Farewell Function for the third year students of BCom and Professional Courses {BMS, BAF, MCom} which was organised on 14th March.

Mr. Mahendra Pachadkar
Member

Mr. Rajesh Ruke
Incharge

Women Development Cell (WDC)

The Women Development Cell comprised of three members – Ms. S. A. Mandavawalla, is the convener of WDC. The Cell conducted two programs, one each in semester this year.

The first program was conducted on 10th September on 'Health & Hygiene' in which Dr. Anjali Agarwal was the Chief Guest and Dr. Neha Shah, the leading gynaecologist was invited to deliver a talk to our girl students.

Dr. Urmila Suleka, Obstetrician and Gynaecologist was invited on 5th February to brief the students on general health awareness such as Breast Cancer, Cervical Cancer, Thyroid, Blood sugar, Deficiency of B12, Vitamin D and Iron. Both the programmes were well attended by girls with their queries answered by the honourable guests. WDC is immensely thankful for all support from authorities.

Ms. Swati Mandavawalla
Convener

Annual Prize Distribution Function

The Annual Prize Distribution function was held on 15th February wherein students of the junior and degree section, who had excelled in the field of academics, sports, cultural and other extra-curricular activities were awarded cash prizes and certificates. Lion Sharad Ruia, Chairman of Governing Council, Lion Kanahayailal G. Saraf, Hon. Secretary of Governing Council and Lion Vikas K. Saraf, Joint Secretary of Governing Council also graced the occasion.

Dr. Swati Desai
Chairperson

Department of Mathematics & Statistics

In tune with its commitment towards improvement of academic performance of the students, the department of Mathematics and Statistics conducted number of revision lectures for First and Third Year students. Other activities were as follows:

- ❖ In order to give practice to the students various measures were adopted such as solution of model question papers, conducting mock exam (60 marks) for writing practice, distribution of question bank and study material etc.
- ❖ Model question papers were solved after completion of syllabus.
- ❖ The department also made use of 'Drop Box' to post lecture notes to the students.
- ❖ Practical examinations for TYBCom were held as per guidelines given by the University.
- ❖ 13 students participated in 'Numero Uno' - Mathematics quiz conducted by H.R. Collège in Semester I.
- ❖ The department organized a talk 30th Aug. on Vedic Mathematics by VJTI faculty, Prof. Bhalchandra Naik to encourage more mental maths.

Ms. S. A. Mandavawalla, HOD was appointed as Joint Chief Conductor in Vivek College in Semester I. She was also invited as guest speaker to Mittal College to talk on Information and Communication Technology for its DLLE students.

Dr. Swati Desai was felicitated by MNS for her valuable contribution to the education field. She was reappointed as the Area Coordinator for NSS.

Dr. J. P. Yadav applied for a UGC sponsored major research project on the topic : A Survey of basic Hyper Geometric series and continued fractions. His research paper titled 'Basic Hypergeometric Series and Continued Fraction' was accepted in a reputed international journal - **Applied Mathematics and Fluid Mechanics**, ISSN – 0974-3170.

Mr. Sandeep Gupta presented a paper titled 'Learning beyond classroom using Google Hangouts' in the in house National level conference on 'Higher Education and Challenges of Communication'

The department members were also invited as moderators in city colleges.

Ms. Swati Mandavawalla
Head of the Department

Commerce Department

The Commerce Department yearns to give the students an experience that will prepare them for life. The teachers of the department therefore engage the students in innovative projects and presentations.

In an attempt to sensitise our students with the environmental problems of the day and engage them in proactive activities, Prof. Subhasini Naikar conducted a live project in the subject of Environmental Studies called - Green Express, wherein students of FYBCom D division conducted a skit and displayed models on topics like - Ecofriendly goods, Cloudburst, Healthy food, Solar projects, etc. on 7th September.

The teachers of Business Communication under the aegis of Language Lab conducted a two week course on Improving of English Speaking skills for students in the winter vacation. Through tutorials activities such as - one minute speeches, role plays, mock interviews, book reviews help to improve the speaking skills of our students.

This year the department conducted a UGC sponsored seminar jointly with the Economics department on 'Environmental Sustainability - Social and Economic Dimensions' on 25th September and a UGC sponsored National Conference jointly with the Department of Business Communication on 'Higher Education and Challenges to Communication' on 24th and 25th February.

Court Visit:

On 3rd and 7th February 110 Students of SYBCom were taken for a visit to the Mumbai High Court as a curricular activity in the subject of Business Law by Mr. Mahendra Pachadkar, Assistant Professor in Business Law. The Court Proceedings start at 12.30 pm. The students were divided into 8 groups and placed in different court rooms wherein Civil, Criminal, Corporate cases were conducted. Here the students got an insight into the manner in which cases are conducted. Few students met Chief Justice Mohit Shah and Justice Manoj Sanklecha, they gave inputs with regards to the different types of cases and also encouraged students to put forward their questions. The feedback given by students indicated that students had acquired basic knowledge about the proceedings of the court and judicial system.

Prof. Shekhar Chandratre
Head of the Department

Literary, Advertising and Debating Society

The Literary, Advertising and Debating Society conducted an Essay writing competition on 1st August. Prizes were given to award winning essays written in Hindi, Marathi and English.

In an attempt to whet the speaking skills of students the Society conducted an Elocution competition on the topic: 'Love life, live life to the fullest' on 2nd August.

Hindi Sahitya Parishad

It gives me a great pleasure to present the report of *Hindi Sahitya Parishad* for the academic year 2013-2014. The *Hindi Sahitya Parishad* was inaugurated on 6th September.

The Chief Guest for the function was Shri. Prem Shukla, Editor of *Dopahar ka Samna*. The function was also graced by Lion Shri. Kanahaiyalal G. Saraf, Hon. Secretary and Lion Vikas K. Saraf Joint Secretary of Governing Council. The function was followed by Bhajan Competition. There were 30 participants for the Bhajan competition. Sayyed Nazar Fatma stood first in the Bhajan competition. The judges for the Bhajan competition were Shi Anuratna Rai and Shimati Anurita Rai.

Hindi Sahitya Parishad also organized an elocution competition on 14th September. The judges for the competition were Mr. Ramesh Rajhans, Mrs. Kiran Mishra and Dr. Sushila Gupta. Sayyed Nazar Fatima stood first in the elocution competition.

Hindi Sahitya Parishad motivates students for various intercollegiate competitions. The Future Plan of the Hindi Sahitya Parishad:

- ❖ To motivate students for various intercollegiate competitions
- ❖ Debate Competitions
- ❖ Hasya Kavi Sammelan
- ❖ Swa-Rachit Kavita Pathan.

We thank the management. Principal and students who constantly encourage our *Hindi Sahitya Parishad*.

Dr. Jay Prakash Yadav
Chairman

Career Guidance and Placement Cell

'Construct your determination with Sustained Effort, Controlled Attention, and Concentrated Energy. Opportunities never come to those who wait... they are captured by those who dare to attack.'

Career Guidance and Placement Cell was able to capture maximum placement in this academic year. The Cell came up with an innovative concept of strengthening itself with a proper combination of able students and teachers. The team included four representatives of third year students from each division and accordingly forming a Gmail group named 'pdlc-placements-2013-2014@googlegroups.com' and a Whats App group named CGPC_PDLC. This innovation helped in prompt co-ordination and also reaching maximum students. The objective of the Cell is train the students with employability skills through Career guidance seminar and accordingly getting placements for them.

Placement Cell Seminars:

- 31st July: Seminar on Personality Development by Ideal Job Solutions.
- 26th Aug. An informative Lecture on 'Wealth Management'. Mr. Rohit, a certified Management Planner from Gettingyourich.com
- 17th Dec. A workshop on 'Efficient communication and Etiquette' by Career Spotlight.
- 21st Dec. Graduate Employability test conducted by NIIT (Malad).
- 3rd Jan. Campus recruitment drive by TCS- Tata Consultancy Services was held. A Total of 120 students opted for interview from BCom section and three students got selected
- 1) Rohit Soni - TYBCOM
 - 2) Chinmay Dongre - TYBCOM
 - 3) Fiona N - TYBCOM
- 21st Jan. A demo session on Do's and don'ts of interview was conducted by 'Bonanza' institute for Degree and Self-Financing Students.
- 22nd Jan. Campus recruitment drive by J.P. Morgan was held. Total 140 students appeared for interview and two students got selected.
- 1) Neha Mahate - TYBCOM
 - 2) Fiona N - TYBCOM

- 28th Feb. A promotional Activity with games and goodies by Windows 8 was conducted in the campus to create an awareness of Windows 8 for the academic sector.
- 5th Feb. L. J. Business School conducted an Awareness programme on Financial Literacy and awareness drive for FYBCom, SYBCom and TYBCom.
- 7th Feb. Fly High Academy conducted an Awareness programme on 'Careers in the Aviation Sector'.
- 15th Mar. Placement of 8 students for central brand.
- 24th Mar. Placement of 24 students from Professional Courses for internship for Bajaj Allianz for Auditing and Sales Profile

Career Guidance and Placement Cell also received proposals from HDFC, SYNTEL & ICICI Prudential for students of the Third Year who were appearing for the University Exams this year.

Cellphone: A Boon or a Curse

Mobile phones have become one of the best gifts that humanity has ever received in the twenty first century because of its numerous benefits. It is a fact that having a mobile phone nowadays is a sort of a necessity and it is an inevitable truth that the mobile industry is taking everyone by storm. A mobile phone is a device with so many advantages contributing convenient living for both the old and young generations.

Apart from serving as a great medium in telling lies (i.e. both caller and receiver can be deceived since one cannot tell where exactly the other person is), there are so many advantages to the user. This includes keeping you in constant contact with people you consider important, helps you seek help immediately during emergency cases, and gives a sense of being financially uplifted in the past, lessen your boredom, example, listening to your favorite music and as well as watching movies through downloading. Also the mobile phone can be used to take wonderful pictures of both happy/sad moments as well as aiding studies through the use of the internet's features on the phone.

Thirty one scientists from 14 countries, including the United States, spent a week poring over existing studies of which they added radio frequency electromagnetic fields to a long list of "possibly carcinogenic". At the high end of the scale, ionizing, solar, and ultraviolet radiation were classified as "carcinogenic." Wireless phone radiation falls into the third five ranked categories. Given the current state of the available evidence, what do you think? Will you still express contempt to the warnings, or are you worried? Will you change the rules about your kids' cell phone use because of this? What about your cell phone use? Will you limit your own talking on the cell? One would also prefer to be the new age "Doubting Thomas" who will refuse to believe everything without direct, physical, personal evidence.

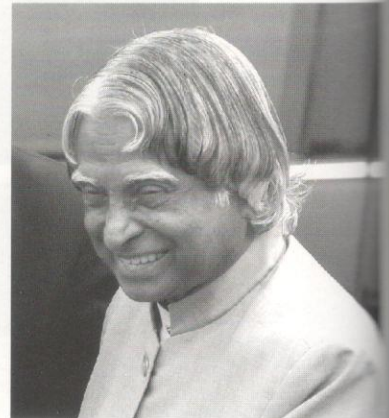

Indeed, mobile phones has contributed immensely to our lives but the blessing and the curse of it turned out to be in

the way it has enabled us to live in our own virtual community and the disciplinary measures lined for ourselves in the usage of it.

Does Today's Youth need an Icon?

The Youth play an important role in the upliftment of one's nation. Pearl S. Buck, a famous American author says "the young do not know enough to be prudent and therefore they attempt the impossible and achieve it". This means the essence of true development lies in the hands of the youth. The youth of today needs to be motivated for this appropriate way. In such circumstances an icon plays a dynamic role; in shaping an individual.

A lot of diversity and distinction is found in today's youth ranging from the one who are highly mischievous, irresponsible in nature, but such individuals should always remember that "every youth owes to himself and to the world to make them most possible out of the stuff that is in him".

Majority of the youth don't have any guidance because of which they don't have any idea about moulding their future in a proper way at the proper time. As we say "strike while the iron is hot" so, things which can be preached to a person at a younger stage can never be inculcated in him at a much later period. In such cases the youth need somebody who they look up to; to change their life for good. Thus an icon is really important. Now it depends upon an individual whom they idolize from whom one can learn to improve the quality of life bringing positivity in one's mind.

Many of the youth of today are influenced by western culture and hence idolize this culture and its icons and start following all kinds of vices like drinking, smoking, consumption of drugs, etc. Such stuff is often recognized as glamour and style statement, but realize the consequences much later in their life. I am not criticizing or asking anybody to stop idolizing people associated with the glamour world rather asking individuals to adapt only the good qualities of these people, to adapt and consider them what they are actually in real life and not reel life.

And why just the glamour world? If we turn to the other side of the coin, there are hundreds of people in our country too whom we can idolize. Bhagat Singh, Subhash Chandra Bose, Mahatma Gandhi, Kiran Bedi, Sachin

Tendulkar, A.P.J Abdul Kalam Azad to name a few more. The list is indeed very long. These people are our nation's true treasure. They are an inspiration to every individual in some or the other way, because they have set a benchmark and made every individual proud.

In some or the other phase an individual will face some problems and during such a time an individual will surely look up to his/her icon for inspiration and hence we need to choose an icon who is a person known for his good deeds. Hence, selecting an icon is important rather than blindly following whatever appears attractive to us and later repenting because of our faulty decisions.

So start thinking and bring the CHANGE in ourselves only to later bring prosperity in our lives tomorrow; ultimately leading to the prosperity of our nation

Friendship

The tree has the company of
Nature sun,
The ship has the company of
Sea wares,
The chair has the company of
One another,
Because they are true friends
And not slaves,
I want the company of
'You' all the time,
And want you to be
A good friend of mine,
My friendship towards you
Will never end,
And I will be always
Your trusted friend.

How I found my Treasure Trove of Happiness

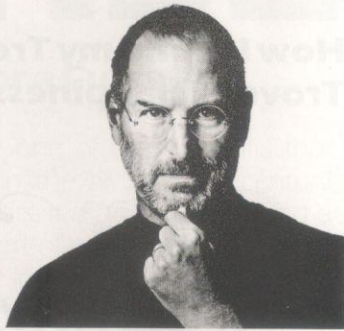

It was Sunday, my Board Examination was just over. I was relaxing in my room when suddenly papa came to my room and we were started talking with each other. He asked me about some of my childhood friends and was enquiring about their future plans. I opened the drawer to show my group friends photo. Papa saw my cupboard in a very bad condition, he immediately ordered me to clean my cupboard along with all drawers inside it. I cursed myself so much for opening the cupboard in front of my papa. Anyway I opened the lowest drawer and was completely lost in sense. The drawer had all the gifts I had received on my birthday - the books, the pens, some of the flower pots and idols of Ganesha, Radhe- Krishna all the gods. I was completely lost in my 'diets of my childhood'. I remembered those beautiful moments I had spent with them. Some of the flower pots were missing but still I cherished those memories with the gifts that brought back memories of my friends, teachers, my cousins and my sisters, who had given me those gifts. It was very painful for me to throw them out into the garbage, it was like throwing out those memories. Just the thought of doing away with those memories, I started crying. My heart was filled with sorrow as I had to throw away my joyful moments with those mementos. Those olden memories were still fresh in my mind and I was battling against following papa's instruction. Because of my crying I was given a choice - I could keep back some gifts from and rest of it was to be discarded.

But I soon realised that nobody could take away those memories even though the tokens of those memories were gone. I would always keep those memories carefully protected in my mind.

Remembering Steve Jobs 1955-2011

There is not a single executive or important name in the field of technology more important than Steve Jobs.

San Francisco, California, 24th February, 1955, Steve Paul Jobs was adopted by Paul Jobs. He got interested in electronics and technology at a very young age. His family had moved to Los Altos. During his high school he met Steve Wozniak and they two were hired during the summer. Drop out of college but later informally got educated. He used to love to get information from books for developing himself.

His interest was in arts and history. In 1976 he started his company – Apple – from the family garage and with Apple they found success. Apple I didn't sell really well. It was not functional computers that demonstrated true capability for personal computing so they signed Apple II and within next few years they got 100 millions of US dollars by those computers. Apple went public on 12th December 1980, with a value of 1.2 billion. In his first stake but after few years' loss its market shares were 1 billion. By 1985 apple forced Jobs to resign.

He picked himself up again very quickly and easily. He grabbed the people who wanted to be involved in his new company "NEXT" and then they started building the new company "LUKIS" film graphic division "PIXAR" in 1986. The company was the upcoming of what was coming next Apple. They had original ideas in operating system in design in "NEXT". Apple purchased "NEXT" and returned Jobs as CEO in 1996.

