COLLEGE AT A GLANCE :

The Lions Club of Malad-Borivali, an international social organization realized the necessity of establishing a Commerce College in the western suburb of Mumbai-Malad in 1972 to cater to the needs of the society. The vision envisaged by the stalwarts of the Club was finally converted into reality and the foundation stone of the college was laid in April, 1972, with a handsome donation from the Dalmia family of Prahladrai Dalmia Charity Trust. Within a record period of 100 days the college building was completed. The college was inaugurated by Hon. Mr. T. K. Tope, the then Vice Chancellor of Bombay University.

The Institution that started with 450 students has today become one of the premier institutes in the western suburbs. The College endeavours for academic excellence and promotion of co-curricular and extra-curricular activities that promote resilience, creativity and leadership qualities among the students. The College lays great emphasis on inculcating in its students the importance of ethics, hard work and commitment to excellence.

The College endeavours to groom its students as icons of tomorrow, potentially contributing to Commerce trade, industry and management. The College inculcates character building qualities like discipline and punctuality in the students. It provides a platform for students to organize various sports and cultural events to participate in various intercollegiate events and to achieve excellence in extra-curricular activities.

The College has an exceedingly committed staff. Principal Dr. Digambar N. Ganjewar acts as a source of inspiration for the staff to maintain high morale while performing their duties based on the parameters of excellence. We are proud to announce that the College is progressing and has added one more professional course – BSc-IT to the existing courses – BMS, BBI, BAF and BFM.

The college at present is proud to be an ISO-9001-2015 Certified College. The College was accredited with “B” grade by NAAC with 72.05 Point average in 2004 for the First Cycle. Subsequently, it was reaccredited with “B” grade by NAAC with CGPA 2.56 in 2014 in the Second Cycle. The college is going to face Third Cycle of reaccreditation by NAAC in the month of January - 2024.

PRINCIPAL'S FOREWORD:

The NAAC accreditation of higher education institutes in India has helped to enhance the qualitative and quantitative growth of human resource development which was envisioned in the constitution of free and democratic India. The NAAC has provided them an opportunity to assess themselves in order to assign their benchmarking for mapping the word maps. Our College has undergone two cycles of accreditation and it has been reaccredited with Grade 'B'. The recommendations of the Second NAAC peer team and the continuous assessment of the Academic and Administrative Audit [AAA] Panel have helped us to provide better qualitative and contextualized education to the students.

Our college is the best college in academics, sports and cultural activities in the entire region of Dharur Taluka. It is committed to cater to the social needs through our well defined goals and the dynamics of academic, research, career oriented courses and extension activities.

The IQAC has provided its expertise to comply with the queries, recommendations and suggestions made by the NAAC Peer Team. The college will face the Third Cycle of NAAC Accreditation in 2023. It has made an incredible growth in terms of its academic, sports, cultural, research and extension activities during the last five years.