He named his software Mac. This also led the apple tech revolution the "I-PHONE", the most important gadget of the modern era. From I-pod to i-phone to i-pad, what next is important trend in the technology and he became most popular. And in 2011 Apple was one of the most valuable company in the world, and in the same year Steve Jobs resign from the CEO's position and on October 5th, the same year a month after his resignation he passed away due to complications of "Pancreatic Cancer". We salute this noble soul.

Suicide Prevention

(How to Help Someone who is Suicidal)

A suicidal person may not ask for help, but that doesn't mean that help isn't wanted. Most people who commit suicide don't want to die—they just want to stop hurting. Suicide prevention starts with recognizing the warning signs and taking them seriously. If you think a friend or family member is considering suicide, you might be afraid to bring up the subject. But talking openly about suicidal thoughts and feelings can save a life.

Helping people in despair
A helpline for the depressed and the suicidal.

We Listen. We Care

Helpline: 91-22-27546669

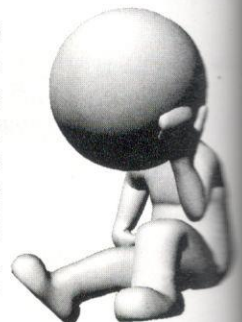

Talking to a friend or a family member about their suicidal thoughts and feelings can be extremely difficult for anyone. But if you're unsure whether someone is suicidal, the best way to find out is to ask. You can't make a person suicidal by showing that you care. In fact, giving a suicidal person the opportunity to express his or her feelings can provide relief from loneliness and pent-up negative feelings, and may prevent a suicide attempt.

Ways to start a conversation about suicide:

- ❶ I have been feeling concerned about you lately.
- ❷ Recently, I have noticed some differences in you and wondered how you are doing.
- ❸ I wanted to check in with you because you haven't seemed yourself lately.

If a friend or family member is suicidal, the best way to help is by offering an empathetic, listening ear. Let your loved one know that he or she is not alone and that you care. Don't take responsibility, however, for making your loved one well. You can offer support, but you can't get better for a suicidal person. He or she has to make a personal commitment to recovery.

It takes a lot of courage to help someone who is suicidal. Witnessing a loved one dealing with thoughts about ending his or her own life can stir up many difficult emotions. As you're helping a suicidal person, don't forget to take care of yourself. Find someone that you trust—a friend, family member, clergyman, or

counselor—to talk to about your feelings and get support of your own.

In addition to the general risk factors for suicide, both teenagers and older adults are at a higher risk of suicide. Teenage suicide is a serious and growing problem. The teenage years can be emotionally turbulent and stressful. Teenagers face pressures to succeed and fit in. They may struggle with self-esteem issues, self-doubt, and feelings of alienation. For some, this leads to suicide. Depression is also a major risk factor for teen suicide.

Other risk factors for teenage suicide include:

- ⊗ Childhood abuse
- ⊗ Recent traumatic event
- ⊗ Lack of a support network
- ⊗ Availability of a gun
- ⊗ Hostile social or school environment
- ⊗ Exposure to other teen suicides

**Is Computer a
'He' or 'She'?**

Dear Friends,

Is computer a HE or SHE?

"SOFTWARE" would make you think 'SHE'

"HARDWARE" would make you think 'HE'

Is computer HE or SHE?

"SLEEK LOOK" would make you think 'SHE'

"RUGGED CONSTRUCTION" would make you think 'HE'

Is computer HE or SHE?

Attraction for 'CHATTING' would make you think 'SHE'

Attraction for 'GAMES' would make you think 'HE'

Is computer HE or SHE?

Unable to decide, I Asked the Computer, "Are you a Man or a Woman?"

The Computer said:

To Men I am the 'Dream Girl',

And to Women I am the 'Man'

In a world where men and women are equal, I combine the best features of both if you do not understand me.

All men and women would be below me

Vote – every citizen's choice

Politics in our country is absolutely in a pitiful condition, showing a 17% rise in the our Members of Parliament with criminal records. The welfare of our country takes a back seat with a stiff competition in the academic field and workplace.

Most youngsters look at voting as a useless activity that does nothing to change the present deranged system. Constant grievances from the citizen regarding the lighting, potholes, sanitation, transportation, etc. make their way in conversations quite often, now that we avail of these services. Yet we shy away from casting our votes to demand better roads and a more comfortable transport network. Our parents faithfully cast their votes at every general and assembly elections, may be to create a better future for us. Due to our preoccupations this noble thought is often missed out.

Voting for the right candidate may not make a world of a difference to our corrupt governing system, but it could ignite the fire of transitions which would ideally lead to living in a country with a corruption free and non-partisan education system, more secular politics and conscious citizens.

The supreme court of India has recently stated that the voting procedure must include the option of NOTA (None of The Above) on the electronic voting machines. With this option if none of the candidate is eligible for the candidature, according to your interest, you can simply press the 'NOTA' button.

Every vote counts and besides, the excitement of voting, it is an experience in itself. Recently our Prahaladrai Dalmia Lions College also gave an opportunity to those students eligible to vote, an opportunity to register as a voter, thereby exposing them to the political world. I'm waiting eagerly till I turn eighteen to be a part of the voting fraternity and try and make a change.

No one should back out from wearing this 'KAALA TEEKA'.

Teenage

The world itself tells you many things: love, envy, friendship, beauty, concern, jealousy, hangouts and you have it all!

Right from the age of 13 to the age of 19 you are well into it. Soaked, reused, washed, spanned and out!! But,

when you're out you are actually a new and fresh person all set to rock the world around you and that's when you actually get your head back on your shoulders.

Teenage life means a life full of puddles and potholes. If you have passed them carefully without falling into any, you have gained maturity and stability. But if you slip into them, your life will get an experience from which you're going to learn something right from the higher secondary to your college life. After all, 'EXPERIENCE IS THE BEST TEACHER'.

These are the days when you evolve from the innocent school child to a smart, clever and witty individual. These are the days when you make some of the best memories in your life. Memories that will make you cry. Memories that you will always cherish. When you laugh until it hurts, when you sit talking and gossiping until late nights, when you hear a song that makes you remember a special person, when you dream in the day while you attend boring lectures, when you admire your picture for hours together.....well, well, well, well this list can go on.

As long as we have memories, yesterday remains. As long as we have hope, tomorrow awaits and as long as we are teens, each day is never a waste! Life goes on like a fluctuating bulb now. At one point you have hook-ups, break-ups, shopping and all sort of pleasures and on the other side you have parents and elders warning you and intimidating you regarding everything you do. On the other hand you have the addiction to cell phones and facebook.

Oh my! It's all just Confusion!

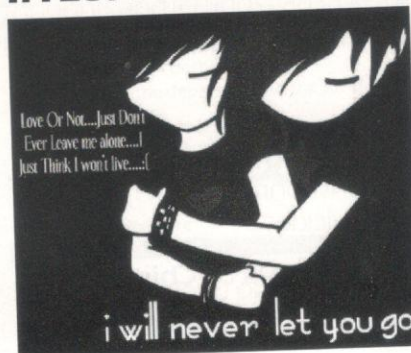

A Teenage is a bag full of mixed emotions and feelings. You actually start feeling like a bird trapped in a cage. But, ultimately when you look at it, you are enjoying it all!

Enjoy your teenage to the fullest, you won't get these days back in your life...

WOOOW!! Cheers to us teenagers for enjoying and being so much everything, everyday!

Your teenage
Namrata Reddy

If I Let You Go

Day after day, time passes away
And I just can't get you off my mind
Nobody knows, I hide it inside
I keep on searching.... But I can't find
The courage to show, to letting you know,
I've never felt so much love before,
And once again I am thinking about
Taking the easy way out
But if I let you go, I will never know
What my life would be, holding you close to me
Will I ever see you smiling back at me,
Oh yeah
How will I know
If I let you go
Night after night, I hear myself say
Why can't this feeling just fade away
There's no one like you, you speak to my heart,
It's such a shame, we're worlds apart
I'm too shy to ask, I'm too proud to loose;
But sooner or later, I got a choose
and once again, I'm thinking about
taking the easy way out
once again I'm thinking about
taking the easy way out

Women Empowerment and Economic Development

Be responsible to your
other side

Women are the backbone of our social economy. Women constitute almost half of our total population. The development of the economy is not possible without active participation of women. Swami Vivekananda said, "Men and women are two wings of the same bird: as the bird cannot fly with one wing so the society cannot be developed unless men and women are developed equally". Therefore, it is an urgent necessity to bring women into the main stream of the process of development and the task of bringing them into the main stream is possible through women empowerment.

Women empowerment refers to increasing the spiritual, political, social and the economic strength of women. The development of confidence and capability among women is women empowerment. The pillars of women's empowerment essentially consists of literacy, education, better health facilities and nutrition for the mother and child. Political representation and self-employment options to become self-reliant are essential. The positive correlation between women empowerment and economic development can be illustrated as follows:

Despite Worldwide attempts made towards women empowerment women's economic condition is very weak. They constitute half of the work population, perform nearly two third of work hours, receive one tenth of world income and own less than one percent of world property. Self generated income is essential for empowerment. Any one whether man or women will be marginalized if he/she doesn't earn income. Economic independence is the key to women empowerment. As soon as they start generating income they come into the mainstream and start playing an important role in decision making. Consequently, women with their empowerment contribute to economic development.

non economic activities because such work doesn't earn income. Thus it is needed to increase women's participation in economic activities. This is possible through the progress of women empowerment. If women's involvement in productive activities or economic activities increases, the national income of the country will increase and the pace of country's economic development will be accelerated.

The story of the life of Indian women is more or less the story of tears, exploitation, oppression, pain and untold sufferings. They need our care guidance and unflinching support. Women constitute the half if our population. Keeping this fact in mind it becomes our bounded duty to have a matured and balanced outlook towards the women of our society. It is the collective responsibility of family, school, college, media, social organization, community and the government to generate self confident, self-reliant and politically conscious women in society. If we want to make India a developed nation the male members will have to

understand their role properly.

Women are a potent source of social change and development. We should never forget that it needs both the rain and sunshine to create a rainbow in the sky. Like men, women too can also take play a premier role in the field of agriculture, industry, medicine, science & technology, engineering, management, space, law, IT, biotechnology etc and make India a developed nation. Poverty is the mother of

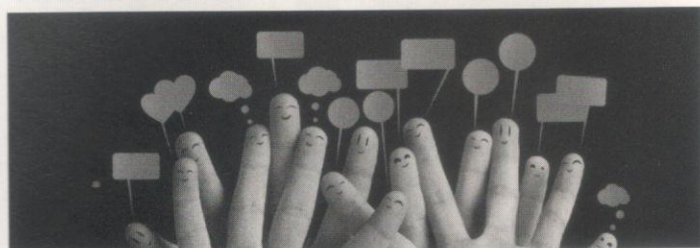

many evils. It cements the positions of backwardness in society. Education is one of the best weapons to fight poverty. Education can skyrocket the position of the women in society from rags to riches. But in this connection it should be remembered that education and poverty eradication should be given paramount importance. For a hungry child bread is God. Keeping this fact in view women must be made economically self reliant. To achieve this goal:

- ✱ The state governments should implement schemes, which give incentive for the education of the girl child.
- ✱ Women should be supported to set up their own business with the support of self Help Groups.
- ✱ They should be given the facilities of easy credit to take economic ventures.

Domestic work performed by women is counted as part of

Internet: positives and negatives

It is no more a hidden fact that, the growth of electronic media, and the strength to try new experiments, has brought a fear with regards to the positive and negative possibilities of use and misuse of internet in the digital world. The Internet has made global communication faster, it helps to retrieve and handle information on unlimited data which can be copied and distributed in innumerable ways. At the same time there always prevails a fear of misuse of internet; the possibility of accessing and distribution of unwanted information, plagiarism, security threat, etc.

The rapid growth of internet and the concerns about the misuse on internet has created a fear in the minds of parents and the society, regarding the consequences in the future. The young generation is attracted towards the computer 'the magic machine' and they spend tremendous time on internet, for gathering informative material and use it as an effective medium of socialization. Students can gather sufficient material for assignment, with a click of mouse, with the cut and paste process. A social networking site focuses on building social relations and interactions with people throughout the world, who have common interests and things to share.

Social networking sites like MySpace, Facebook, Twitter and many more along with instant messaging and online chat rooms, have become an area of interest for children and teens to contact friends and socialize globally. The question has always been an unsolved puzzle – whether such social networking sites are helpful and safe or do they leave a negative impact on the young generation?

The social networking sites attract teenagers and children as they have options and categories of meeting and chatting with former school friends and are also a means to reunite friends, along with a recommendation system linked to trust.

Safety concerns: Children have been a great concern and a topic of worry for all governments throughout the world with regards to misuse of social networking sites as there are sexual predators in hunt of such innocent children online. The Government is continuously planning course of action for safeguarding the children from falling prey to

such online bullying and other nefarious activities. They are trying ways out to tackle such issues and find a solution for the same.

A Computer may be used as a source, tool or target or a place to commit crimes on internet like e-crime, hi-tech crime, cyber crime or electronic crimes. Computer crime and cyber crime include crimes like fraud, theft, blackmail, forgery and embezzlement, in which computers or networks are used. Internet crimes are defined as online criminal activities via information technology infrastructure, which include illegal and unauthorized access and transmission of computer data from, to or within the computer device for criminal activity, forgery or for identity theft. It is the innocent children, who get easily targeted by online predators.

It is always advisable to instruct children with the benefits and dangers on the internet and make the children 'net-wise', so that they are prepared to face such situations. Besides keeping in touch with children, parents should take the benefit of filtering features into the popular internet browser, so as to limit the children's access to those sites which are appropriate for them. Parents can configure to filter the unwanted

sites which contain nudity, sexual content, hateful or violent material or those sites which educate and insist the young to use drugs, tobacco or alcohol. Parents can install special software which monitor chatting and are easily available in the market. Parents can also visit 'parents' zone' for getting safety tips and also 'fun to learn web safety sections' where regular updates of internet safety are put on.

Educational Institutes: Today all schools, colleges and libraries have computers with internet access and it is the duty of these authorities to see that children use the internet facility provided to them only for educational and research purpose. The most effective tool to protect children online and to minimize online risks is to educate and empower parents, teachers and librarians with effective approach which will prove to be helpful to children in their community in consistent manner with values.

Business Law

Give women their rightful place

Rights responsibilities respect

A Rainbow in the sky has seven different colours.
Still the rainbow is one. The variety of colours enriches it.

Likewise, we are all born on this beautiful earth as separate entities. Yet, we all share a common factor i.e we all are HUMAN. Men and women in the present age, share equal responsibility to make this world a beautiful place to live in.

But things were not the same, earlier women were constantly under the pressure of many customs, traditions and conventions such as child marriage, child widowhood, child labour, the custom of 'sati', the dowry system and other undesirable practices.

The conditions on the whole would deter the mental free development of the personality of women. As we all know, "The world is incomplete without women". Indian women are no longer considered a weaker section of society. Let us give dignity and respect to the most important pillar of our society.

Feelings

Feelings are so special
They make your life wow!!!
We all feel for our loved ones
But forget to express.

So it's time to express Rather than impress.
Whether it's love, friendship
Or any relationship it's important
To express yourself.

Today let's try to 'express'
Our feeling to our closed ones
And feel the magic of love around you.
I am sure 'feeling will make you Feel Awesome'

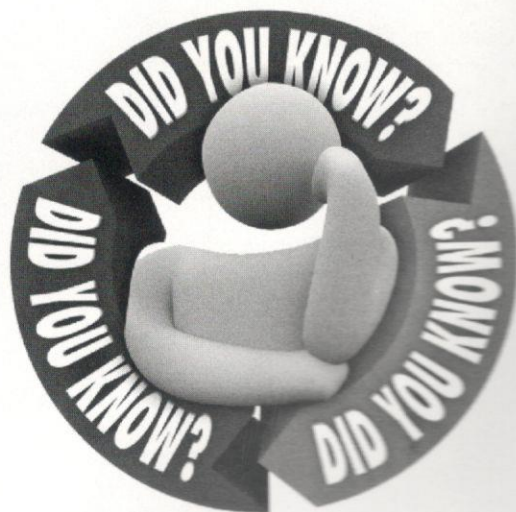

Let's try it....

DID YOU KNOW??

- ✿ Your brain uses 20% of the total oxygen and blood in your body. It also keeps developing until you reach the 40's. Avocados, Almonds, Nuts and seeds are recommended for healthy functioning of brain.
- ✿ There are 600 million alveoli in your lungs, if you stretch all of them out they would be about the size of a tennis court. Meat, fish, beans, pulses are recommended for lungs.
- ✿ Liver is the second largest organ after skin, its functions are fat burning and detoxification. Garlic, grapefruit, walnuts, beetroot are recommended for liver.
- ✿ The average bladder holds between 300ml to 600ml of wine. That's similar to a can of fizzy drink or a pint of milk. Drinking lots of water, cranberries, pears and yogurt are recommended for a healthy bladder
- ✿ The kidneys have a higher blood flow than even the brain, liver and heart. Iron- rich food fruits and leafy vegetables are considered to be best for kidney.
- ✿ The heart pumps blood to almost all of the body's 75 trillion cells; only the corneas receive no blood supply.
- ✿ Your stomach produces new layers of mucus every two weeks so it doesn't digest itself. Fruits, brown rich, less spicy and low fat foods are recommended for stomach.
- ✿ In your lifetime, your intestine can handle over 50 tons of food and liquid. Fibrous fruits and vegetables, low fat foods and lots of water are recommended for healthy functioning of intestines

Misunderstood

A young man was getting ready to graduate from college. For many months, he had admired a beautiful sports car in a dealer's showroom and knowing his father could well afford it, he told him that it was all he wanted. As the graduation day approached, the young man awaited for signs that his father had purchased the car. Finally, on the morning of his graduation, his father called him, he expressed his feelings - how proud he was to have such a fine son, told him how much he loved him. He handed his son a beautifully wrapped gift box. Curious, but somewhat disappointed, the young man opened the box which had his name embossed in gold. On opening the box, full of anger, he raised his voice and said to his father. "With all your money, you give me a bible?" and stormed out of the house leaving the bible.

Years passed and the young man turned into a successful businessman. He had a beautiful home, a wonderful family. One fine day he realized that his father would now be very old and thought about him. He had not seen since his graduation day. Before, he could make the arrangements; he received a telegram saying his father had passed away, and willed all of his possessions to his son. The man was stuck with grief. He began to search through his father's important papers and saw the still new bible, just as he had left it. As he turned the pages, the key of a car dropped from the bible. It had a tag with the dealer's name, the same dealer who had the sports car he had desired. On the tag was the date of his graduation, and words 'PAID IN FULL ADVANCE'.

You Will Never Realize

MOBILE !!! the 21st Century's technology which brings the whole world closer. I love the mobile too, but you never realize what all fun and happiness we are missing out on because of this gadget.

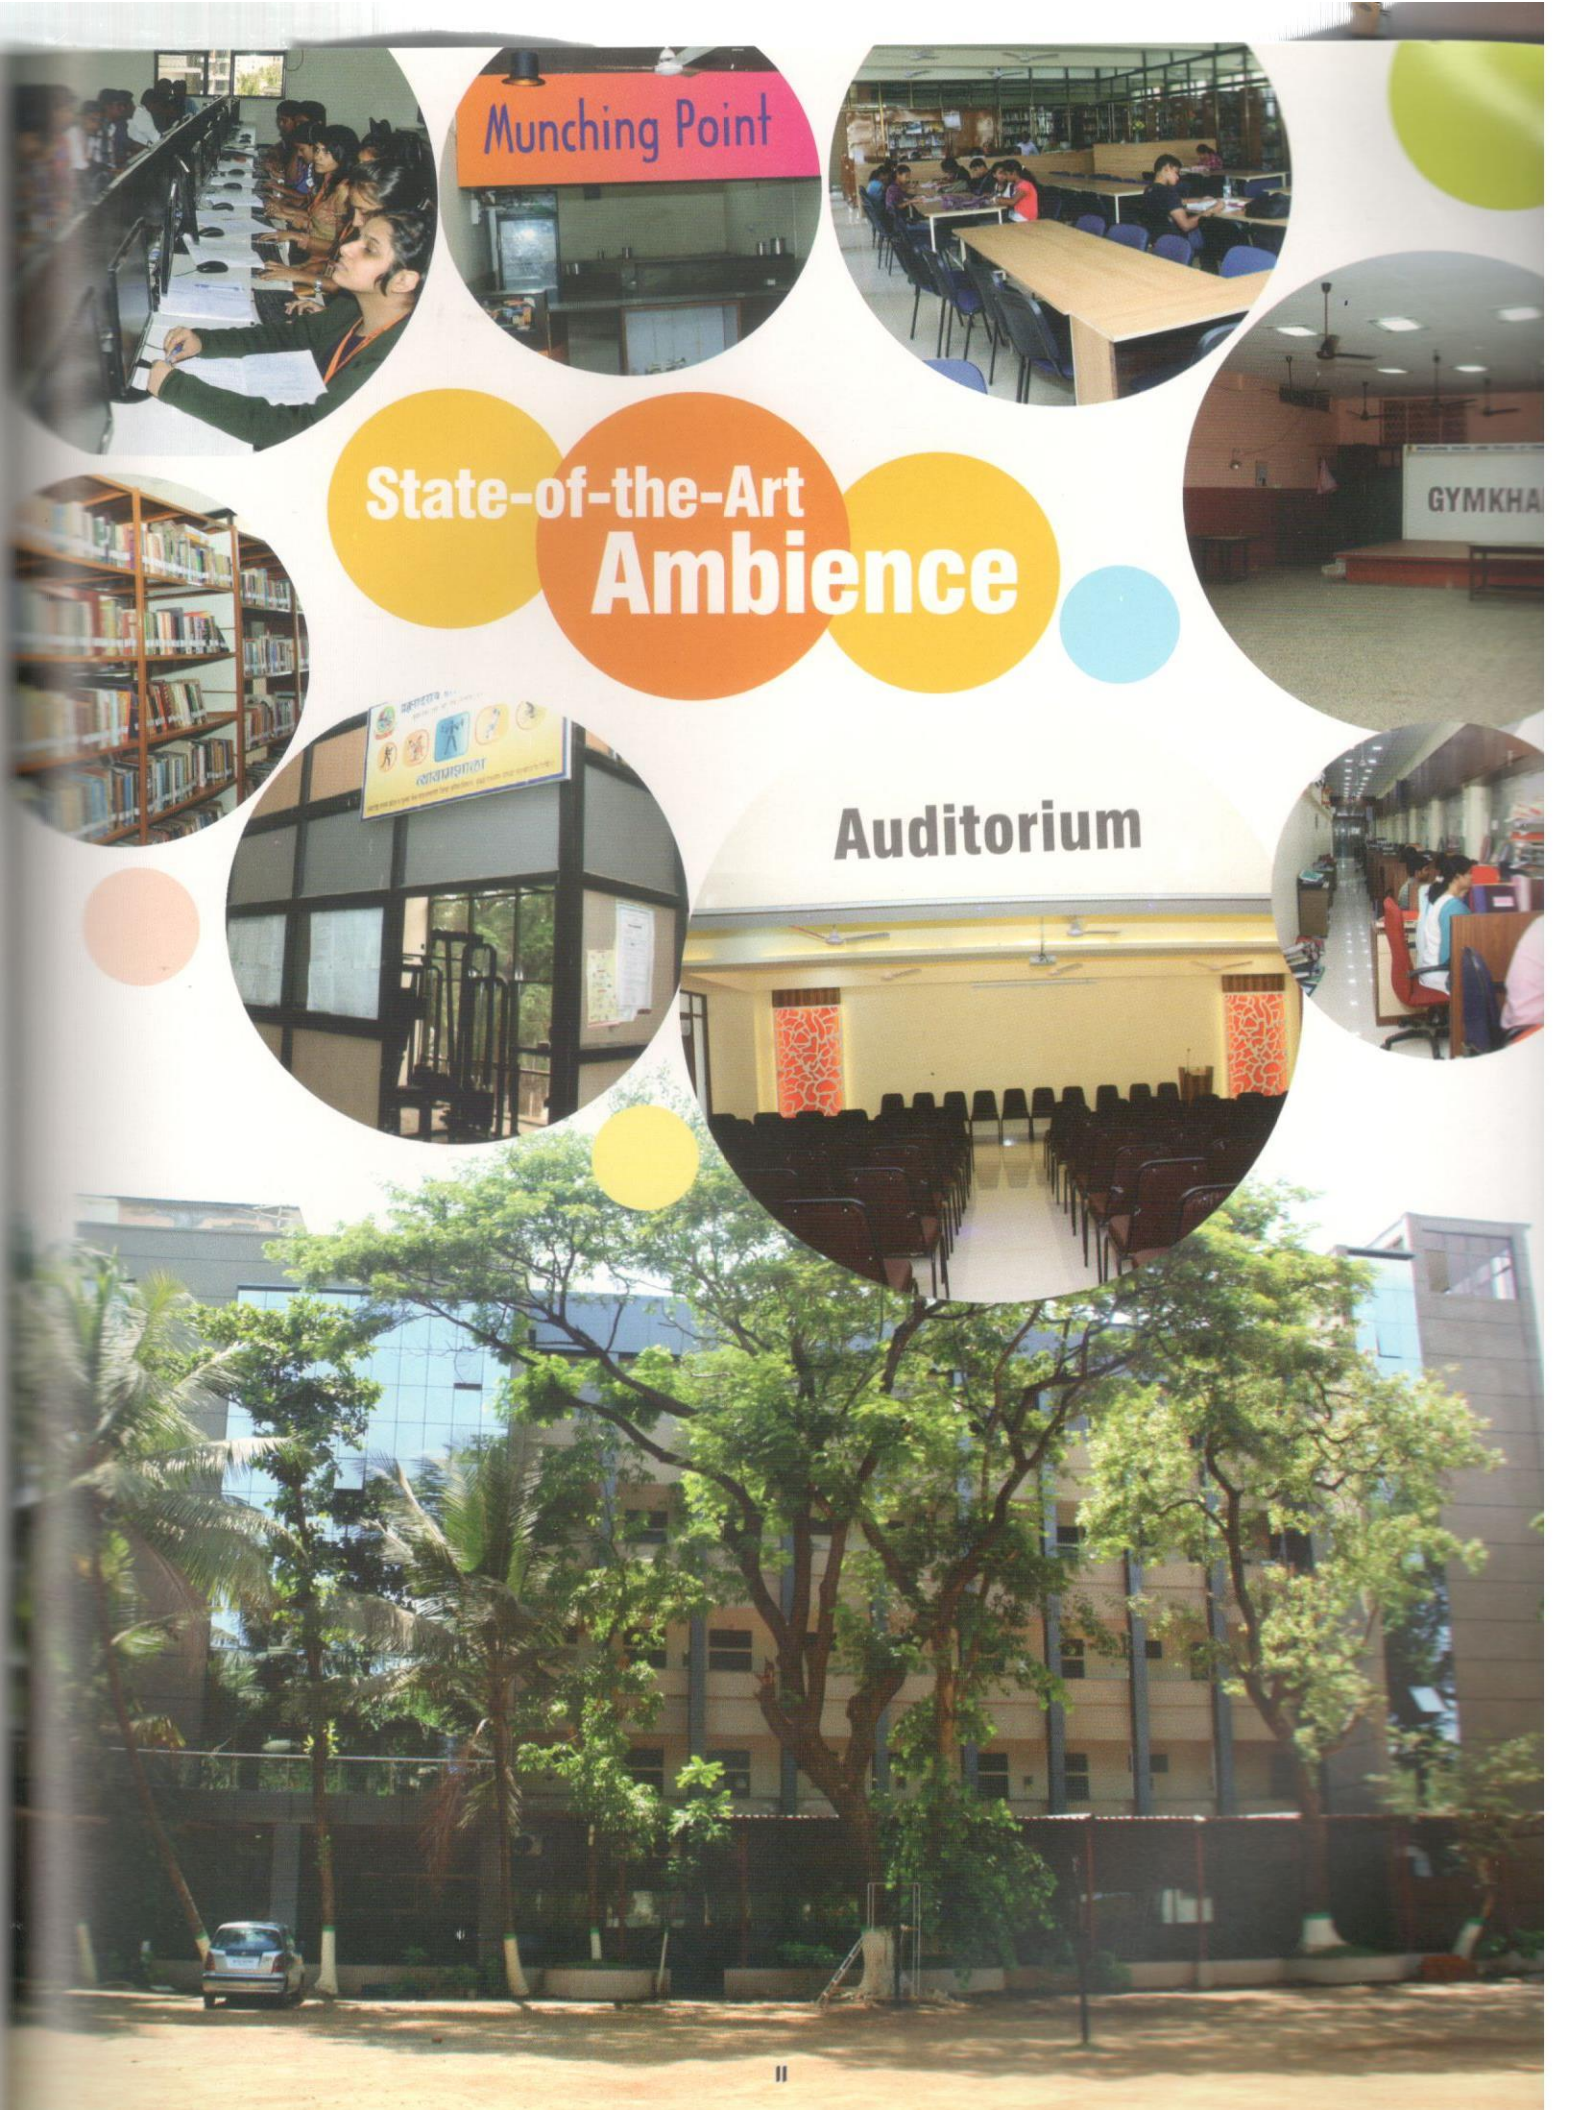

There was a time, when we used to sit with our family and talk with each other, talking with those friends who were sitting beside you. (But now, all are not sitting right there besides us.) I mean wow!, when you are sitting beside your best buddy and chatting with all friends on your mobile. You never know, your best will be away from you and they will not remember you forever. Two people sitting together and using a mobile phone then I don't get why they sit together.

When you go to some relative's house and if they attend to their mobile phone instead of you, how do you will feel? But when you do the same you never realize. Life is full

with family and friends. Live life to the fullest – real life conversations should not be missed out on. Though our day begins with chatting, arguing on the phone and changing your status updates; do use your phone, but don't miss out on the small things that bring joy and happiness to you by real time talk. This is the fun of your life. You will not realize now what you are missing, but in future you will miss it. This is for those who think mobile is their life.

Don't Give Up

'GIVING UP' when related to certain habits, needs and behavior, which one could 'Give Up', in an attempt to be liberated; to live a life of peace and spread peace around is always welcome. There are opposites, like pain and pleasure, heat and cold, happiness and sadness, day and night, black and white. So the thoughts were what could be the opposite of 'Give up', 'Don't Give Up?' it is also essential not to give up on certain things in life. The things we should not give up upon are:

1. Don't Give Up On Love: Love every human being. Love every living thing. We may be different in color, size, shape, complexion, caste, creed, religion but the life giving consciousness is the same in each of us. Once we know that all of us are essentially the same, we will not harm others; the only feeling that can emanate towards others is of love, of mutual well-being. Many of us are afraid to love, maybe because of some previous negative experiences. When we expect appreciation and reciprocation and the same does not come, and then we feel frustrated, disappointed and angry. Love whole-heartedly, have no expectations. Don't give up on the same. Do what is right – love and leave the rest to God.
2. Don't Give Up On Faith: Faith is the string that holds humanity together just as the string which holds the necklace of pearls together. All our relationships are held by the pillar of faith. Any relationship, be it personal, official or social, can survive only because of faith. When we work in the office diligently and with complete dedication, we have faith that we will get our salary at the end of the month. It is important for all of us to have the same in God.
3. Don't Give Up On Life: A disturbing piece of news that crops up regularly in the newspaper is of youngsters, sometimes school/college students, giving up their lives.

When a young life is lost, it means society has failed again. Human life is the highest form of life. Failures are a stepping stones to success. Human capabilities are limitless and we should not give up on this gift of human life, at any cost.

4. Don't Give Up On Your Parents: Many people complain that at old age, their parents grow very cranky and literally, get on their nerves. Please remember that these very parents bore with your crankiness and tantrums, nurtured and cared for you till you reach an age when you could take care of yourself. If you exist, it is because of God and parents. We are so busy growing up, that we often forget that our parents too are growing old. Understand them, love them, be patient with them, respect them. Most importantly, don't ever give up on them.

मेरी भारत माँ के आँसू

मेरी भारत माता आज बिलख-बिलखकर रो रही है।
आज के युग में मेरी माँ की गोद फिर सुनी हो रही है।।

मेरी माँ को धर्मों के नामों पर बाँटा गया।
विकासों के नामों पर खंडित किया गया।।

उस पर खूप अत्याचार किया जालिमों ने।
उसके सपूतों को छीना आंतकवादियों ने।।

किया जा रहा हैं, सौदा मेरी माँ के बेटियों का
संसद में बैठे झूठे चहेरे है, उन नाकामों ने लूटा धन भारत का

अपने इस कुरूप को देख आयने में, उसके आँसुओ का सैलाब उभर पड़ा।
अपने कुटुम्ब को आपस में लडते देख, उसके पर मुसिबत का पहाड़ टूट पड़ा।।

भव्य मंदिर बना दूँगा अयोध्या में, चुनाव आते ही कोई कह जाता।
तो फिर कोई और कुछ बड़ी-बड़ी डिंगे हाक जाता।।

मेरी माँ आज फिर आठ-आठ आँसू रो रही है।
फिर से आज उस पर राजनीति कि जा रही है।।

वह आँखों के आँसू गिरते वक्त कहती है...
कौन करेगा मेरा सोलह श्रृंगार, वन्दे मातरम्।
कौन बनेगा मेरे गले का हार, वन्दे मातरम्।
कौन करेगा मेरी छाती गजभर, वन्दे मातरम्।
छिन नहीं सकती मेरे सपूतों को ये सरकार, वन्दे मातरम्।।

- बीबा डुंगरसिंह राजपुत

माँ मुझे जीना है।

इस दुनियाँ में मुझे एक बार जन्म लेने दे
बस एक बार मुझे भी उड़ान भरने दे
एक बार मुझे भी मैदान-ए-जंग में उतरने दे

माँ मुझे मत मार, माँ मुझे मत मार
माँ एक बार मुझे भी ये दुनियाँ देखने का अवसर दे
माँ मुझे जीना है, माँ मुझे जीना है

मुझे मृत्यु के घाट तक पहुँचाने वाले को समझा
बेटी बनकर आऊँगी, बेटा बनकर जाऊँगी
तेरे कुल का चिराग बनकर जाऊँगी
तेरे सिर का ताज बनकर रहूँगी

माँ एक बार मुझे तेरा चहेरा देखने का सुनहरा अवसर दे
एक बार तुझे गले लगाने का सुनहरा अवसर दे

ऐ मेरी जननी....

तू हाथ पे हाथ धरे मत बैठ, तू कर जिद्द, तू कर हठ
तू मुझे इस दुनियाँ में एक बार लाने के लिए झाँसी की रानी बन जा...
फिर मैं तेरी रज़िया सुलताना बन जाऊँगी...

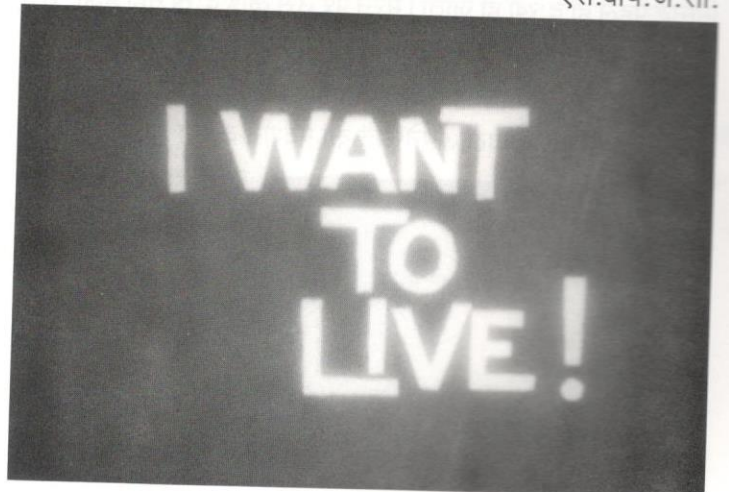

तेरा नाम इस जग के साँतवे आसमान पर ले जाऊँगी...

माँ मुझे एक बार जन्म लेने दे...

माँ मुझे एक बार जन्म लेने दे...

माँ मुझे एक बार जन्म लेने दे...

- बीबा डुंगरसिंह राजपुत
एस.वाय.जे.सी.

जब हमारा मन जुड़ता है, तभी सुख या दुःख का अनुभव होता है।

पिता को परदेश गए बारह वर्ष हो चुके थे। एक दिन उसे घर की याद सताने लगी। वह घर के लिए चल पड़ा। बारह वर्षीय पुत्र भी पिता की खोज में निकला। संयोग ऐसा कि एक धर्मशाला में दोनों ठहरे। दोनों एक-दूसरे से अपरिचित। रात को पुत्र के पेट में भयंकर दर्द उठा। वह चिल्लाने लगा। पिता पास के कमरे में सो रहे थे। उसकी नींद बार-बार टूट रही थी।

उसने अपने सेवक से कहा- 'जाओ उस चिल्लाहट को बन्द करो।' सेवक गया। बच्चे के साथ भी नौकर थे। उनको सेठजी की बात कही। उन्होंने कहा- बच्चा है। पेट में भयंकर पीड़ा है। पीड़ा शांत होते ही अपने आप चुप हो जाएगा। लेकिन दर्द बढ़ता ही गया। सेठ झल्ला उठा। उसने अपने सेवक को आदेश दिया की जाओ, जो चिल्ला रहा है उसे धर्मशाला से बाहर निकाल दो। दो सेवक गए और उस बच्चे को सामान सहित धर्मशाला से बाहर निकाल दिया। दर्द बढ़ा और बालक कुछ देर में मर गया। चिल्लाहट शांत हो गई। सेठ ने सुख की नींद ली। सेठ को जब पता चला कि वह मर गया, तब वह जानना चाहा कि वह कौन था? कहाँ से आया था? नौकरों से पूछताछ कि तो पता चला कि वह उसी का लड़का था। अब सेठ के प्राण बाहर निकलने लगे। अरे, मेरा लड़का! पहले तो वह चिल्ला रहा था और अब सेठ चिल्ला रहा है। बच्चा चिल्ला रहा था तब उसे शांत करने वाला सेठ था, और अब सेठ चिल्ला रहा था तब उसे शांत करने वाला कोई नहीं था।

प्रश्न है कि दुःख कहाँ से आया? क्या वह लड़का मर गया इसलिए सेठ को दुःख हुआ? यदि लड़के के मरने पर सेठ दुःखी होता तो वह दस मिनट पहले ही दुःखी हो जाता। मरने पर उसे कोई दुःख नहीं हुआ, उसे बाहर निकाला तब भी उसे कोई दुःख नहीं हुआ। बच्चे के प्रति कोई सहानुभूति नहीं, संवेदना नहीं, सहयोग नहीं। केवल अपने अंदर की पूर्ति करना चाहता था। केवल अपने अहं का प्रदर्शन करना चाहता था। वह

सोच रहा था कि नींद खराब न हो जाए। पर उसे जैसे ही पता चला कि यह मेरा लड़का है, उस पर एक साथ ही दुःख का पहाड़ टूट पड़ा।

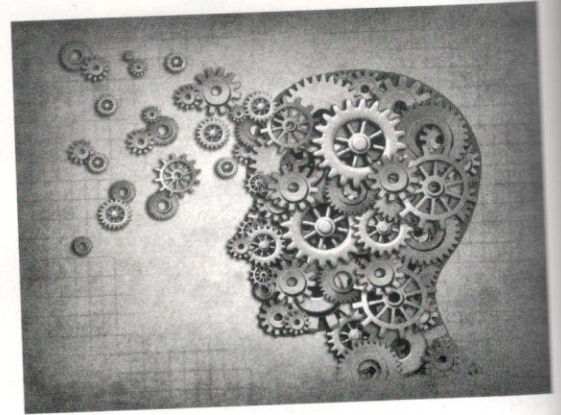

जब घटना के साथ मन जुड़ता है, प्रियता और अप्रियता के संवेदन की अनुभूति जुड़ती है तब अकस्मात् सुख या दुःख का अनुभव होता है। हमारे दुःख का मूल परिस्थिति नहीं है, पदार्थ नहीं है, घटना नहीं है। ये सब निमित्त बन सकते हैं। किंतु जहाँ सुख और दुःख पैदा होता है वह सारा चेतनाशक्ति की अनुभूति में पैदा होता है। हमने अनुभूति को निकाल दिया। केवल परिस्थितिवाद और घटनाचक्र, केवल पदार्थ पर सारा आरोपित कर दिया।

जब तक मिथ्यादृष्टि समाप्त नहीं होती, तब तक दुःख के कारणों को समाप्त नहीं किया जा सकता।

पुरजे

वे दोनों एक दूसरे को दोस्त कहते हैं किसलिए?

शायद इसलिए कि इस तरह शब्दों की बचत हो जाती है सीधे-सीधे गाली देने में उन्हें शर्म आती है!

महानगरीय जिन्दगी में जहाँ आँखे दीवार और हाथ घड़ियों से पैर लोकल ट्रेन और बसों से और हाथ हुकम की उदूली से बंधे हैं, वे दोस्ती जैसी चीज को जिन्दा कैसे रख सकते हैं?

अधिक से अधिक बस इतना कर सकते हैं! कि जन्मदिन, मौत और शादी ब्याह पर छपे छपाए संदेश खरीदकर पोस्ट कर दें कि शायद औपचारिकता अपने स्थान तक पहुँच जाए उन संदेशों पर अपना नाम लिखने की जहमत भी कौन उठाए? भेजने और पानेवाले दोनों एक दूसरे को पहचानते हैं आदमी मशीन कैसे बनता है अच्छी तरह जानते हैं!

मेरी प्रेम कहानी

“मोहब्बत ने हमें निकम्मा बना दिया वरना हम भी कुछ काम के आदमी थे...”

शायद यह शेर मेरी ही जिंदगी पर लिखा गया होगा। मोहब्बत, प्यार, इश्क ये सारे शब्द तो मेरी जिंदगी का एक हिस्सा बन चुके थे। मेरी प्रेम कहानी भी एक आम प्रेम कहानी की तरह है। जिसमें एक लड़का और एक लड़की है। मेरी प्रेम कहानी शुरू होती है मेरे B.Com के पहले वर्ष से, जब पहली बार मैंने उसे देखा था। मैं तो उसी दिन से उसके प्यार में पागल हो गया। उसकी काली आँखें, सावला सा रंग, छोटी सी खद काठी, पतला सा शरीर... उसकी हर अदा मुझे भाने लगी थी...। उसे देख कर मुझे एक शेर याद आता था-

“नाजुकी उनके लब की क्या कहिये... पंखड़ी गुलाब की सी है...”

अब तो मेरी जिंदगी का बस एक ही मकसद था के उसे अपने प्यार का इज़हार करना। आप शायद इसे ना मानो पर मैंने उससे अपने प्यार का इज़हार करने पुरे ६ महिने लगा दिये। और सब में बड़ी बात ये थी के उसने भी मेरे प्यार को मनझूर कर लिया था। वह दिन मेरी जिंदगी का सबसे खुशी वाला दिन था। खुश तो मैं इतना था के मेरी रातों की निंद और दिन का चैन उड़ गया था। अब तो हर समय मुझे उसी के साथ रहने का मन करता था...

पर ये ता था मेरी कहानी का पहला भाग... अब शुरू होता हैं कहानी का दुसरा भाग जो शायद ही मुझे पसंद है।

वह कहते है ना के खुशीयाँ कुछ दिनों की महेमान होती है। मेरे साथ भी कुछ यही हुआ। अब उसे मैं पसंद नहीं था। वह मुझसे छिड़ने लगी थी और आखिर एक दिन उसने मुझसे कह दिया के वह मुझसे प्यार नहीं

करती। मैं यह सुनकर इतना टुट गया था की मैंने कभी य जानना ही नहीं चाहा की आखिर इसकी वजह क्या थी...

अब मुझे जिन्दगी से घुटन सी महसूस होने लगी थी। शायद वह कड़वा सच मैं बरदाश्त ही नहीं कर पा रहा था। अब प्यार शब्द मेरे लिये एक गाली बन गया था। मैं अपनी भावना पगलो की तरहा face book पर share करने लगा था। “LOVE HURTS” तो मेरा FACE BOOK STATUS बन गया था। पर कहते है ना के अगर खुदा दर्द देता है तो उस दर्द को सहने की दवा भी देता है।

अबे धीरे धीरे मुझे भी यह समझ आ गया था की हर मनचाही चिज़ हमें नहीं मिलती। वह कहते हैं ना के “देर आए, दुरुस्त आए...” अब मेरी गाड़ी भी पटरी पर आ गई थी। मैं वापस वही पुराना खुश मिज़ाज़ और शरारती लड़का बन गया था। मैं अपनी जिन्दगी में आए इस बदलाव की सब से बड़ी वज़ह मेरे दोस्त केवल की कही उस बात को मानता हूँ, जब उसने मुझसे कहा था के- “प्यार एक ऐसा दर्द है जो हमें रुलाता है पर साथ ही साथ प्यार एक ऐसी दवा भी हैं जो हमारे दिल में कुछ ऐसी यादें छोड़ जाता हैं जो हमें हमेशा खुश रखती है...।”

यह है मेरी जिन्दगी... माफ करना मेरी College life की छोटी सी प्रेम कहानी। जिसमें प्यार है, इकरार है, इनकार हैं और फिर से प्यार है।

जाते जाते आपसे अंग्रेजी (English) में “प्यार” पर कुछ बात कहना चाहता हूँ...

“Love is an ugly & terrible business, practice by the fools, whenever we fall in love, it threaten our heart and leave bled on a floor... but what we will get at the end of it nothing but some increadible memories which we can't shake in our life...”

ये हैं मेरी प्रेम कहानी... “तो वो ज़ालिम है जो दिल में रह कर भी मेरा ना बन सका, और दिल वो काफिर जो मुझ में रह कर भी तेरा हो गया...”

सोहेल अहमद शेख

एमकॉम-I, अकाउंट्स

हमें यह आजादी भीख में नहीं मिली है।

आज मेरा देश एक तरह से पुरा लूट गया है। पहले भारत को मुगलों ने लूटा। फिर अंग्रेजों ने लूटा लेकिन अब मेरे भारत को अपनों ने ही लूट लिया है।

आज के नेता गरिबों के पैसे पर अपनी स्मृतियाँ, अपने लिए मनोरंजन तथा अन्य सुख-सुविधा बिना किसी शर्म से ले लेते हैं। लेकिन गरिबों के नसीब में एक वक्त की रोटी भी मिलना दूर का ख्वाब हो गया है। क्या इन लोगों को इन पर तरस नहीं आता ?

अगर हम देशभक्ति की बात करें तो जिस रस्सी से गाँधीजी अपनी बकरी को बाँधा करते थे, वो तो मिज्जिम (स्मारक) में रखी गई है, परंतु जिस फाँसी के फँदे से हमारे देश के दिवाने को यानी शहिद भगत सिंह को लटकाया गया था वो फँदा कहा है ? आज तक इसके बारे में किसी ने सोचा है ?

अगर एक देशप्रेमी अपने देश का एक सैनिक जब शहिद हो जाता है तो उसके परिवार को एक झूठ आश्वासन तथा मात्र उस सैनिक के जीवन की किंमत १० लाख रुपये देकर उस बात को रफा-दफा कर देते हैं। अगर एक जाबाज के जिन्दगी की किंमत मात्र १० लाख है तो मैं उन नेताओं को चुनौती देती हूँ की आप अपने बेटों को सरहद पर तैनात करें, मैं उन्हें शहिद होने पर २० लाख रुपये दूँगी। क्या कोई नेता अपने पुत्र को भेज सकता है उस सरहद पर ?

भारत यह अतुल्य शब्द है। प्राचीन भारत में लगभग चीन का आधा हिस्सा, पाकिस्तान, इंडोनेशिया, श्रीलंका, अफगानिस्तान, रूस तथा अरब के कई अन्य देश सम्मिलित थे। सन १८०० तक भारत एक दुनियाँ का सबसे महान देश था। यह बात हर कोई इतिहासकार मानता है। लेकिन इन कुछ २०० सालों में किसने मेरे देश को लूटा ? यहां तक की ३००० साल पहले हमारे संस्कृत भाषा में कई बार हृदय इस शब्द का वर्णन किया गया है। लेकिन कुछ सालो पहले पश्चिमी देशों ने न जाने किन सक्तों के आधार पर यह दावा किया की हृदय की संरचना यह उनकी खोज है।

आखिर हमारी सरकार क्यों नहीं हमारे गौरवशाली इतिहास को इतिहास विषय में पढ़ाती, अब तक हम क्यों उन विद्वानों के द्वारा दिए गए ज्ञान का रटा मार रहे हैं। हमें हमारे विद्वानों की शिक्षा चाहिए। हमारा भारत महान था, महान है और महान रहेगा।

आज हर एक भारतीय किसी ना किसी पार्टी का एजेंट बन गया है। मेरी भारत माँ को किसी एजेंट की जरूरत नहीं, उसे देशभक्त की जरूरत है। मेरे देश के युवाओं उठो और फीर से लोका बनाने में कुरबान हो जाओ। **जय हिन्द।**

सरस्वती वंदना

हे! हंसवाहिनी माँ, हे! वीणावादिनी माँ
कुछ चमत्कार कर दो, झोली यश से भर दो।
ज्ञानी, ध्यानी, योगी, सबकी पूर्ति होगी
गाऊँ नूतन नव गीत, कंठों में स्वर भर दो।। हे! हंसवाहिनी
हम तेरे पुजारी हैं, चौखट के भिखारी हैं
निर्मल पवित्र वर दो, सदबुद्धि से भर दो।। हे! हंसवाहिनी
स्मरणशक्ति स्फूर्ति, कर्मदत्ता की कीर्ति
माँ ऐसा कुछ कर दो, आळस्य दूर कर दो।। हे! हंसवाहिनी
काम, क्रोध, मद, लोभ, तन, मन से जाए क्षोभ
साहस से निडर कर दो, संयम के पर भर दो।। हे! हंसवाहिनी
राग-द्वेष ईर्ष्या, बड़बोलापन मिथ्या
बस भावपूर्ण घर दो, जीवन ही सरस कर दो।। हे! हंसवाहिनी

बाढ़ एक राष्ट्रीय समस्या

(i) प्रस्तावना (ii) बाढ़की विनाशलीला। (iii) बाढ़से राष्ट्रीय समस्या। (iv) बाढ़के कारण। (v) सरकार द्वारा राहत कार्य। (vi) इसका निराकरण (खतम) स्वयं करना। (vii) संहार।

बाढ़ एक प्राकृतिक आपदा है। बाढ़का आवागमन नदीयाँ तलाबों में पानी भर जाना, बाँध टूट जाना, बादलों का फट जाना आदि क्रियाएँ होने पर बाढ़का आवागमन होता है।

“मनुष्य पहुँचाए प्राकृतिक को हानि तो प्राकृतिक पहुँचाए दुनिया को हानि।”

आज आधुनिक संसार में अब तो बाढ़, भूकंप, सुनामी जैसी प्राकृतिक आपदाओं का काफी आवागमन होने लगा है। बाढ़आने से बहुत बड़ी भयंकर विनाशलीला देखने को मिलती है। बाढ़के कारण नदियाँ, तलाबों व नहरों में पानी भर जाता है और धीरे-धीरे वे नदियों के समीप नगरों, कस्बों, झोपड़ीयों को अपने साथ ले बह जाता है। और भारी मात्रा में युवा, स्त्रियों व बच्चे भी इस प्राकृतिक आपदा का शिकार बन जाते हैं। तो यही कहाँ गया है कि अगर मनुष्य प्राकृतिक को नुकसान पहुँचायेगा तो प्राकृतिक भी उसे भी वही नुकसान पहुँचाएगी।

“बबुल बोओगे तो आम कहाँ से पाओगे।”

यहाँ पर इस मुहावरे का अगर हम बाँधसे तुलना करे तो यह होगा कि अगर तुम प्राकृतिक को नुकसान पहुँचाओगे तो प्राकृतिक भी पलट कर तुम्हें वही देगी।

आजकल मानव विज्ञान की दुनिया में दौड़ रहा है। इतनी भागती-दौड़ती दुनिया में लोगों को लज्दी-जल्दी उत्पादन एवं सुविधाएँ चाहिए। ये सुविधाएँ पाने के लिए मनुष्य धीरे धीरे प्राकृतिक चीजों का नाश करता जा

रहा है। बढ़ती जनसंख्या के कारण मनुष्य पेड़ों की कटाई करते जा रहा है। जिससे प्रदूषण हो रहा है और ओजोन परत में द्वित हो रहे हैं। जिससे परबैगनी सूर्य की किरणें धरती पर आ सकती हैं। और बाढ़जैसी भयानक प्राकृतिक आपदाओं का आवागमन निश्चित ही होना है।

बाढ़के कारण कई राष्ट्रीय समस्या उत्पन्न हो रही है। बाढ़के कारण कई नगरों, कस्बों, जिल्लों आदि बह जा रहे हैं। बाँध टूटना, पूल टूटना, ईमारत टूटना, एवं जनसंख्याओं की मृत्यु आदि के कारण जनधन की बड़ी मात्रा में हानि हो रही है। अभी हम कुछ बाँधसे संबंधित चर्चा करें। २६ जुलाई को भी भारी मात्रा में बाढ़आयी थी। जिससे कई नगर उजड़ गये थे। सबसे बड़ी राष्ट्रीय समस्या यह है कि, बड़ी मात्रा में हमारे राष्ट्र के भविष्य उजड़ रहे हैं। अर्थात्, छोटे बच्चों का विनाश कल के हमारे नेता। हाल ही की बात १६ जून उत्तराखंड में हुए बाँधकी विनाशलीला को देखकर लोगों के दिल में दहशत पैदा हो गई और राष्ट्रीय जन-धन की बड़ी मात्रा में हानि हुई। कई परिवार उजड़ गये। बाँधग्रस्त लोगों के लिए सरकार द्वारा राहतकार्य किये जा रहे हैं। सरकार द्वारा लोगों तक अन्न, पानी, वस्तु आदि वायुयान द्वारा लोगों तक पहुँचाया जा रहा है। बाढ़ग्रस्त होने के कारण उन पर औषधिक उपचार भी उपलब्ध करवाए जा रहे हैं।

“प्राकृतिक संतुलन बनाए रखें बाढ़जैसे विनाश लीलाओं से लोगों को बचाए रखें।”

प्राकृतिक संतुलन बनाए रखने से हम प्राकृतिक आपदाओं के शिकार नहीं बन सकते। इसका निराकरण हमें स्वयं करना होगा। सर्वप्रथम हमें पेड़ों की कटाई को बंद करना होगा। हर चीज वैज्ञानिक तरीके से नहीं अच्छी लगती, कुछ चीजों में केवल प्राकृतिक गुणों की ही जरूरत होती है। जैसे- फल, फूल, सूर्य, चंद्रमा इत्यादि। चाहे कुछ भी हो जाए परंतु प्राकृतिक चीजों का अंदाज वैज्ञानिक चीजों के अंदाज से ज्यादा निराला होता है।

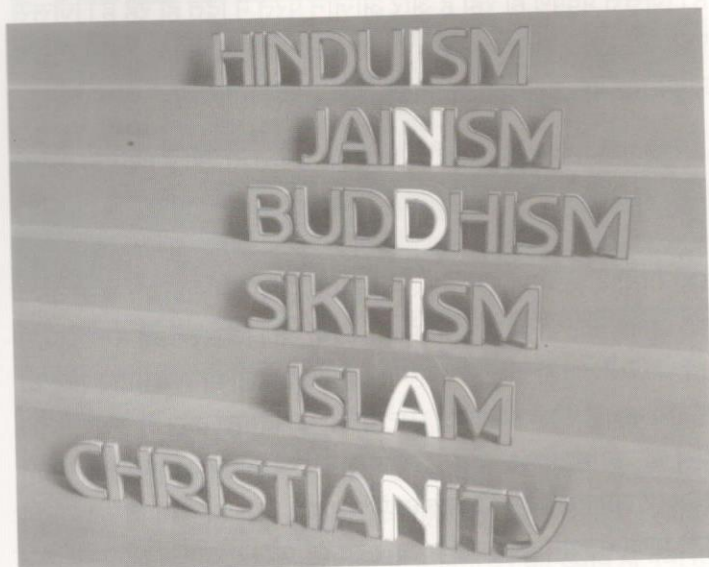

अगर प्राकृतिक संतुलन बराबर रहा तो निश्चित ही यह दुनिया वापस से स्वस्थ तंदुरस्त और प्राकृतिक आपदाओं से मुक्त हो जाएगी।

“प्राकृतिक बहुत सुंदर चीज़ है, उससे खिलवाड़ न करें।”

सर्व धर्म एक समान

सर्व धर्म एक समान है यह बात सच है, हमारे देश में विभिन्न प्रकार के अलग - अलग धर्म हैं तथा हमारे देश में कोई हिन्दु, मुस्लिम, ईसाई, सिख यह सभी अलग-अलग प्रकार के धर्म एक समान हैं लेकिन, कुछ लोग हमारे देश में अलग - अलग धर्मों को नहीं मानते हैं।

धर्म के नाम पर इस तरह दंगे फसाद यह सामान्य बात है। कभी कभी मामूली बात को लेकर इस तरह तूफान खड़ा होता है, ऐसी घटनाओं के धार्मिक जैसे एक और विभिन्न कट्टरवादी राष्ट्र तथा राजनीतिक घटनाएँ हैं। इस राजनीतिक राष्ट्र के दंगे को हवा में लेकर रोटियाँ सेकते हैं।

इस संसार में कही राजनीतिक में दंगे या फसाद होने पर कई स्त्रियाँ विधवा और बच्चे अनाथ हो जाते हैं, लेकिन राजनीतिक के देश को इन लोगों के प्रति थोड़ी सी भी दया नहीं है। जहाँ भी जाऊ विरता नजर आए।। खून में डूबा हुआ मैदान नजर आए।। कैसा वक्त है जो दिन के उजाले में भी नहीं इन्सान को इन्सान नजर आए।। अकेले धार्मिक देश का जितना भी नुकसान हुआ है, वो किसी अन्य कारण हुआ है।

मुहब्बद इकबाल का कथन 'मजहब नहीं सिखात बैर रखत' मुहब्बद मजहब प्यार करता है और प्रेम करना सिखाता है। अमर-चैन तथा भाईचारे में विश्वास रखने वाले हैं। तो इस देश में धर्म के नाम पर लड़ाई - झगडा तथा दंगे - फसाद किस लिए हैं।

इस संसार में हम जब तक दुसरे का आदर सम्मान नहीं करेंगे तब तक हम अपने आप का आदर रखना नहीं सीखेंगे. ईसाई धर्म का कथन है कि तुम अपने पड़ोसी को मान सम्मान और प्यार तथा धर्म समान मानोगे

तब तक तुम अपने धर्म कि इज्जत करना सीखोगें।

कुरान का यही कहना है कि क्या तुम उससे प्यार करते हो जिसने तुम्हे पैदा किया है, पहले तुम उससे प्यार करो तुम्हारे साथी और तुम्हारे दोस्त हैं। यदि सभी धर्म समान हैं तथा एक ही राष्ट्रध्वज, एक राष्ट्र, एक खानपान, एक वेशभूषा है तो इस का सम्मान को और अलग - अलग धर्मों को नहीं मानो।

इसी तरह स्वामीजी ने अपनी छोटी उम्र में अपने गुरु रामकृष्ण मिशन से यह सीख लिथी की सभी धर्म समान हैं, स्वामी जी देश के किसी भी आंतरिक भाग गई तो उन्होंने देशसेवा, मानवसेवा कोही धर्म मानकर चले थे।

अपना और तुम्हारा करने पर धर्म नहीं होता है। सर्वधामधर्म एक विशिष्ट और आर्थिक धर्म है, निरपेक्षरता धर्म लोगो को आदर और सम्मान करता है। अपने धर्मों को मानकर और दुसरे के धर्मों को भी मानना चाहिए।

सर्व धर्म समान है यह सच है अगर हमारे देश के सारे धर्म तथा सारे लोग इकट्ठा होंगे तो अपने देश तथा भारत को बहुत सम्मान मिलेगा। हमारा देश और हमारे देश के लोग हमारी भारत माता को सलाम करते हैं।

हमारे देश में ईश्वर के रूपी मे बहुत सी चर्चा की जाती है। कोई कहता है कि धर्म में तथा हमारे धर्म में इस ईश्वर को माना जाता है तथा कोई व्यक्ति कहता है कि हमारे इस ईश्वर को सम्मान दिया जाता है। सच तो यही है की जिस तरह धर्म समान उसी तरह ईश्वर एक ही है भले ईश्वर के अनेक प्रकार के अलग-अलग रूप हैं।

हमारा देश विशाल है, अनेकता एक हमारी विशेषता है। सर्वधर्म समभाव ही हमारी ऐसी विशेषता है कि कोई हमारी हस्ती मिटा नहीं सकता है।

हमें ईश्वर से यही कामना है कि हमारे देश एक है तथा हमारा धर्म भी एक समान हो।

मनीषाकुमारी सुथार
एफ.वाय.जे.सी.

भारतीय संस्कृति के समर्थक

वे भारतीय संस्कृति के घोर समर्थक हैं। शहर का बच्चा-बच्चा उन्हें महान धार्मिक और परोपकारी के रूप में जानता मानता है। नगरवासियों से चंदा इकट्ठा कर उन्होंने एक भव्य मंदिर का निर्माण करवाया है और सुबह-शाम मंदिर में बैठकर वे तन्मय होकर पूजा-अर्चना करते देखे जाते हैं। उनकी मान्यता है कि इस असार-संसार में जो कुछ भी घटता है, उसके पीछे भगवान होते हैं। शासकीय भूमि पर उनके द्वारा बनवाये गए मंदिर के संबंध में किसकी मजाल है जो इस पर आपत्ति कर सके। शासन और सरकार के प्रतिनिधि स्वयं वहाँ आकर नतमस्तक होते हैं।

जब भी कोई प्राकृतिक आपदा आती है, वे अखण्ड कीर्तन और हवन होते देखकर प्रसन्न होता है। विगत वर्षों में जब सुनामी का कहर आया तो उन्होंने हवन कर भगवान को प्रसन्न किया। हवन करने में उन्हें विशेष कठिनाई नहीं होती। धर्म परायण जनता से चंदा लिया, काला बाजारी करने वाले व्यापारियों से दो चार किंवदंतल शुद्ध घी, तिल, चावल आदि लिया, अपने स्थायी पंडित को बुलवाया, माइक लगवाया और 'स्वाहा-स्वाहा' की धुन पर हवन करवा लिया।

उनके कुछ आलोचकों का कहना है कि उन्होंने जीवन भर कोई काम नहीं किया। मंदिर, हवन, भजन, कीर्तन, अखण्ड रामायण वगैरह करते रहे और अच्छी खासी संपत्ति के स्वामी बन चुके हैं। वे बेहद परोपकारी भी होते हैं। स्टेशन, बस स्टैंड, मंदिरों के सामने जो निर्धन, असहाय लोग पड़े रहते हैं उन्हें वे वर्ष में एक दो बार भण्डारे में डालडा की पूड़ी, कुम्हड़ा की सब्जी और बूंदी की मिठाई जरूर खिलाते हैं और वाहवाही लुटते हैं। आलोचक कहते हैं, जितना खर्च वे एक हवन या त्योहारों पर किए जाने वाले पूजन पर करते हैं, उतनी राशि में शहर के भिखारियों को वर्ष भर के लिए रोटी कपड़ा और मकान की व्यवस्था की

जा सकती है। इसका सीधा उत्तर वे इस तरह देते हैं कि निर्धन और धनवान तो ईश्वर ने बनाए हैं। होनी को भला कौन टाल सकता है? ईश्वर की इच्छा यही होगी कि वे निर्धनता का जीवन व्यतीत करें, आधा पेट खाकर रहें, खुले आसमान के नीचे रहें, जीवन की यही नियति मानकर अचानक किसी भी दिन इस संसार से विदा लेकर चले जाएँ।

एक बार उनके आलोचकों ने उनसे पूछ लिया यह जो बड़े मेलो या हज यात्रा में भगदड़ मचने से लोगों की मृत्यु हो जाती है, उसका क्या कारण है? भक्तगण तो पूजा या हाजी तो खुदा की इबादत करने ही गए थे।

प्रश्न सुनकर वे हस पड़े बोलें तुम जैसे नास्तिक लोगों के कारण देश में अधर्म, भ्रष्टाचार, अनाचार, बलात्कार, महंगाई, बेकारी आदि बढ़ी है.... अरे! सीधी सी बात भगवान ऐसे लोगों को जो उनके दरबार में आते हैं उन्हें सीधे स्वर्ग भेज देते हैं... पर तुम्हारी समझ में यह बात नहीं आएगी! वे रबड़ी, मलाई, फल, शहद लेते हुए आते हैं और माइक पर भक्तों को उपदेश देते हैं, जीवन सफल बनाना है तो भगवान की भक्ति करो, हवन, पूजन, अर्चना में समय लगाओ इसी में जीवन की सार्थकता है, अन्यथा यह शरीर तो नश्वर है। एक दिन मिट्टी में मिल जाएगा। सफल जीवन के लिए हवन हेतु धन का सहयोग दो! इसी में तुम्हारे पापों का अंत होगा! ईश्वर तुम पर प्रसन्न होंगे!

इस तरह के प्रवचन, उपदेश, भक्ति की शिक्षा मैं कई बार सुन चुकी हूँ! दूरदर्शन पर किसी खास चैनलों पर रोज ही सुनती हूँ। सोचती हूँ बिना परिश्रम किये, बिना सामाजिक दायित्व पूरा किये यदि ईश्वर प्रसन्न होता है, तो मैं भी ऐसी धर्म की दुकान खोलने के लिए तैयार हूँ।

कुर्सी वालो की शान कितनी है।

मुँह में लम्बी जुबान कितनी है, कुर्सी वालों की शान कितनी है!
झूठ को कहते सब बुरा लेकिन, झूठ की आन बान कितनी है!
जा के देखा तो रेत के घर है, दूर से उनकी शान कितनी है!
कितना कच्चा है सांस का धागा, फिर भी ध्वाती उतान कितनी है!
बारह पूछती हैं मँहगाई, जिंदा लोगों में जान कितनी है!
एक हिचकी में सारे दर्द मिटे, मौत तू महेरबान कितनी है!

-पूजा रत्नेश दूबे
एफ.वाय.जे.सी.

गप्प (एक जेबकतरे का इंटरव्यू)

- प्रश्न: तुम्हारा नाम ?
 उत्तर: वैसे तो मल्लू है पर धंधेमें मैं गोरखपुर में 'काला पहाड' व देवरिया में 'सुनहरी नागिन' के नाम से जाना जाता हूँ।
 प्रश्न: परिवार के और लोग ?
 उत्तर: पिताजी सेंघ फोड़ते थे, एक घर में सेंघ फोड़ते समय खुद ही फोड़ दिये गये। एक भाई रेल में जहर खुरानी करता है, दूसरा नोट दूना करता है, छोटा सोने की गुल्ली का काम करता है। भगवान की कृपा से सब कमा-खा रहे हैं और तो और यहाँ के इंस्पेक्टर साहब मेरे 'मौसेरे भाई' है।
 प्रश्न: तुम्हारा आदर्श व्यक्ति ?
 उत्तर: वित्त मंत्री यशवंत सिन्हा।
 प्रश्न: कभी पकड़े गये ?
 उत्तर: हाँ, कई बार, जब पहली बार मुझे पुलिस पकड़ कर जा रही थी तो मैं खुब हँस रहा था क्योंकि मैं जीप में पहली बार बैठा था।
 प्रश्न: सबसे बड़ा कारनामा ?
 उत्तर: जब मैंने रक्षा मंत्री की जेब मारी थी।
 प्रश्न: कोई बुरा अनुभव ?
 उत्तर: हाँ, मैंने एक बार एक जंगली की जेब में हाथ डाला था, जेब में बिच्छु रखे थे।
 प्रश्न: कौन सा त्यौहार पसंद है ?
 उत्तर: होली क्यों कि इसमें रंग पोतकर गले मिलने के बहाने खूब झमाझम जेबें मारी जाती हैं।
 प्रश्न: कब गुस्सा आया ?
 उत्तर: जब किसी अंधे ने मेरी ही जेब मार दी थी।
 प्रश्न: क्या नापसंद है ?
 उत्तर: ठंड का मौसम, इसमें सारे लोगों के हाथ जेबों में रहते हैं, बड़ी दिक्कत होती है।
 प्रश्न: कोई सपना।
 उत्तर: मैं बराक हुसैन ओबामा की जेब मारना चाहता हूँ।
 प्रश्न: कोई वाक्या ?
 उत्तर: गोरखपुर से ट्रेन में चढ़े एक साहब रास्ते भर लोगों को समझाते गये कि पैसा यहाँ रखना चाहिए, बड़े चाई घूमते हैं, इस-इस तरीके से जेब मारते हैं, वगैरह-वगैरह। लखनऊ तक जाते-जाते मैंने उन्हीं की जेब मार दी थी।
 प्रश्न: कहाँ मिलते हो ?
 उत्तर: रेलवे स्टेशन, बस स्टेशन जैसी भीड़-भाड़ वाली जगह में हर

पाँचवा आदमी अपना ही होता है।

प्रश्न: साईड में और कोई काम ?

उत्तर: अक्सर मैं ट्रेन में चढ़कर कुली से बोल देता हूँ कि ये, ये और वो वाला सुटकेस ले आओ और खुद आगे निकलकर उसे ताड़ता (देखता) रहता हूँ, अगर ले आया तो वाह-वाह नहीं तो मैं खिसक जाता हूँ, पिटता कुली है।

प्रश्न: आगे क्या इरादा है ?

उत्तर: वही, चुनाव लड़ूंगा, मंत्री-शंत्री बनूंगा।

अच्छा अब चलता हूँ सा'ब 'वैशाली' आ गयी। नमस्ते नमस्ते नमस्ते कहकर मैं लौटा ओर पाया मेरी ही जेब मार दी गयी है।

माँ-बाप को भूलना नहीं

भूलो सभी को मगर मा-बाप को भूलना नहीं।
 उपकार अगणित हैं, उनके इस बात को भूलना नहीं।।
 पत्थर पूजे कई, तुम्हारे जन्म के खातिर अरे।
 पत्थर बन माँ-बाप का दिल कभी कुचलना नहीं।।
 मुख का निवाला दे अरे, जिनने तुम्हें बड़ा किया।
 अमृत पिलाया तुमको, जहर उनके लिए उगलना नहीं।।
 कितने लड़ाये लाड़ सब अरमान भी पूरे किये।
 पूरे करे अरमान उनके, बात यह भूलना नहीं।।
 लाखों कमाते हो भले, माँ बाप से ज्यादा नहीं।।
 सेवा बिना सब शख है, मदद में कभी भूलना नहीं।।
 सन्तान से सेवा चाहो, सन्तान बन सेवा करो।
 जैसी करनी वैसी भरनी, न्याय यह भूलना नहीं।।
 सोकर स्वयं गीले में, सुलाया तुम्हें सुखी जगह।
 माँ की अमीमय आँखों को, भूलकर कभी भिगोना नहीं।।
 जिसने बिछाये फूल थे, हर दम तुम्हारी राहों में।
 उस राहबर के राह में काँटे कभी बनना नहीं।।
 धन तो मिल जायेगा मगर माँ-बाप क्या मिल पाएँगे।।
 पल पल पावन उन चरण की चाह कभी भूलना नहीं।।

इण्डिया इज ग्रेट

उन्होने मंच से जैसे ही
गर्म जोश के साथ नारे लगाये-

इण्डिया इज द ग्रेट,

इण्डिया इज द ग्रेट चिलाए

तभी पास के बस्ती के कुछ शरीफ लोग

पेट बजाते हुए दौड़ते आये

बोले - बाबू जी

महले पेट की भूख

मिटाने के लिए दिजिए

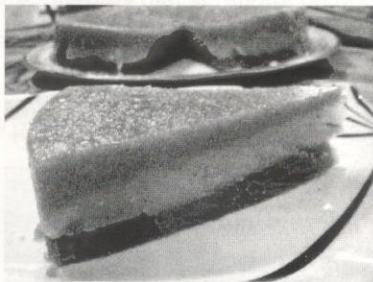

बिस्कुट ब्रेड...

फिर हम भी आप के

संग कहेगें

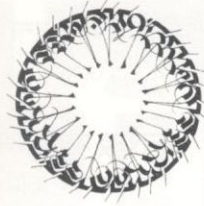

इण्डिया इज द ग्रेट

इण्डिया इज द ग्रेड!!!

मंत्रो का चमत्कार

मैंने कहा - पंडितजी,

एक प्रश्न का उत्तर बताइये, पहेली गंभीर हैं, जरा सुलझाइये-
शादी के पहले बड़ी विनम्र और सुशील सी लगने वाली गाय,
अचानक शादी के बाद शेरनी कैसे हो जाती है ?

उसकी ममता कहाँ खो जाती हैं,

वह इतनी हिंसक कैसे हो जाती हैं,

गुराती, गुराती और सिर्फ गुराती हैं,

आँखों से वो दहशत पैदा कर जाती हैं।

पंडितजी बोले- अरे... बेटा शादी में पढ़े जाते हैं मंत्र

मंत्रों में होती है शक्ति, ये शक्ति का ही है चमत्कार,

कि गाय हो जाती है शेरनी और ये शेर हो जाता है उसका शिकार।

मैंने कहा पंडितजी कुछ सपने तो हमने भी बुने थे।

बैड बाजा, लाइट-वाइट हमी ने चुने थे।

शादी में तो मंत्र हमने भी सुने थे।

पंडितजी बोले- बेटा, मंत्रों से जिस तरह गाय हो जाती है शेरनी

उसी तरह ये शेर भी हो जाता है बैल।

जिंदगी के तमाम क्षेत्रों में हो जाता है फेल।

सास-ससुर, साला-साली, साढ़ू-साढ़ूवाहन

इन्हीं संबंधों से झूल जाता हैं,

और माँ-बाप, भाई-बहन तक को भूल जाता हैं।

- आरती लक्ष्मीनारायण गुप्ता
एफ.वाय.जे.सी.

गुजरा जमाना...

सावली सुंदर सलोनी सी लड़की, नीम दरख्त के पीछे की खिड़की

आम की साखें और बरगद की डाली नीम के पत्ते और मिट्टी की प्याली,

देख के मुझको उसका मुस्कराना, दांतों से अपने होठ दबाना,

दुपट्टे के छोर से उँगली फिराना, चुपके से मेरे ख्यालों में आना,

भरी दुपहरो में छत पे वो आना, भिगो कर बालों को फिर से सुखाना,

बाल बनाने को खिड़की पे आना, करूं जो इशारे तो मुँह का बनाना,
चाँदनी रात में बागों में जाना, छिपछिप के उसका मिलने को आना,
पूनम की रात में तारों का गिनना, बंद करके आँखे उसकी बातों को सुनना,
उसकी गली से चक्कर लगाना... बहुत याद आता है वो गुजरा जमाना...

- नरेन्द्र प्रजापति
टी.वाय.बी.कॉम.

बालिकाओं की शिक्षा ही देश की सामाजिक, आर्थिक समस्याओं के समाधानों का रास्ता है।

आज की भारतीय नारी अपनी एक अलग पहचान बनाने में सफल हो पाई है। इस कार्य के लिए उसने वर्षों मेहनत की तथा आज वह इस मुकाम पर है कि प्रत्येक क्षेत्र में उसे पुरुषों के समान अधिकार प्राप्त है तथा वह पुरुषों के साथ कन्धे-से-कन्धा मिलाकर चल रही है। आज की नारी हर जगह पुरुषों से आगे स्थान प्राप्त करती है। संयुक्त राष्ट्र संघ ने १९७५ को अन्तर्राष्ट्रीय महिला वर्ष घोषित किया था।

कहते हैं कि जब एक लड़की पढ़ती है तो पूरा परिवार शिक्षित होता है। वह इसलिए क्योंकि औरत के हाथों ही परिवार की नींव रखी जाती है। एक पढ़ी-लिखी नारी ही अपने परिवार का भविष्य सवार सकती है क्योंकि उससे ही परिवार की नींव मजबूत होती है। वो अपने हाथों से अपने बच्चों का भविष्य उज्ज्वल करती है और यही बच्चे आगे चलकर भारत का भविष्य बनते हैं।

सही मायने में धन उसका उच्च करना जानती वे खर्च का जानती है। यदी सभी नारियाँ इस प्रकार अपने

व्यवस्था को संभाले तब जाके हमारे देश की आर्थिक व्यवस्था में सुधार होगा अन्यथा तब हमारा देश 'सुपर पावर' कहलाएगा। एक नारी अगर शिक्षित होगी तो वह अपने बच्चों को उच्च शिक्षण प्राप्त करवाएगी। शिक्षित होने पर एक नारी ना-बालिक उम्र में ब्याह नहीं करेगी और किसी प्रकार का दहेज भी नहीं देगी। उसे अपने पति पर हर बात के लिए निर्भर नहीं होना पड़ेगा। वह अपने निर्णय स्वयं ले पाएगी। वह दूसरी और अगर

एक शिक्षित नारी का बचत करके तरीके से निवेश है। वह अपने घर नियंत्रण करना हमारे देश की शिक्षित होकर घर के आर्थिक

एक नारी शिक्षित नहीं होगी तो वह अपने बच्चों को भी सही ढंग से शिक्षा पूरा नहीं कर पाएगी। उसे हमेशा अपने पति पर निर्भर होना पड़ेगा और स्वयं निर्णय नहीं ले पाएगी। अशिक्षित होने के कारण नारी कई प्रकार के अत्याचारों का शिकार बन जाती है। मगर शिक्षित होने से एक नारी स्वयं को तथा समाज के अन्य नारियों को ऐसे होने वाले

अत्याचारों के खिलाफ आवाज़ उठाने की हिम्मत देती है। अपने देश को हम भारत माता के इन्ही बेटियों को शिक्षण नहीं दिलवाएँगे तो कहाँ से होगा परिवर्तन? कहाँ से होगी देश की तरक्की? भारत का भविष्य इन्हीं के हाथों में लिखा है। तो क्यों हम इनके हाथों में चूले-चौके की बेड़िया डाले? और नाकी कलम थमाकर देश की तरक्की लिखवाए। अंत में मैं बस यही कहना चाहूँगी-

“जन गण मन अधिनायक जय है भारत-भाग्यविधाता।”

क्या है यह भारत भाग्यविधाता? वह बस यही है कि:- लक्ष्मी ने तलवार उठाई बनी रानी लक्ष्मी बाई तो भारत को आजादी दिलवाई।

कल्पना ने भरी उड़ान तो एस्ट्रोनाट कहलाई आने वाली पिढ़ियों की जीवन में हो चढ़ाई इसिलिए नारी को जरूरी है पढ़ाई

इसी में है देश की भलाई इसी में है देश की भलाई।

-चरित्रा माल्या

दीवार

देश की आजादी के लिए रामप्रसाद और अशफाक उल्ला

एक साथ शहीद हुए थे तब उनकी एक जमात थी

उनकी जात शहीदों की जात थी।

आजाद उनका धर्म था कुर्बानी उनका धर्म था।

दोनों वन्दे मातरम् गाते थे जयहिन्द का नारा लगाते थे

दोनों त्याग एकता की कहानी थे जब तक जिये देशभक्त दिनदुस्तानी थे।

लेकिन उनके मरने पर हमने एक दीवार खड़ी करवा दी

एक के लिए समाधि दूसरे के लिए मजार बनवा दी।

तब से कोई हिन्दू, कोई मुस्लमान हो गया

और देखते ही देखते सारा हिन्दुस्तान लहलुहान हो गया।

मुलीचे शिक्षण- समाजाच्या सर्व प्रश्नांवर उत्तर

'Everything is Possible'

असं नेपोलियन म्हणायचा आणि आजच्या काळात मानवाने ते सिद्ध देखील केलंय परंतु काही बाबतीत मात्र तो झोपलेल्या सशाप्रमाणे मागेच आहे. त्याला वाटत असावं कासवाच्या चाली प्रमाणे असणाऱ्या मुली (आता नाही होत्या) काय करणार आहेत पुढे जाऊन... ? पण त्याच्या हे लक्षात नसावे की... या मंद चालीने कासवाने शर्यत जिंकली होती परंतु कासवाप्रमाणे मंद चालणाऱ्या मुली नाही हे त्यांनी सिद्ध केलंय सृष्टिकर्त्या ब्रम्हदेवाने जेव्हा जग निर्माण केले तेव्हा त्याने स्त्री ला सर्वप्रथम बनविले असावे का... ? तर मनुष्याच्या दुःखावर मायेची फुंकर घालण्यासाठी.

'भारत हे विविधतेचे सप्तरंगी कमलपुष्प' असं सानेगुरुजीनी म्हटलंय. परंतु मी म्हणेन,

“जर जग हे विविधरंगी पाकळ्यांचे कमलपुष्प असेल तर स्त्री ही त्यातील परागकणां प्रमाणे आहे.” कारण प्रत्येकाला तिच्या उदरातुनच आयुष्य लाभत असतं परंतु या स्त्रियांना पूर्वी उंबऱ्याबाहेर पडायला देखील मुभा नव्हती.

‘रांधा, वाढा, उष्टी काढा हेच कपाळावर गोंदण
राबव्याचा गाव तिला लग्नात मिळाला आंदण.’

असं होतं पूर्वी स्त्री चं आयुष्य. झाशीची राणी लक्ष्मीबाई ही अठरा वर्षांची असतानाच तिचा पति मरण पावला म्हणजे ज्या वयात आजच्या मुलीची कळी शिक्षणाची फुंकर घालून हळुवार फुलवली जाते त्या काळात त्या मुलीने संसाराचा जळता वणवा सहन केला असेल.

आज मुलीचे शिक्षण नाकारले जाते... का ? तर मुलगी म्हणजे ‘परकीयाचे धन’ आपण घेतलेले कर्ज जणू की जे कधीतरी आपल्या हातून निघून जाते.

अहो,

‘मुलगी शिकली प्रगती झाली’

असं रिश्काच्या मागे लिहून चालत नाही उलट त्या रिश्काचालकांच्या

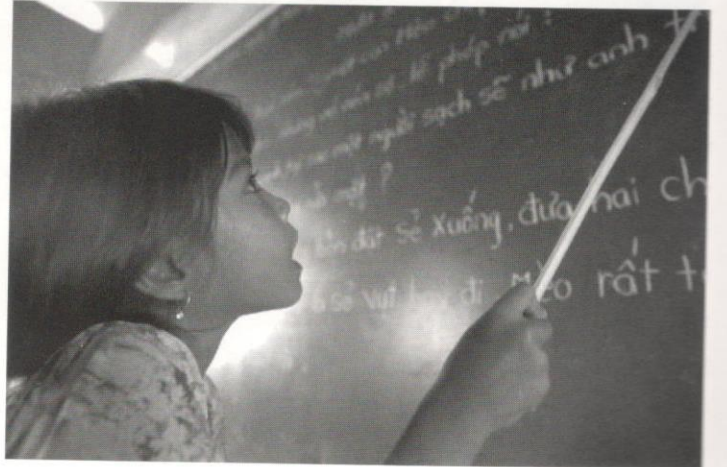

मुलीच अशिक्षित असतात परंतु जर आजचा समाज पाहिला तर तो मुलीनीच पुढे नेला आहे.

‘पंचाहत्तर वर्षांच्या आजीने संगणकावर स्वतः पुस्तकाची संहिता तयार केली. ही बातमी वाचून समजेल मुलीनी प्रगती करत किती लांबचा पल्ला गाठलाय.

आजच्या प्रत्येक क्षेत्रात स्त्री दिसून येते. आर्थिक, सामाजिक, कृषी, चित्रपट, नृत्य, शैक्षणिक व राजकारणात देखील. स्त्री ही समाजाचा अविभाज्य घटक असते. ती इंग्लंडची पंतप्रधान बनू शकते, मुंबईची लोकल चालवते, अंतराळाची सफर करते, नवऱ्याने दूर लोटल्यावर घराचा कारभार पाहते. कोणत्याही क्षेत्रात स्त्री मागे राहिलेली नाही.

समजा, एक दिवस संपूर्ण क्षेत्रातील स्त्रियांनी संप पुकारला तर... ? राजकीय, क्रीडा, आर्थिक सर्वच ठप्प पडेल... ! जर स्त्री ही परातील घरात व्यवहार व्यवस्थितपणे संभाळू शकते तर मग देशाचे का नाही... !

‘करिष्ये वचनं तवं’ या गीतेतील ओळी प्रमाणे स्त्री आपली भूमिका चोखपणे बजावत आहे. जणू काही तिने सृष्टीकर्त्याला सांगितलंय... तुमच्या शब्दाप्रमाणे वागेन.

आज स्त्रीच्या शिक्षणात समाजाने अनेक अडथळे निर्माण केले मानसिक त्रास दिला बंधन टाकली तरीही ती खंबीरपणे उभी राहून कोणालाही न जुमानता शिक्षण घेत राहिली. जीवनात मिळालेल्या शिक्षणाला म्हणजेच या कोंदणाला तिने टिकवून ठेवले.

‘जीवनास परिपूर्ण शिक्षण असे कोंदण’ या प्रमाणे वैयक्तिक महत्त्वाकांशा न बाळगता तिने समाजाची धुरा सांभळलीय बहिणीबाई चौधरी सारख्या स्त्रियांनी न शिकता इतका लौकिक मिळवला तर शिक्षण घेतल्यावर देश उच्च स्थानावर नाही का पोहचणार...

म्हणूनच मुलीना शिक्षण हे दिलेच पाहिजे तरच आपला देश सुजलाम

- सुफलाम होईल. महिला सशक्तीकरण झालेच पाहिजे.

आज स्त्रियांनी प्रगती केलीय कारण त्यांनाही ह्या 'ग्लोबल जगात' आपले अस्तित्व निर्माण करायचे आहे. त्यांनाही देशाच्या विकासात आपला सहभाग वाढवायचा आहे. असं म्हणतात, भारत विकसनशील देश आहे परंतु मी तर म्हणेन भारत हा विकसित देश आहे पण केव्हा जेव्हा

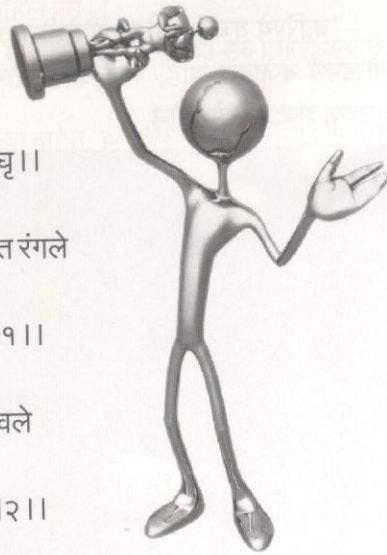

मुलींना शिक्षण मिळेल व त्यांच्या हक्क मिळेल. कारण...
जमिनीचा कढ सोसुन बाई आभाळ पेलते

देहाचा व शिक्षणाचा खांब करून
ती समाजाला सावरते...!

- सुरक्षा सुरेश लाड
एस.वाय.जे.सी.

यशाचे चांदणे

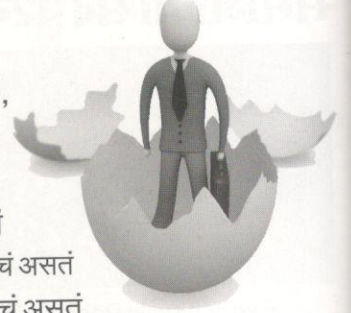

चांदणे मधूर डोळ्यांत टिपले
डोळ्यांत यशाचे स्वप्न रंगले ॥१॥
तेजाकडे पाहणारे ते गोडहासारे
लाजलाजोरे चंद्र माझ्या डोळ्यात रंगले
मेहनत ही यशाची पायरी
चांदणे मधूर डोळ्यांत टिपले ॥१॥
रात्र अंधारी सभोवती
रसरसत्या मुढावरी रोढय सामावले
मनात आहे विश्वास द्रौढ
चांदणे मधूर डोळ्यांत टिपले ॥२॥
स्वप्नात यशाची अनेक शिखरे
जीवनात मात्र अनेक संकटे
चांदणे संगती घाबरू नको
चांदणे मधूर डोळ्यांत टिपले ॥३॥
घाबरून जाऊ नको मना
यशाचे शिखर जरी मोठे
परंतु तुझ्याकडे ध्येय अपार
चांदणे मधूर डोळ्यांत टिपले ॥४॥

-दिप्ती दिनेश कदम
एफ.वाय.बी.कॉम.

आयुष्य असंच जगायचं असतं...

जे घडेल ते सहन करायचं असतं
बदलल्या जगाबरोबर बदलायचं असतं,
आयुष्य असंच जगायचं असतं,
कुठून सुरू झालं हे माहीत नसलं
तरी कुठे थांबवायचं हे ठरवायचं असतं
कुणासाठी काहीतरी निःस्वार्थपणे करायचं असतं
स्वतःच्या सुखापेक्षा इतरांना सुखवायचं असतं
दुःख आणि अश्रूंना मनात कोंडून ठेवायचं असतं
हसता आलं नाही तरी हसवायचं असतं
पंखामध्ये बळ आल्यावर घरटं सोडायचं असतं
आकाशात झेपावूनही धरतीला मात्र विसरायचं नसतं
मरणानं समोर जीवन जरी मागितला तरी
मागून मागून काय मागितलं असंच म्हणायचं असतं
इच्छा असो व नसो जन्मभर वाकायचं असतं
पण जग सोडताना मात्र समाधानानं जायचं असतं
खूप काही करण्याजोगं असतं
संकटाला कधी कंटाळायचं नसतं
त्याला सामोर जायचंच असतं
कुणी नावं ठेवली तरी थांबायचं नसतं
आपलं चांगले काम रेटायचं असतं
अपयशानं कधी खचायचं नसतं,
जिद्दीचं बळ वाढवायचं असतं
नाराज मुळीच व्हायचं नसतं,
चैतन्य सदा फुलवायचं असतं
पाय ओढले म्हणून परतायचं नसतं,
पुढे अन् पुढे जायचंच असतं
लोकनिंदेला कधी घाबरायचं नसतं,
आपलं सामर्थ्य दाखवायचं असतं
जिवनात खूप काही करण्याजोगं असतं
आपलं फक्त तिकडे लक्ष नसतं!

THE NAAC PEER TEAM VISIT

ANNUAL DAY

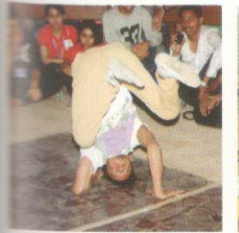

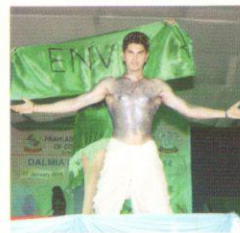

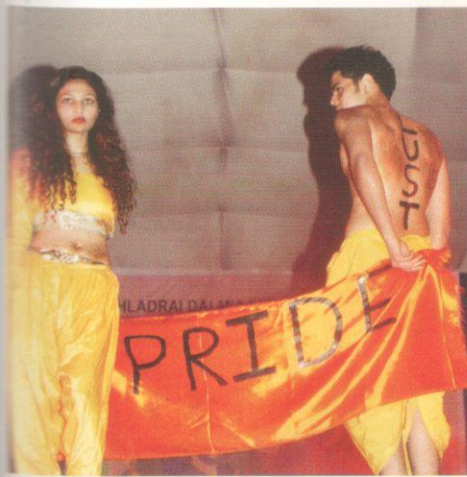

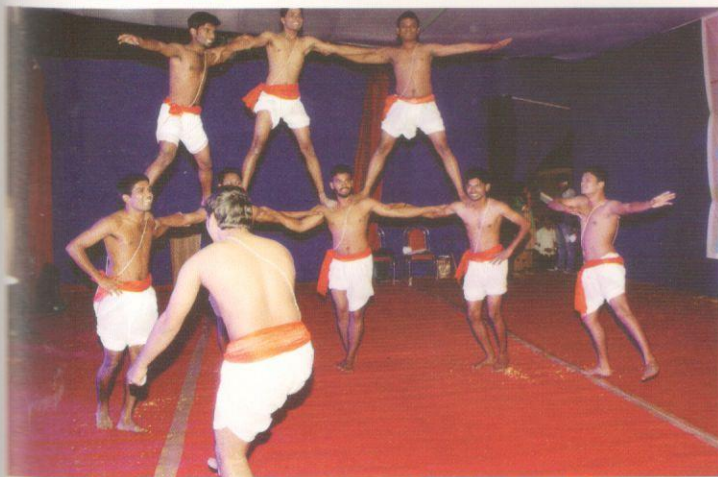

PRIZE DISTRIBUTION

DALMIA LIONS UTSAV

NSS: REACHING OUT

The collage consists of 15 photographs arranged in a grid-like fashion, showcasing the diverse activities of the National Service Scheme (NSS) at Dalmia Lions College of Commerce & Economics. The images include:

- A large group of students sitting on the ground outdoors, possibly during a community service activity.
- Students participating in a physical activity, possibly a game or sport, on a field.
- Two students holding a large white cloth or banner.
- A group of students posing for a photo, some holding a banner that reads "National Service Scheme" and "Dalmia Lions College of Commerce & Economics".
- Students engaged in a community service activity, possibly planting or cleaning.
- A group of students posing for a photo, some holding a banner that reads "National Service Scheme" and "Dalmia Lions College of Commerce & Economics".
- Students participating in a physical activity, possibly a game or sport, on a field.

A MÉLANGE OF ACTIVITIES

आई

प्रत्येकाची आई, ही अशीच आई असते
जीवनातले आनंदाचे क्षण ओवणारी
ती धागा आणि सुई असते.
प्रत्येकाची आई ही अशीच आई असते ।।धृ।।
लहानपणी शी सू तिच्या अंगावर करतो
न्हायला घालणं, तीट - पावडर यातच वेळ जातो
आपल्याला दूध पाजून कामाला लागते
घाण केलेले सारे कपडे परत धूत बसते
परत आपलं रडणे मग बाहेर घेऊन जाणं
चांदोबाची गोष्ट ऐकत तिच्या हातचं जेवण
त्यावेळी आपल्यासाठी, ती पूर्ण वेळ दाई असते
प्रत्येकाची आई ही अशीच आई असते...
शाळा शिकता शिकता आपण मोठे होत जातो
आई आज खायला हे कर, ऑर्डर देत सुटतो
गि-हाईकाचा संतोष हाच आमचा फायदा
हॉटेलातील पाटी प्रमाणे, तिचाही असतो वायदा
आई नुसता पाव नको, त्यावर हवे बटर
त्यावेळी ती असते जणू हॉटलेमधील वेटर
मुलं खुश राहावीत, म्हणून तिची घाई असते
प्रत्येकाची आई ही अशीच आई असते...
आता बाबांचं आजारपणा, पुन्हा आई दाई होते
माहेरपणाला आलेल्या माझ्यां बहिणीसाठी ती ताई होते
आई रिटायर होतच नाही, काम करतच राहाते
एके दिवशी भुर्रं... कन उडून देवाघरी जाते
आला मात्र राणीला, हे सारे झेपत नाही
आईची आठवण काढल्याशिवाय एकही दिवस जात नाही
आता आईचा मोठा फोटो, बाहेरच्या खोलीत असतो
फोटोखालची ओळ वाचून माणूस भारावून जातो
आपलं यशस्वी जीन ही आपल्या आईचीच पुण्याई असते
प्रत्येकाची आई ही अशीच आई असते.

आठवणी

आठवणी असतात क्षणीक पण त्या ठेवायच्या असतात जपून
सोन्यापेक्षा अनमोल असतात आठवणी
आनंदाचे आणि दुःखाचे क्षण निघून जातात
पण आठवणी कायम स्मरणात असतात
वेळ निघून जाते पण वेळेसोबत
असलेल्या आठवणी स्मरणात असतात
परीक्षेची वेळ निघून जाते पण
पेपरच्या आठवणी स्मरणात राहतात
आणि
रिझल्टच्या स्वरूपात जाग्या होतात.
माणूस आपल्याला सोडून जातो पण
त्या माणसाच्या आठवणी स्मरणात असतात
आठवणी असतात रेखाटलेल्या चित्राप्रमाणे
वेळेसोबत धुरकट होत जातात आणि
एक दिवस पुसून टाकल्या जातात

- अश्विनी भि. हेगडे

शाळा आणि कॉलेज मधील जीवन

शाळा आहे
कॉलेज आहे
शाळेत शिकतो
कॉलेजमध्ये होते
शाळेत असतो
कॉलेजमध्ये मात्र
शाळेमध्ये असतात
कॉलेजमध्ये मात्र
शाळेत घडतो तो
पण कॉलेजमध्ये
शाळा होती
कॉलेज होईल का ?

संस्काराची तिजोरी
ते जपून ठेवण्याचे माध्यम
जीवनातील रीत
त्यांची प्रत्यक्ष भेट
शिक्षकांचा धाक
होतो त्यांचा तिरस्कार
मित्र - मैत्रीणी पण
वाढते मैत्री
मात्र विद्यार्थी
घडतो तो नागरिक
जीवनाचा आनंद
यांचे भागीदार

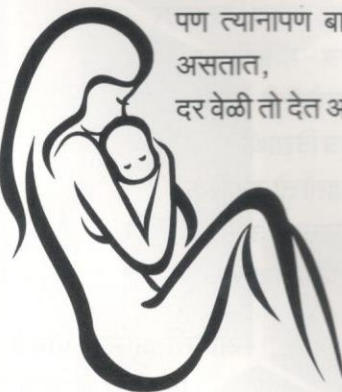

-आरती अनिल गावडे
एस.वाय.बी.कॉम.

आई वडिलांचे महत्त्व

आई आणि वडील ही संसार
संसार रथाची दोन चाक,
यांपैकी एकजरी निकामी झालं
तरी संपूर्ण रथ कोलमडेल.
पटतय ना...

मग का आजतागायत फक्त आईलाच एवढे महत्त्व दिले आहे:
सर्व कवी, लेखकांनी फक्त निर्मल, चांगली अशी आईच रेखाटली
काहींनी बाप रेखाटलेही पण तेही व्यसनी, मारझोड करणारे
मान्य आहे की काही बाप असे असतातही पण सगळेच तर नसतात
का ? बापाला माया नसते: तो प्रेमळ नसतो ?
अशाच प्रेमळ बापाबद्दल थोडंसं, बाप ऐकताच अंगावर काटा उभा राहतो,
का ? तर तो आपल्याला ओरडतो, मारतो
कित्येक बाप व्यसनी असतात कारण... त्यांच्यावर घरचे तणाव असतात
बाप कठोरतेची मूर्ती असते, पण तीच घराची कीर्ती असते
आई घराच मागल्य असते तर बाप घराच अस्तित्व असते
आई म्हणजे झाड असतं, तर बाप त्याच खोड असतं
रोजीरोटी कमवण्यासाठी त्याला करावी लागते तारेवरची कसरत,
पण घरासाठी ती कसरत करण्यात ही त्याला कसली ही नसते हरकत,
बापाला वाटत असतं, मुलीला कराव 'टिचर' आणि मुलाला 'इंजिनियर'
परंतु, मुलांना बनावसं वाटतं; 'ब्युटिशियन' आणि 'डॉक्टर'
रोजच्या निर्वाहाची काळजी असताना,
मुलांची चिंता सतवते दिवस-रात्र एक करताना
तरीही तो मुलांची इच्छा पूर्ण करतो, लाखो रुपये डोनेशन भरतो
मुलांची इच्छा पूर्ण करतो ऐपत नसताना,
कारण तो जाणतो त्याच्या कोवळ्या मनांना खरं म्हणजे...
मुलांनापण बापाच्या वेदना कळत असतात,

पण त्यांनापण बापाच्या माना अभिमानाने उंचवायच्या
असतात,
दर वेळी तो देत असतो त्यांना प्रेरणा,
कधीही दुखवत नाही त्याच्या
भावना,
शिक्षणासाठी तो काढत असतो लोन
पण मुल मात्र मागत
असतात मोबाईल फोन, मुलांसाठी
ऐवढंकरूनही तो रडून दाखवत नाही

आणि राखतो सायलन्स

पण त्याच्या इच्छा पूर्ण करताना मायनस मध्ये असतो त्याचा बँकबॅलन्स
नापास झाल्यावर फटकवणारा बाप आम्हाला खटकतो,
पण शाळेत पहिल्या आल्यावर पेढे आणणारा बाप आम्ही विसरतो
बापाची ही इच्छा नसते की आपण त्याची कर्तव्य करावीत,
पण फक्त दोन शब्दांत त्याची स्तुती करावीत.
एवढेकरूनही तो जीवनाच्या मोजत असतो शेवटच्या घटका,
सुरुवातीप्रमाणेच अजूनही त्याचा खिसा
असतो फाटका

- नेहा जावडे

स्त्री...

फुलापरी कोमल हृदयाची,
आईपरी निरागस मायेची,
कशी गं तू स्त्री ? ॥१॥
मैत्रिणीसारखी आधार देणारी,
बहिणीसारखी मदतीस तत्पर असणारी,
कशी गं तू स्त्री ? ॥२॥
घरातलं मांगल्य टिकवणारी,
पृथ्वीपरी सोशीक असणारी,
कशी गं तू स्त्री ? ॥३॥
डोळ्यांमधल्या स्वप्नपक्ष्यांना पिंजऱ्यात बांधणारी,
पुरुषप्रधान संस्कृतीच्या जाळ्यात धन्यता मानणारी,
कशी गं तू स्त्री ? ॥४॥
पण,
सह्याद्रीच्या कडयासारखे बलाढ्य तू व्हावे,
संसाराचा गाडा ओढताना अस्तित्वासाठी झगडावे,
ज्ञानाच्या प्रबोधनीने अवध्या विश्वास तू उजळावे,
दुसऱ्यांसाठी जगताना स्वतःसाठी जगावे.
तेव्हा खऱ्याअर्थी होशील तू स्त्री. ॥५॥

पूर - एक समस्या

आपल्या देशाने शिक्षणक्षेत्रात, व्यवसायिकक्षेत्रात, क्रीडाक्षेत्रात अविलक्षण-प्रगती केलेली आहे. आपला देश धनधान्याने संपन्न आहे. विकसनशील आहे. प्रगतीच्या पथावर पुढे जात आहे. परंतु आपल्या देशाच्या प्रगतीच्या वाटेत अनेक अडथेळ आहेत. जसे वाढती लोकसंख्या, भ्रष्टाचार, वाढती गरिबी, बेकारी इ. यां पैकी महत्त्वाचा अडथळा म्हणजे पूर.

अतिवृष्टिमुळे नद्या व नाले या मधील पाण्याचे प्रमाण वाढते. मग नदी आपला किनारा ओलांडून आसपासच्या परिसरात पसरते. या परिस्थितीला 'पूर' असे म्हणतात. अनेकदा भरतीमुळे किंवा चक्रीवादकामुळे समुद्रात प्रचंड उंचीच्या लाटा उसळतात. आणि समुद्राचे पाणी आसपासच्या परिसरात शिरून तो प्रदेश जलमय होतो. सामान्यतः कोरडा असलेला प्रदेश जेव्हा पूर्णपणे पाण्याखाली जातो तेव्हा त्या परिस्थितीला 'महापूर' किंवा 'जलप्रलय' असे म्हणतात.

पूर येण्याचे मुख्य कारण म्हणजे माणसाने वेगलेल्या जंगलतोडीमुळे जमिनीची प्रचंड धूप होते. धूप झालेली माती पाण्याबरोबर वाहून येते. ही माती नदीच्या पात्रात साठत जाते. साहाजिकच नदीचे पात्र उथळ बनते. पात्र उथळ झाल्यामुळे नदीतील अतिरिक्त पाणी पात्रात सामावले जात नाही. व ते आजुबाजूच्या परिसरात पसरते. तसेच माणसाने बांधलेली घरणे सुद्धा पूर येण्यास कारणीभूत ठरतात. धरणाच्या कामात भ्रष्टाचार झाल्यास धरण बांधकाम सदोष बनते. आणि काही कालावधीतच ते फुटते. धरणीकंपानेही धरण फुटते. अशा कोणत्याही कारणाने धरण फुटल्यास धरणाचे पाणी सुसाट वेगाने प्रवाहातून वाढू लागते. आणि महापुराची परिस्थिती निर्माण होते.

पुरामुळे काही फायदेही होतात. पुरामुळे गाळ वाहून येतो. हा गाळ पूरग्रस्त प्रदेशात पसरतो. तेथील जमीन सुपीक बनते. पुरामुळे जमीन सपाट होते. अनेक प्रकारची घाण वाहून जाते. जमिनीखालील पाण्याची पातळी वाढते. त्यामुळे विहिरी - तलावांना मुबलक प्रमाणात पाणी उपलब्ध होते. तसेच जमिनीखालील पाण्याची पातळी वाढल्यामुळे वनस्पतीची वाढहोण्यास मदत होते. पुरांमुळे तोटेही खूप होतात. पुरांमुळे गाईगुरे वाहून जातात. किंवा पाण्यात बुडून मरण पावतात. कित्येक माणसेही मृत्युमुखी पडतात. पुरांमुळे दळणवळणाची साधने नष्ट होतात.

त्यामुळे मानवी जीवन पूर्णतः कोलमडून पडते. पुरांमुळे जमिनीलगतची घरे, गोदामे, बँका, बाजार इ. ठिकाणे पाण्यात बुडून जातात. त्यामुळे वस्तुंचा, अन्नधान्यांचा, बँकेतील पैशांचा नाश होतो. आणि त्यामुळे मानवी जीवनावर विपरीत परिणाम होतो. पुरांमुळे दलदल निर्माण होते. त्यामुळे साथीचे रोग पसरतात. पुरांमुळे रस्ते वाहून जातात.

आता तर आपल्या भारताची प्रगती मोठ्या प्रमाणात झालेली आहे. तंत्रज्ञानाच्या बाबतीत आपला देश आघाडीवर आहे. या तंत्रज्ञानाचा वापर करून आपण पूरासारख्या 'भयानक' स्थितीपासून वाचू शकतो.

अनेक रेडिओ, दूरध्वनी अशा अनेक प्रसारमाध्यमातून आपण पूर येण्याची माहिती मिळवून पूर येण्यापूर्वी आपण अनेक उपाययोजना केल्या पाहिजेत. जसे, जंगलाचा नाश थांबवला पाहिजे, शक्य तितक्या प्रमाणात वृक्षांची लागवड केली पाहिजे. नदीचे पात्र सरळ करणे, नदीचे तट बांधून घेणे, तसेच नदीच्या पात्रात वारंवार डागडुजी करणे. असे अनेक उपाय करित राहिले पाहिजे. मोठमोठी घरणे बांधण्याऐवजी लहान-लहान घरणे बांधण्याचे धोरण अवलंबले पाहिजे. दरवर्षी पूर येण्याच्या मोठ्या नद्या व इतर नद्या जोडल्या पाहिजेत. आपला प्रदेश पूरप्रवण आहे की नाही, याची माहिती करून घेतली पाहिजे. अगदी महत्त्वाचे म्हणजे पूर येण्याआधी कोणत्याही अफवा पसरवू नयेत.

काही वेळा उपाययोजना करण्यापूर्वी पूर आल्यास अशा वेळी पुरांमध्ये अडकलेल्या वृद्धांना, लहान मुलांना व स्त्रियांना प्रथम मदत केली पाहिजे. पुरामध्ये रस्त्यांवर वाहने चालक नये. वीजवाहक तारा तसेच वीजबटने पाण्याखाली जात असल्यास त्वरित वीजबटने बंद करावे. जमिनीवर असल्यास त्वरित उंच ठिकाणी जाणे.

पूरास्थितीनंतर इमारती, रस्ते यां पासून सावध राहिले पाहिजे. अनेक सरपटणारे प्राणी यां पासून दूर राहावे. वीजवाहक प्रवाहा पासून दूर राहावे. पाणी साठू ठेऊ नये. अशा अनेक उपाययोजनांद्वारे आपण पुरस्थिती ही भयानक परिस्थिती थांबवू शकतो. असा विकसनशील भारत अशाच उपाययोजना करत राहिल्यास तर पूरच काय भूकंप, आपत्ती, आग अशा कोणत्याही समस्या भारताच्या प्रगतिच्या आड येणार नाही. आज आपला भारत विकसनशील आहे, आणि तो उदया विकसित होणारचं!

सर्वधर्म समभाव

आपला भारत हा देश 'धर्मनिरपेक्ष' म्हणून ओळखला जातो. धर्मनिरपेक्ष म्हणजे आपल्या देशात भिन्न भिन्न जाती, धर्माचे लोक गुण्यागोविंदाने राहतात.

विश्वातील मानव प्राण्यात ज्या वेगवेगळ्या कारणांनी संघर्ष

पेटतो त्यातील एक महत्त्वाचे कारण आहे 'धर्म'. माणसाला आपल्या धर्माविषयी खूप अभिमान असतो आणि या अभिमानामुळेच तो इतरांच्या धर्मांना कमी लेखतो. वास्तविक सर्व धर्म आपल्याला एकच गोष्ट सांगतात. सर्व धर्माच्या मुळाशी समान तत्त्वेच असतात. पण माणूस हे मानायला तयार नसतो. कुणी मूर्तिपूजा करतात, कुणी करत नाही. कोणी शास्त्रामध्ये शक्ति मानतात. कोणी पूजापाठ करतात. पण कुठलाही धर्म आपल्याला संघर्ष करायला सांगत नाही. कोणी मूर्तिभंजक व्हायला सांगत नाही.

धर्म म्हणजे कर्तव्य. माणसाने आपले कर्तव्य पार पाडताना दुसऱ्यांचा विचार केला तर कोणालाही दुःख होणार नाही. माणसाने जर आपले कर्तव्य ओळखले तर त्याला सर्वासोबत गुण्यागोविंदाने सहज राहता येईल. पण आजकाल ज्यांची गरज नाही असे मुद्दे समोर येतात. त्या मुळे माणसाची प्रगतीत ते अडथळा निर्माण करतात. त्यांना पंगू करतात.

अलिकडे भारतामध्ये सर्वधर्म समभाव हा मुद्दा हळूहळू सर्वासमोर येऊ लागला आहे. भारतीय शासन या बदल आता जरा विशेष लक्ष केंद्रित करत आहे. दिवाळीत आपल्या शेजारच्या इतर धर्मीयांना मिठाई देणारा माणूस ईद व नाताळ या सारख्या सणां मध्ये त्यांना शुभेच्छा ही देतो. आपल्या भारता मध्ये सध्या बहुतेक ठिकाणी सार्वजनिक सणांचे आयोजन केले जाते. ज्या प्रमाणे नवरात्री हा उत्सव मूळ गुजराती धर्मीयांचा आहे पण आपण बघतो प्रत्येक दिवशी नवरात्रीच्या मैदानात किंवा सार्वजनिक ठिकाणी सर्व माणसे आनंदाने गरबा खेळत असतात. त्यावरूनच आपल्याला समजते सर्वधर्म समभाव हा विषय लोकांच्या मना मध्ये हळूहळू सजु लागला आहे. ज्या प्रमाणे सणां मध्ये विविध जाती धर्माचे लोक असतात. तेथेच आपण सण आनंदाने साजरा करू शकतो. आणि सध्या प्रत्येक शहरात सार्वजनिक सणांचे आयोजन केले जाते.

पूर्वीच्या काळात लोकांमध्ये सतत हाच विचार असायचा की, मी ब्राह्मण मी उंच जातीचा मला उच्च शिक्षणाचा अधिकार आहे. आणि

खालच्या जातीच्या लोकांना शिक्षणाचा अधिकारच नसे. तसेच त्यांना कोठे ही स्वतंत्र वावरण्याचा अधिकार नसे. पण आजचा काळ बदलला सर्वांना समान शिक्षणाचा अधिकार मिळत आहे.

सरकारने आपल्या भारत देशाला पूर्णपणे धर्मनिरपेक्ष बनवण्यात खूप मेहनत केली आहे. पण भारतामध्ये आजही काही ठिकाणी धर्मावरून भांडण, संघर्ष होत असते. त्यासाठी सरकारने काही नियम बनविले पाहिजे जे सर्व धर्माच्या लोकांना मानायला हवे. उदा. -

१) भारत सरकारने कोणत्याही गुन्ह्याची सजा ही सर्वांना म्हणजे सर्व धर्माच्या लोकांना समान दिली पाहिजे.

२) सरकारने जागेजागी सार्वजनिक सणांचे आयोजन केले पाहिजे जेणे करून सर्व धर्मीय लोक एकत्र येतील व तो सण अजून आनंदाने साजरा करतील.

३) आणि सरकारने जे काही नियम बनविलेत ते सर्व धर्माच्या लोकांना समान लागू पडतील असे बनवावे.

४) हा काळा, हा गोरा, हा उच्च, हा कनिष्ठ, हा भाव लोकांच्या मनातून पूर्णस्व काढण्यासाठी प्रचार-प्रसार करावेत. जेणे करून लोकांनी सर्वधर्म समभावाचा खरा अर्थ समजेल.

या नियमांचा पालन जर प्रत्येक नागरिकाने केले तर आपला देश जगातील प्रथम धर्म निरपेक्ष देश बनेल. जसे कवी केशवसूत म्हणतात.

कोठेही जा पायाखाली तृणावृता भूदिसते

कोठेही जा डोईवर नीलांबर ते.

या ओळींचा अर्थ असा होतो की आपण कोठेही गेलो तरी आपल्या पायाखाली जमीन ही सारखीच असते जमिनीत भेदभाव होत नाही. आणि कोठेही गेलो तरी डोक्यावर आकाश एकच असते. विस्तीर्ण असते. त्या प्रमाणे आपण आपल्यातला आप-परभाव काढून सर्व माणसांना एकच मानायला हवे.

सर्वधर्म समभाव ही भावना सर्व माणसांना मान्य केली तर संघर्ष, भांडणे होणार नाहीत. सारी माणसे ही ईश्वराची लेकरे आहेत हे मान्य केल्यास समता आपोआप निर्माण होईल.

मानव ही जात मानून माणूसकी हाच खरा धर्म मानने म्हणजेच 'सर्वधर्म समभाव' होय. आणि आपण सर्व जण एक आहोत. व सर्वांमध्ये एकत्वाची भावना जागवावी तर आपला सर्वधर्म समभावाचा हेतू पूर्ण होईल.

भारतातील प्रत्येक नागरिकाने प्रत्येका मध्ये एकत्व 'Oneness' या भावनेने वागावे.

-मंगेश चंद्रकांत म्हाब्दी
